JORDYN SARA

Between Ethics and Politics: Lessons from Biafra Del Rey

Kyndle Redwood has known nothing but life as an exile, so when an opportunity arises for something different, she less than willingly takes it. She could never have imagined just what that choice would mean.

Follow her adventures in this exciting novel about struggle, faith, and love.

A Risk Worth Taking

Andrew Butcher

"The book is indispensable." —Booklist

"Detailed, objective, and valuable." —Kirkus

Reviews "Generating a gamut of emotions, the entire package is an important documentation of a revolution in American culture."

—Publishers Weekly 10th Anniversary

Edition—Includes a New Preface by the Authors
When it first came out in 2002, *The Trials of Lenny Bruce* quickly established itself as the definitive work on Lenny Bruce's

free speech battles over his provocative comedy. Originally packaged with an audio CD, this 10th Anniversary Enhanced eBook edition includes audio from Lenny Bruce's most controversial performances, as well as exclusive author interviews with George Carlin, Hugh Hefner, Paul Krassner, Margaret Cho, and the lawyers who defended and prosecuted him. Also included are archival audio clips secretly recorded during Lenny's New York obscenity trial. *The Trials of Lenny Bruce* is an important document of the free speech struggles of an icon of American comedy who, by speaking his mind and fighting the good fight, paved the way for every standup comedian, satirist, and social critic who followed him. Not only did *The Trials of Lenny Bruce* set the record straight on Lenny, being named one of the best books of the year by the L.A. Times, the authors led the successful push for the late comedian's posthumous pardon in 2003 for his 1964

conviction on obscenity charges in New York.

Natalia Puccini has spent her entire life playing by her overbearing but well-intentioned Italian family's rules...except the one time she took a chance on a bad boy and fell hard. She's worked to get her life back on track so when Aiden McCann comes sauntering back into town with his heart-stopping smile, Natalia vows not to fall for him again. There's no way she'll let him mess with her perfectly planned life...and there's no way she'll let him near her heart again... Now reformed and a self-made success, Aiden is tormented by regrets and

secrets. He left Red River years ago filled with anger and resentment and a promise to never come back. But when his ill father needs help, Aiden knows it's time to face the mess he left behind, and face the one woman he never got over. It doesn't matter how beautiful or intriguing she is, though, because he'll never be able to give her what she needs. As soon as his father is healthy, Aiden is leaving Red River...for good. Each book in the Red River series is a standalone story that can be enjoyed out of order. Series Order: Book #1 A Risk Worth Taking Book #2 The Best Man's Baby Book #3 The Doctor's Fake Fiancee Book #4 The Rebel's Return [Higgins Hockey Fantasy Index: 2010-2011](#) Entangled: Amara A one-night stand with her boss? What on earth could Sammie have been thinking?! Jackson Worth is drop-dead gorgeous but completely out of her league. So if Sammie wants her happily-ever-after, she may have to shed her girl-next-door image to seduce the confirmed bachelor once and for ever! *The Trials of Lenny Bruce (Enhanced)* Top Five Books LLC

Former surgeon and self-professed life-long bachelor Evan Manning has one thing on his mind—to reclaim the career that a car accident stole from him. But when he's forced to return to his hometown of Red River, Evan comes face-to-face with the gorgeous woman who's haunted his dreams for the last year—the woman he rescued from the burning car that injured his hand. Now Evan needs her help. In a month, he'll have the job opportunity of a lifetime...he just needs a wife to get it. Artist Grace Matheson is down on her luck again...until she walks into Evan Manning's office. When her sexy former hero hears that she needs work, he offers her a job and a home—if she'll pretend she's his fiancée. Grace knows she shouldn't fall for him. Once the month is up, Evan will be back to his old life. But the more time they spend together, the more real their feelings become—and the more likely heartbreak is. Each book in the Red River series is a standalone story that can be enjoyed out of order. Series Order: Book #1 A Risk Worth Taking Book #2 The Best Man's Baby Book #3 The Doctor's Fake Fiancee

