A New Brain Hal Leonard Corporation (Vocal Selections). When blind date newbie Aaron is set up with serial-dater Casey, a casual drink at a busy New York restaurant turns into a hilarious high-stakes dinner. As the date unfolds in real time, the couple quickly finds that they are not alone on this unpredictable evening. In a delightful and unexpected twist, Casey and Aaron's inner critics take on a life of their own when other restaurant patrons transform into supportive best friends, manipulative exes and protective parents, who sing and dance them through ice-breakers, appetizers and potential conversational land mines. Can this couple turn what could be a dating disaster into something special before the check

arrives? Our vocal selections collection includes 10 songs arranged for voice with piano accompaniment: First Impressions * I'd Order Love * The One * Safer * Something That Will Last * The Things I Never Said * and more.

Take That were the original British boy band. They sold out arenas in less time than it took to play one of their chart-topping singles. Gary Barlow was the band's gifted front man who not only

wrote hits such as 'Pray' and 'A Million Love Songs' but sang them too. Then the band quit at the very height of their fame. Here Gary reveals for the first time his ride on the rollercoaster of fame, the truth behind the rumours of the band's feuding and his fall-out with Robbie, and how he sank into depression only to rise again in one of pop's greatest comebacks: the record-breaking Take That reunion tour. Candid, confident and down-to-earth, Gary is definitely back for good.

By the Tony-award winning authors of Falsettos, here is an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - Mr. Bungee - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.
