This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also write about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She describes what it is that she expects from a femdom relationship

and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship. Sissy Feminization - Controlling His Life Cindel Sabante

The latest book by Thomas Newgen and Barbara Deloto, "Changes" has five different stories about forced feminization. The authors of, the ever popular, "Virgin Bride - An Erotic Tale - A Husband becomes a Bride." and, "Shapeshifter" have now created five exciting stories of men being turned into women (almost) by their female transformers. "Neighborly Advice" is about a wife that talks with her psychiatrist neighbor about sexuality and through her advice brings excitement into their lives by teaching the wife to transform the husband into a woman and become like a girlfriend instead of a husband as they enjoy themselves immensely while he's dressed as a woman. "I Once Was a Man, Until My Wife Got Done with Me" is about a wife who wants her husband to understand how a woman wants to be treated by a man by turning him into a woman through her training of him. "Natasha's Weekend" is about a woman's special, monthly party, where she becomes a dom for a day and turns her husband into her sissy slave to serve at the party. "What Happened to Me!?" is about a husband that regularly came home after too many drinks one too many times until she takes control and literally puts her shoe on his foot along with other limiting, and life changing restraints and changes. "A New Job: Great Pay, But at What Price?" is about a man that is hired at an outrageously high salary by a beautiful, powerful, woman boss that makes him wear women's clothing on his first day of work and ultimately changes his life completely. All the stories are about men learning about the pleasures of dressing like a woman, femininity, sexuality, sensuality, and pleasing from the feminized side of life. All of them are highly erotic and incredibly titillating! Adults only! Don't miss this one.