Ask questions not on the agenda Explore ideas wherever they lead Pursue goals because they're important Create options not yet perceived According to premier researcher Don Braben, these are the vital intellectual processes that underlie all human achievement, the kinds of risk-taking activities that have made our civilization what it is today. Yet, warns Braben, the same pioneer spirit that fueled our meteoric industrial and scientific growth is now being undermined by a growing climate of corporate caution and conformity. In this groundbreaking manifesto on the importance of scientific freedom, Braben asserts that the greatest long-term risks facing humanity will not come from weapons of mass destruction, prolonged global war, devastating disease or famine, or even from extinction by a huge wayward meteor. Rather they will come from the debilitating attrition caused by the rising tides of bureaucracy and control that are steadily

strangling human ingenuity and undermining our future. Addressing this serious and growing problem, *Pioneering Research: A Risk Worth Taking* explains the urgent need to maintain both the originality and freedom of expression that is so vital to our economic growth and scientific development. Citing global trends and attitudes that currently threaten these conditions, Braben details some bold new initiatives that may offer a possible solution. A compelling read for today's scientists, policy makers, and concerned laypeople, Braben's book will change our understanding of the politics of scientific achievement and expose the threat to our future from bureaucracy, paper trails, political correctness, lowest common denominator solutions, and accountability-the invisible chains that bind the imagination and damage our society irreparably.

Risk Wise Little, Brown Books for Young Readers From leading risk management pioneer, Gary L. Toms, comes an innovative new look at defining the leading

principles behind enterprise risk management. With today's regulatory environment, every manager must implement new standards of governance for their enterprise. Toms gives business leaders the tools needed to better understand the risk management process, its strategies, and how they apply to our global economy. Using real-world examples and easy-to-understand language, Toms provides a comprehensive overview of the basic terms and concepts of enterprise risk management. He also explores sociological, psychological, environmental, economic, and technological issues to help prepare you for managing a global enterprise. Toms offers in-depth discussion on topics such as: Risk identification, assessment, and management techniques; Insurance policies, contracts, and the marketplace; Global ethics risk; eCommerce and technology risks; Mergers and acquisitions; And much more! Identifying different risk management rationales, techniques, and strategies can often be difficult, yet

knowing these factors is essential to protecting your enterprise, no matter the type. Let *Managing Global Enterprise Risks* take the guesswork out of your business equation and put you on the path to success.

a Red River novel

AuthorHouse

Although many years have elapsed since the demise of Biafra, it still remains an intractable unfinished business that seriously threatens the corporate existence of Nigeria. Most of the literature on Biafra tended to dwell more on the historical and political analysis of the war and how the factors that engendered it could be tackled. It appears however, that no ethical analysis of the issues involved in the Biafran war has been carried out in any significant academic endeavour, hence the reason and need for a critical analytical survey of the ethical and political implications of the role of the world community in the unprecedented events that took place in Biafra. The purpose of this book is, first, to understand the twist and turns of the events and issues involved in the Biafran crisis and the role the

international community played in the war. Second is to articulate the complex nature of humanitarian intervention and to stress the relevance of ethics, its interpenetration, and tandem relationship with international relations on a broader level, and in particular, humanitarian intervention as a foreign policy action. The main claim of our argument is that ethics is part and parcel of international relations. Divorcing ethics from international relations leads to amorality that threatens the world order. In other words, it is argued that ethical considerations should guide international affairs and the undertaking of humanitarian intervention. Behind this basic thesis, the book defends the idea of a global ethic. Global ethic means an ethic which acknowledges respect for human life and the interconnectedness and interdependence of all human beings. It is an ethic which transcends the circumscribed confines of national boundaries and economic and geopolitical interests and opens them up to the larger urgent need, well-being, peaceful

