LEVY ELSA

Dictionary of English Colloquial Idioms New York : Macmillan ; London : Collier Macmillan Provides an annotated list of reference works dealing with librarianship, reading, journalism, book, collecting, language, art, music, photography, and entertainment
The United States Catalog John

Benjamins Publishing A world list of books in the English language. *Dictionaries, Encyclopedias, and Other Word-related Books: English books* New York : H.W. Wilson Shares etymologies of common colloquialisms and cultural references less familiar to today's coming-of-age generation, in a volume that reveals the meanings and origins of such retro expressions as "stuck in a groove,"

"catch-22," and "Where's the beef?" The United States Catalog: Books in Print January 1, 1912 McGraw Hill Professional This is the most innovative, comprehensive, and scholarly bilingual dictionary of Russian idioms available today. It includes close to 14,000 idioms, set expressions, and sayings found in contemporary colloquial Russian and in

literature from the nineteenth century to the present. The Russian idioms are provided with many English equivalents to render idioms in various contexts. Illustrative examples are cited to show how the idioms are used in context. Each entry also contains a grammatical description of the idiom, a definition—an innovative feature for a bilingual dictionary—and stylistic and usage information. A

most notable part of the work is the alphanumeric index that makes finding the right expression very easy. *The Cumulative Book Index* New York : Oxford University Press With more than 1,000 entries, a guide to pronunciation, examples and guidance on use in writing and speaking, Foreignisms not only educates and entertains but helps one incorporate les mots

justes into conversation.

Technology and Human Aspects of Maritime Efficiency and Safety

Macmillan Pub Limited

This reference of 8000 entries explores words, phrases and events that have come into use since 1900, covering slang terms,

acronyms, idioms, catchphrases and new expressions. Details are supplied on words from both sides of the Atlantic as well as from elsewhere in the English-speaking world.

I Love It When You Talk Retro

Dictionary of English Colloquial Idioms

This absorbing collection of metaphors includes a variety of expressions with figurative meanings, like similes, proverbs, slang and

catchphrases. It is the result of a lifetime of work on dialect and metaphor and gives an overview of the folk wisdom expressed in figurative expressions. The author draws on his extensive contact with the rural cultures of Dorset, Cornwall, Yorkshire and Lancashire, but has also included a range of sayings from North America, Australia, Scotland and other English

speaking countries. With revised contents and an improved index to make individual entries easier to find, the Concise can be used to check the meaning and the origin of an expression or to avoid mixed metaphors, anachronisms and incongruities. It is a joy to browse long after your original query has been answered.

<p>Association Learn the language of Nebraska . . .and 49 other states With more entries than any other reference of its kind, McGraw-Hill's Dictionary of American Idioms and Phrasal Verbs shows you how American English is spoken today. You will find commonly used phrasal verbs, idiomatic expressions, proverbial expressions, and clichés. The dictionary contains more than 24,000 entries, each</p>	<p>defined and followed by one or two example sentences. It also includes a Phrase-Finder Index with more than 60,000 entries. <u>The Reference Catalogue of Current Literature</u> K G Saur Verlag GmbH & Company Dictionary of English Colloquial IdiomsMacMill anFood and Drink Idioms in EnglishCambri dge Scholars Publishing <u>Macmillan English dictionary for advanced</u></p>	<p><u>learners :</u> <u>dictionary +</u> <u>thesaurus</u> Yale University Press Idioms carry an aura of mystery for all speakers, owing to the discrepancy between their literal and non-literal meanings. This book clears up some of these ambiguities, by examining a series of expressions that have derived from the most instinctive and essential of all human behaviour: eating and drinking. The quantity and</p>
--	---	--

quality of 276 food and drink idioms are explored, investigating two hundred and fifty years of English monolingual lexicography and forty years of usage as attested by contemporary linguistic corpora. The examination of these idioms' syntactic, semantic, pragmatic, historical, social and cultural characteristics will foster in speakers a whole new approach to idiom comprehensio

n and usage, and will constitute thought-provoking ground for further research in other idiom domains. Reference

This volume is addressed to researchers in the field of phraseology, and to teachers, translators and lexicographers . It is a collection of essays offering a comprehensive, modern analysis of

phrasemes, embracing a wide range of subjects and themes, from linguistic, both applied and theoretical, to cultural aspects. The contrastive approach underlying this variety of themes allows the divergences and analogies between phraseological units in two or more languages to be outlined. The languages compared here are both major and minor, European and non-European, and the text

includes contrastive analyses of the most commonly investigated languages (French-German, English-Spanish, Russian-German), as well as some less frequently investigated languages (like Ukrainian, Romanian, Georgian and Thai), which are not as well-represented in phraseological description, despite their scientific interest. *Russian-English*
