Once upon a time in Mayfair a group of wallflowers formed a secret society with goals that had absolutely nothing to do with matrimony. Their most troublesome obstacle? Rogues! They call her Beastly Beatrice. Wallflower Lady Beatrice Bentley longs to remain in the wilds of Cornwall to complete her etymological dictionary. Too bad her brother's Gothic mansion is under renovation. How can she work with an annoyingly arrogant and too-handsome rogue swinging a hammer nearby? Rogue. Scoundrel. Call him anything you like as long as you pay him. Navy man Stamford Wright is leaving England soon and renovating Thornhill House is just a job. It's not about the duke's bookish sister or her fiery copper hair. Or the etymology lessons the prim-yet-alluring lady insists on giving him. Or the forbidden things he'd love to teach her. They say never mix business with pleasure. But when Beatrice and Ford aren't arguing, they're kissing. Sometimes temptation proves too strong to resist...even if the cost is a heart.

Never Rescue a Rogue Darcy Burke

The final, breathtaking novel in Elisa Braden's *Rescued from Ruin*

series is the story readers have been clamoring for: Fragile yet unbroken, Hannah Gray is embarking on a husband hunt ... if only Lady Wallingham hadn't invited a wolf to the party. All she wants is an ordinary life. A cruel past left Hannah Gray with one simple longing—normalcy. Normal ladies ride and waltz without fear. They have safe, normal husbands to give them safe, normal kisses. After years of healing, she's ready to find "normal" for herself, and Lady Wallingham's house party is the perfect place to begin. Perfect, that is, except for the cynical wolf-in-rogue's-clothing whose every hungry glance threatens to crack her armor and pierce her fragile heart. All he wants is to forget her. Bow Street runner Jonas Hawthorn vowed never to see the cold, haughty Miss Gray again. A year ago, he nearly died trying to protect her, only to be dismissed like a lowly servant. But soon, he'll have land and servants of his own. He just has to locate an old dowager's stolen goods, collect his prize, and avoid the beauty who haunts him like a moonlit sky. All it takes is a single kiss. He never meant to touch her. She never meant to reveal the truth. But once he's tasted the heat and longing hidden beneath her icy mask, the only mystery this Bow Street man burns to solve is how a roguish wolf might win the elusive Miss Gray for himself.
