The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. "Every sales manager should read *The Greatest Salesman in the World*. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration."—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read."—Paul J. Meyer, President of Success Motivation Institute, Inc. "I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it."—Robert B. Hensley, President, Life Insurance Co. of Kentucky

Este libro indaga en una desatendida obra cuyo estudio ofrece una perspectiva original sobre un período

nacional de proyección continental: las novelas criollistas del escritor guatemalteco Virgilio Rodríguez Macal. En sus novelas Carazamba (1953), Jinayá (1956) y Guayacán (1962), el escritor adopta la estética criollista para postular una esencia autóctona guatemalteca fundamentada en el discurso de narradores que fungen de intérpretes de esa esencia gracias a un saber científico derivado de disciplinas como la antropología, la historiografía y la sociología. El análisis de esas obras demuestra que el escritor, inscripto en la tradición letrada latinoamericana de compromiso con la construcción de la nación, postula mundos narrativos que constituyen programas de integración nacional.

Know Anyone Like This in Your Life?

Politicians? Strange Case of Dr Jekyll and

Mr Hyde is the original title of a novella

written by the Scottish author Robert

Louis Stevenson that was first published

in 1886. The work is commonly known

today as The Strange Case of Dr. Jekyll

and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or

simply Jekyll & Hyde. It is about a

London lawyer named Gabriel John

Utterson who investigates strange

occurrences between his old friend, Dr.

Henry Jekyll, and the evil Edward Hyde.

The work is commonly associated with

the rare mental condition often called

""split personality"", referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr. Jekyll, one

apparently good and the other evil.

About the Author: Robert Louis Balfour

Stevenson (13 November 1850 - 3

December 1894) was a Scottish novelist,

poet, essayist, and travel writer.
