Haynes manuals are
written specifically for the
do-it-yourselfer, yet are
complete enough to be
used by professional
mechanics. Since 1960
Haynes has produced
manuals written from
hands-on experience
based on a vehicle
teardown with hundreds
of photos and illustrations,
making Haynes the world
leader in automotive
repair information.

Popular Mechanics
Haynes Publications

The best-selling Honda
ever, the long-running
Honda Mini Trail, was
available in a huge range
of models, even within
each model year. The
Honda Mini Trail
Enthusiast's Guide covers
all Honda Mini Trails and
Z50 bikes produced

between 1968 and 1999. Author Jeremy Polson begins with a brief introduction of the models that led up to the Mini Trail, and then jumps into a thorough analysis of the many models and iterations that Honda has offered through the years. Despite the worldwide popularity of Honda's best-selling model, no other Mini Trail book had been published, and the accuracy of information found on the Internet is suspect at best. For Z50 collectors and enthusiasts, this book presents facts and figures found nowhere else. In addition to the hard facts regarding each model of each year, this book is filled with many rare photos that track the evolution of the Mini Trail, and unravel its mystery. *The Book of the Honda 50* Haynes Manuals N. America, Incorporated This book includes repair information on cars and light trucks. Includes specifications, tune-ups, troubleshooting and diagnosis, engine rebuilding, emissions controls, brakes, transmissions, and more. **American Motorcyclist** Haynes Manuals N. America, Incorporated TRX300/Fourtrax 300, TRX300FW/Fourtrax 300

4x4 *American Book Publishing Record* Haynes Manuals N. America, Incorporated American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members.
