Down Too Deep HarperCollins

This epic World War II tale of star-crossed lovers separated by class, circumstance, and tragedy—from the internationally bestselling author of the “gripping...filled with passion and hope” (Kate Quinn, New York Times bestselling author) *The Girl They Left Behind*—explores the impact of war on civilian life and the indestructible resilience of first love. Hungary, 1943: As war encroaches on the country's borders, willful young Eva César arrives in the idyllic town of Sopron to spend her last summer as a single woman on her aristocratic family's estate. Longing for freedom from her domineering father, she counts the days to her upcoming nuptials to a kind and dedicated Red Cross doctor whom she greatly admires. But Eva's life changes when she meets Aleandro, a charming and passionate Romani fiddler with a love for painting. With time and profound class differences against them, Eva and Aleandro still fall deeply in love—only to be separated by a brutal act of hatred. As their lives diverge and they are each swept into the tides of war and its aftermath—they try to forget what they once shared. But as the years pass, the haunting memory of their romance will re-shape their destinies and drive them to decisions which are felt through generations. From the horrors of the Second World War to the tensions of the 1956 Hungarian uprising and beyond, *When the Summer Was Ours* is a sweeping story about the toll of secrets, the blurred lines between desire and loyalty, sacrifice and obsession, and the endurance of the human spirit.

"In this masterful performance, Bryn Chancellor explores the loss around which an entire community has calcified with humanity and wisdom. Chancellor digs deep in these pages, unearthing broken hearts, secrets, betrayals, passion and—most impressively—grace. What a joy to find a book that is both propulsive and perfectly composed."—Cynthia D'Aprix Sweeney, author of *The Nest* An award-winning writer makes her debut with this mesmerizing page-turner in the spirit of *Everything I Never Told You* and *Olive Kitteridge*. Out for a hike one scorching afternoon in Sycamore, Arizona, a newcomer to town stumbles across what appear to be human remains embedded in the wall of a dry desert ravine. As news of the discovery makes its way around town, Sycamore's longtime residents fear the bones may belong to Jess Winters, the teenage girl who disappeared suddenly some eighteen years earlier, an unsolved mystery that has soaked into the porous rock of the town and haunted it ever since. In the days it takes the authorities to make an identification, the residents rekindle stories, rumors, and recollections both painful and poignant as they revisit Jess's troubled history. In resurrecting the past, the people of Sycamore will find clarity, unexpected possibility, and a way forward for their lives. Skillfully interweaving multiple points of view, Bryn Chancellor knowingly maps the bloodlines of a community and the indelible characters at its heart—most notably Jess Winters, a thoughtful, promising adolescent poised on the threshold of adulthood. Evocative and atmospheric, *Sycamore* is a coming-of-age story, a mystery, and a moving exploration of the elemental forces that drive human nature—desire, loneliness, grief, love, forgiveness, and hope—as witnessed through the inhabitants of one small Arizona town.

parents decide that the family will spend on last summer together at their old lake house in the Pcocono Mountains. And as Taylor tries to deal with the drama at home, she is faced with the fact that the friends she thought she'd left behind haven't actually gone anywhere. Her former summer best friend is still living across the lake and still as mad with Taylor as she was five years ago, and her first boyfriend has moved in next door... but he's much cuter at seventeen than he was at twelve. How I Found Life and Freedom on Death Row (Oprah's Book Club Summer 2018 Selection) Simon and Schuster

A deeply personal exploration of fatherhood, addiction, and resiliency from Craig Melvin, news anchor of NBC's Today show. For Craig Melvin this book is more an investigation than a memoir. It's

an opportunity to better understand his father; to interrogate his family's legacy of addiction and despair but also transformation and redemption; and to explore the challenges facing all dads--including Craig himself, a father of two young children. Growing up in Columbia, South Carolina, Craig had a fraught relationship with his father. Lawrence Melvin was a distant, often absent parent due to his drinking as well as his job working the graveyard shift at a postal facility. Watching sports and tinkering on Lawrence's beloved (but unreliable) 1973 Pontiac LeMans were two ways father and son connected, but as Lawrence's drinking spiraled out of control, their bond was stretched to the breaking point. Fortunately, Craig had a loving, fiercely protective mother who held the family together. He also had a series of surrogate father figures in his life--uncles, teachers, workplace mentors--who by their examples helped him figure out the kind of person and father he wanted to be. Pops is the story of all these men--and of the inspiring fathers Craig has met reporting his "Dads Got This Series" on the Today show. Pops is also the story of Craig and Lawrence Melvin's long journey to reconciliation and understanding, and of how all these experiences and encounters have informed Craig's understanding of his own role as a dad.

Cold Summer Unbridled Books

From New York Times and USA Today Bestselling author, J. Daniels, the second book in the Alabama Summer series. ****Author's Note**** All I Want is a standalone novel, but to fully appreciate the f****ed-up mess that is Luke & Tessa, pick up *Where I Belong* first. Luke Evans is a heartbreaker. I didn't want to give mine to him. Not when he kept me out. He gave me enough, just enough to make me fall in love with him. I say this to convince myself. But I know the truth. I would've fallen in love with him at a distance. Handing my heart over to Luke was the easiest thing I've ever done. I was naive when I wished for more, when I hoped he wanted the same things I did. I try to hate him. I try to forget him. But it's not that easy. Love is a ruthless bitch, and I'm her latest victim. Tessa Kelly is a man-eater. When she sets her sights on you, she doesn't just consume your heart, she goes for your soul. What we had was perfect, real, and all I would ever want. But she destroyed it. She destroyed us. I try to hate her. I try to forget her. But it's not that easy. Love is for people who have hope, and I have none. ****Warning:** This books is recommended for readers over the age of 18 due to strong language and explicit sexual content.