coexistence, and sustainability of the larger world community. Tobe Nnamani

 From New York Times bestselling author Victoria James comes a heartwarming love story about family, forgiveness, and the true meaning of "home." Janie Adams has been a single parent to her nephew since he was a baby. Fifteen years later, she's finally found out who his father might be, so the two of them travel across the country to find him. She'd do anything for this kid. But when they arrive in the small town of Wishing River, Montana, and Janie finally meets the ruggedly handsome cowboy she'd been told had abandoned his son, his shocked response changes everything. Aiden Rivers can't dispute this is his kid when he sees his own features staring back at him, but he had no idea Janie's sister was pregnant when she left him. He didn't even know she had a sister—clearly they'd all been lied to. Now he has fifteen years of fatherhood to make up for and no idea how to be a dad. This was never in his plans. Janie sticks around to help him ease

into parenting, everything from showing him how to lure a sulky kid out of his bedroom to keeping up with the latest teen-speak. Together, they surprisingly make a good team, this city girl and country boy. But when the past catches up with them, Aiden and Janie must decide what's best for the boy who's connecting them, not only for each other...which could mean splitting them apart. Each book in the Wishing River series is STANDALONE: * The Trouble with Cowboys * Cowboy for Hire * Wishing For A Cowboy
Nine Everyday Adventures
 HarperCollins UK
 Interior designer Holly Carrington worked hard for her success. Then tragedy struck, leaving Holly the sole guardian of her infant niece. Now she's swapped her designer purse for a diaper bag, and is going ahead with plans to renovate—and sell—her childhood home in Red River. But facing her past also means coming face-to-face with Quinn Manning all over again...Quinn was the object of her girlhood crush—and heartbreak—and is more gorgeous than ever. He's also the only person qualified to

oversee the renovation. Now they're butting heads every step of the way... and their attraction is more electrifying than ever! But once the house is sold, Holly needs to return to her real life. And falling for Quinn all over again is one risk she can't take...

Her Best Friend's Wedding by Abby Gaines When did Sadie Beecham get those curves? She'd always been the geek next door and his baby sister Meg's brainy best friend. Smart, sure. But hot? He never would have imagined it before. Now, Trey Kincaid's imagining all sorts of things. And none of them has to do with Sadie's gifted mind. A mind, he discovers, she's clearly lost. Because she's in love with Meg's fiance. And that's an obsession

he's determined to put an end to one way or the other. A Risk Worth Taking by Zana Bell Any red-blooded American male would be all over Cressa Curtis. She's gorgeous, wild and clearly open to a no-strings-attached adventure. But Adam Walker's been there, done that. Even with his history, Adam still believes in love, family and marriage the whole white picket fence which is hardly what Cressa is offering. Besides, everything about the crazy Kiwi spells danger and distraction two things Adam can't afford to risk with his sights set on medical school. He's in New Zealand for only two months. Surely he can resist Cressa's advances that long

She's not looking for Mr. Right. But damn if he doesn't look like Mr. Right Now... Summer Stafford Finding the world's hottest farmhand at my dinner table was unexpected, but it doesn't change anything. I've come home to manage the family business, not to get involved with the help. Even if the sight of him in those faded denim jeans makes me want to jump his bones. Ford O'Neal Summer gets under my skin and makes me want to say things like "girlfriend" and "relationship." But I'm determined not to let a farmer's daughter ruin my plans. When the season ends, I'm gone. And I'll be damned if I'm leaving my heart behind. When Summer and Ford finally give in to their attraction, how far will they let things go before fate has its way with one hot-as-sin farmhand and one stubborn city girl.

Bold and thorough, this biography traces the life of one of Australia's most controversial and

legendary journalists, Alan "The Red Fox" Reid, who covered the nation's politics from the 1930s to the 1980s. Demonstrating how Reid not only reported the news but shaped it due to his connections with Labor Prime Ministers Ben Chifley and John Curtin, this volume covers a number of momentous events in Reid's career--including his early associations with the Labor Party, his split with the party in the 1950s, and his breaking of the

"36 faceless men" story in 1963, exposing the 36 delegates to the Australian Labor Party who dictated policies to the exclusion of the party's elected leadership team. This narrative is sure to captivate those interested in the history of journalism and politics in Australia.
