With amazing low-light capabilities, incredible definition, intelligent autofocus and a host of other features, digital cameras have now become so powerful that they have left their users behind. Most photographers can take competent shots in a range of conditions, or fix imperfect exposures in Photoshop or Lightroom, but very few have the skill to push their cameras to the limit and capture the perfect shot, under all conditions, with no post-processing required. In Camera is the perfect way to take your photography to that level; to master your camera, understand light, exposure and composition, and make amazing photographs, whatever your camera, without cheating after the event. One hundred of Gordon's beautiful photos are given with his own expert commentary; full settings and camera details are included, and a host of tips and tricks let photographers of any level learn something from every example. The shots are taken with a wide range of cameras, and the emphasis is on getting results by improving your own skills, not wasting money on expensive equipment.

David Busch's Sony Alpha a7R IV Guide to Digital Photography Rocky Nook, Inc.

David Busch's Sony Alpha a7R IV Guide to Digital Photography is the most comprehensive resource and reference for Sony's innovative 61-megapixel full frame mirrorless camera. Capable of 10 frame-per-second bursts even at full resolution, the a7R IV is fast enough for action photography, and its 15-stop enhanced dynamic range delivers the image quality that the most demanding landscape or fine-art photographer requires. This camera's remarkable low-light performance, fast sensor-based 567-point phase detect autofocus (with real-time face and eye tracking in both still and movie modes), and improved 5-axis in-body image stabilization, the a7R IV has all the tools needed to take incredible images. This book will show you how to master those features as you explore the world of digital photography and hone your creativity with your a7R IV. Filled with detailed how-to steps and full-color illustrations, *David Busch's Sony Alpha a7R IV Guide to Digital Photography* covers every feature of this camera in depth, from taking your first photos through advanced details of setup, exposure, lens selection, lighting, and more, and relates each feature to specific photographic techniques and situations. Also included is the handy camera "roadmap" chapter, an easy-to-use visual guide to the camera's features and controls. Learn when to use every option and, more importantly, when not to use them, by following the author's recommended settings for each menu entry. With best-selling photographer and mentor David Busch as your guide, you'll quickly have full creative mastery of your camera's capabilities, whether you're shooting on the job, as an advanced enthusiast exploring full frame photography for the first time, or are just out for fun. Start building your knowledge and confidence, while bringing your vision to light with the Sony a7R IV.

If you are one of the many people that have been stymied by the mysteries found in the book of Revelation, then Revelation Unveiled is the book for you. The author systematically paints a complete and cohesive picture of the events described in the book of Revelation. Each and every verse and symbol is thoroughly referenced. The reader will finish this book with a much deeper understanding of the extraordinary treasures that make up the "Revelation of Jesus Christ!" Rev. Dustin Abbott is a prolific writer and a student of the Word of God. Revelation Unveiled is an amazing, inspiring mother lode of practical illustrations that capture the essence of the Book of Revelation. Rev. Abbott is a gifted writer who has the ability to take the complex and make it easy to understand. Revelation Unveiled is a must-read for all students of the Bible. Rev. Alonzo Dummitt, Ontario District Superintendent A must for laymen and Bible students. Dustin Abbott has proven his knowledge and insight as a prolific curriculum author and now unfolds the book of Revelation. Read it now: reference it often! Rev. Arnold MacLauchlan, Ontario District Secretary Dustin Abbott is an ordained minister with the United Pentecostal Church International, and currently serves as pastor of Emmanuel Lighthouse United Pentecostal Church in Pembroke, Ontario, Canada. Born into the home of a full-time evangelist, Rev. Abbott was raised on the road until his father established a new church in Scottsdale, Arizona. A fifth generation minister, he attended Christian Life College in Stockton, California prior to entering the ministry. Dustin has been married for 9 years to Lana and is the father of Samuel and Jazzlyn. They are expecting their third child in August, 2007. Rev. Abbott is currently serving as Dean of the Ontario Leadership Training Centre campus in Ottawa and also serves as a writer for the curriculum committee. He has happily committed himself to a lifetime of study of God's Word.

David Busch's Sony Alpha a7 IV Guide to Digital Photography Rocky Nook, Inc.

"....a very sweet dog story" -- Outside The story of a dog, his human, and the friendship that saved both of their lives. When Ben Moon moved from the Midwest to Oregon, he hadn't planned on getting a dog. But when he first met the soulful gaze of a rescue pup in a shelter, Ben instantly felt a connection, and his friendship with Denali was born. The two of them set out on the road together, on an adventure that would take them across the American west and through some of the best years of their lives. But when Ben was diagnosed with colorectal cancer at age 29, he faced a difficult battle with the disease, and Denali never once left his side until they were back out surfing and climbing crags. It was only a short time later that Denali was struck by the same disease, and Ben had the chance to return the favor. Denali is the story of this powerful friendship that shaped Ben and Denali's lives, showing the strength and love that we give and receive when we have our friends by our side.

The Complete Guide to Sony's Alpha 700 DSLR (B&W Edition) John Wiley & Sons

With the Alpha DSLR-A850, Sony has combined 24 megapixels of full-frame resolution with the compact body and ease of use that the Alpha models are known for. David Busch's Sony Alpha DSLR-A850 Guide to Digital Photography shows discerning photography students how to take outstanding pictures with this sophisticated and cutting-edge camera. They'll learn how, when, and,

most importantly, why to use all the cool features and functions of their camera to take eye-popping photographs. Introductory chapters will help them get comfortable with the basics of their camera before they dive right into exploring creative ways to apply the Sony Alpha's exposure modes, focus controls, and electronic flash options. This book is chock full of hands-on tips for choosing lenses, flash units, and software products to use with their new camera. Beautiful, full-color images illustrate where the essential buttons and dials are, so they'll quickly learn how to use your Sony Alpha, and use it well.

This book is a guide to using the Sony a7 and a7R, the first full frame, autofocus system cameras. At half the weight of a full frame DSLR, they are easy to carry for photographers on the go. The less-expensive a7 has a 24-megapixel sensor for shooting rapidly changing scenes; the a7R has a 36-megapixel sensor designed for ultimate image sharpness. Both use advanced image-processing algorithms and can use any manufacturer's lens when matched with the appropriate adapter. The electronic viewfinder gives the photographer an accurate preview of the image, ensuring the capture of technically excellent photographs by preventing mistakes in color temperature, depth of field, and exposure. All features of the a7 and a7R are covered, including automatic stitching to create panoramas, and multi-shot noise reduction that allows the use of extremely high ISOs. This book guides the photographer in using both the camera's automated features and manual controls to take photographs that are a unique reflection of his or her creative personality.