An Alabama Summer Novella HarperCollins

"The perfect summer read" (USA TODAY) begins with a shocking tragedy that results in three generations of the Adler family grappling with heartbreak, romance, and the weight of family secrets over the course of one summer. *A New York Times Book Review Editors' Choice * One of USA TODAY's "Best Books of 2020" * One of Good Morning America's "25 Novels You'll Want to Read This Summer" * One of Parade's "26 Best Books to Read This Summer" Atlantic City, 1934. Every summer, Esther and Joseph Adler rent their house out to vacationers escaping to "America's Playground" and move into the small apartment above their bakery. Despite the cramped quarters, this is the apartment where they raised their two daughters, Fannie and Florence, and it always feels like home. Now, Florence has returned from college, determined to spend the summer training to swim the English Channel, and Fannie, pregnant again after recently losing a baby, is on bedrest for the duration of her pregnancy. After Joseph insists they take in a mysterious young woman whom he recently helped emigrate from Nazi Germany, the apartment is bursting at the seams. Esther only

wants to keep her daughters close and safe but some matters are beyond her control: there's Fannie's risky pregnancy—not to mention her always-scheming husband, Isaac—and the fact that the handsome heir of a hotel notorious for its anti-Semitic policies, seems to be in love with Florence. When tragedy strikes, Esther makes the shocking decision to hide the truth—at least until Fannie's baby is born—and pulls the family into an elaborate web of secret-keeping and lies, bringing long-buried tensions to the surface that reveal how quickly the act of protecting those we love can turn into betrayal. "Readers of Emma Straub and Curtis Sittenfeld will devour this richly drawn debut family saga" (Library Journal) that's based on a true story and is a breathtaking portrayal of how the human spirit can endure—and even thrive—after tragedy.

A woman in New York awakens knowing, as deeply as a mother's blood can know, that her grown son is in danger. She has not heard from him in weeks. His name is Jonas. His girlfriend, Vic, doesn't know what she has done wrong, but Jonas won't answer his cell phone. We soon learn that Jonas is isolated in a safe-house apartment in New York City, pondering his conversion to Islam and his

experiences training in Pakistan, preparing for the violent action he has been instructed to take in 31 hours. Jonas's absence from the lives of those who love him causes a cascade of events, and as the novel moves through the streets and subways of New York we come to know intimately the lives of its characters. We also learn to feel deeply the connections and disconnections that occur between young people and their parents not only in this country but in the Middle East as well. Carried by Hamilton's highly-lauded prose, this story about the helplessness of those who cannot contact a beloved young man who is on a devastatingly confused path is compelling on the most human level. In our world, when a family loses track of an idealistic son an entire city could be in danger. From the author of *The Distance Between Us*.

New York Times Bestseller! The View cohost and New York Times bestselling author Sunny Hostin dazzles with this brilliant novel about a life-changing summer along the beaches of Martha's Vineyard. Welcome to Oak Bluffs, the most exclusive Black beach community in the country. Known for its gingerbread Victorian-style houses and modern architectural marvels, this picturesque town hugging the sea is a mecca for the crème de la crème of Black society—where Michelle and Barack Obama vacation and Meghan Markle has shopped for a house for her mom. Black people have lived in this pretty slip of the Vineyard since the 1600s and began buying property in the 1800s, making this posh town the embodiment of “old money.” Thirty years ago, Amelia Vaux Tanner and her husband built a house high on the bluffs, a cottage they named Chateau Laveau. For decades, “Ama” played host to American presidents, Wall Street titans, and cultural icons. But her favorite guests have always been her three “goddaughters:” Esperanza “Perry” Soto, a beautiful, talented Afro-Latina lawyer with Ama’s strong, yet guarded personality; Olivia Jones, a gifted Wall Street analyst with Ama’s brilliant, logical mind; and Billie Hayden, a gifted marine biologist and rule-breaker with Ama’s courageous free spirit. Growing up, these three goddaughters from different backgrounds came together each summer at Chateau Laveau. As adults, the cottage is a place this trio of successful yet very different women go to escape, to slow down from their hectic lives, share private time with Ama, and enjoy the gorgeous weather, cool water, and stunning views Oak Bluffs offers. This summer on the Bluffs, however, will be different. An era is ending: Ama, now nearing seventy-one, is moving to the south of France to reunite with her college sweetheart. She has

invited Perry, Olivia, and Billie to spend one last golden summer together with her the way they did when they were kids. And when fall comes, she is going to give the house to one of them. Each of the women wants the house desperately. Each is grappling with a secret she fears will hurt her and her chances. By the end of summer, old ties will fray, new bonds will be created, and these three found sisters will discover they aren’t the only ones with something to hide. Ama has a few secrets of her own. What she has to give them is far more than property. Between Memorial Day and Labor Day, she will tell these surrogate daughters she fiercely loves and protects everything they never knew they needed to know.
