The Lotus Sutra is
regarded as one of the
world's great religious
scriptures and most
influential texts. It's a
seminal work in the
development of Buddhism
throughout East Asia and,
by extension, in the
development of Mahayana
Buddhism throughout the
world. Taking place in a
vast and fantastical
cosmic setting, the Lotus
Sutra places emphasis on
skillfully doing whatever is
needed to serve and
compassionately care for
others, on breaking down

distinctions between the
fully enlightened buddha
and the bodhisattva who
vows to postpone
salvation until all beings
may share it, and
especially on each and
every being's innate
capacity to become a
buddha. Gene Reeves's
new translation appeals to
readers with little or no
familiarity with technical
Buddhist vocabulary, as
well as long-time
practitioners and
students. In addition, this
remarkable volume
includes the full
"threefold" text of this
classic.

With characteristic

landmark survey of the

Dharmakirti, an Indian Buddhist philosopher of the seventh century, explored the nature, limits, and justifications of rationality within the context of Buddhist religious and metaphysical concerns. While Dharmakirti is widely recognized for his crucial innovations in Indian logic and semantic theory, his notoriously difficult thought nonetheless remains poorly understood. In this volume, one of the world's leading scholars of Buddhist philosophy sheds light on the interrelated topics of scripture, logic, and language in the works of Dharmakirti and his philosophical heirs, both Indian and Tibetan. Professor Tillemans' knowledgeable explanations of such technical subjects as the

apoha theory of reference and the problem of entailment (vyapti) are coupled throughout with insightful reflections on how best to evaluate Dharmakirti's theories in light of contemporary philosophical thought.

Scripture, Logic, Language is an informative and thought-provoking study for students of Buddhism as well as for those in the wider field of philosophy. *The Spread of Buddhism* Dharma Pub

Explores key questions about translations and translators of South Asian Buddhist texts, past and present. Although many Buddhist studies scholars spend a great deal of their time involved in acts of translation, to date not much has been published that examines the key questions, problems, and difficulties faced by translators of South Asian Buddhist texts and epigraphs. Translating Buddhism seeks to address this omission. The essays collected here

represent a burgeoning attempt to begin to shape the subfield of translation studies within Buddhist studies, whereby scholars actively challenge primary routine decisions and basic assumptions. Exploring questions including how interpretive translators can be and how cultural and social norms affect translations, the book draws on the broad experiences of its contributors—all of whom are translators themselves—who bring different themes to the table. Each chapter can be used either independently or as part of the whole to engender reflections on the process of translation. Alice Collett is the author of *Lives of Early Buddhist Nuns: Biographies as History* and editor of *Women in Early Indian Buddhism: Comparative Textual Studies*. *A Contemporary Translation of a Buddhist Classic* Shambhala Publications Jamgön Mipam (1846–1912) is one of the most extraordinary figures in the history of Tibet. Monk, mystic, and brilliant philosopher, he shaped the trajectory of Tibetan Buddhism's Nyingma school. This introduction provides a

most concise entrée to this great luminary's life and work. The first section gives a general context for understanding this remarkable individual who, though he spent the greater part of his life in solitary retreat, became one of the greatest scholars of his age. Part Two gives an overview of Mipam's interpretation of Buddhism, examining his major themes, and devoting particular attention to his articulation of the Buddhist conception of emptiness. Part Three presents a representative sampling of Mipam's writings.

The Manual of Standard Tibetan presents the everyday speech of Lhasa as it is currently used in Tibet and among the Tibetan diaspora. It not only places the language in its natural context but also highlights along the way key aspects of Tibetan civilization and Vajrayana Buddhism. The Manual, which consists of forty-one lessons, is illustrated with many drawings and photographs and also includes two informative political and linguistic maps of Tibet. Two CDs

provide an essential oral complement to the manual. A detailed introduction presents a linguistic overview of spoken and written Tibetan.

The Rain of Wisdom

Simon and Schuster Shantideva's *Bodhisattvacharyavatara* (A Guide to the Bodhisattva's Way of Life) holds a unique place in Mahayana Buddhism akin to that of the *Dhammapada* in Hinayana Buddhism and the *Bhagavadgita* in Hinduism. In combining those rare qualities of scholastic precision, spiritual depth and poetical beauty, its appeal extends to a wide audience of Buddhists and non-Buddhists alike. Composed in India during the 8th century of the Christian era, it has since been an inspiration to millions of people throughout the world. This present translation by Stephen Batchelor is based upon a 12th century Tibetan commentary as orally explained by Ven. Geshe Ngawang Dhargyey. The ninth chapter on wisdom has been expanded for this edition with relevant commentarial passages.

The World of Tibetan Buddhism Shambhala

The liberalization of political and intellectual life in China and the rise of Tibetan exile communities throughout the world have produced a resurgence of spoken and written Tibetan. These developments, together with increasing contacts between Western scholars and Tibetans, have created a widening circle of English-speakers—in government, business, academia, and elsewhere—who need to speak or write Tibetan with precision and clarity. For these people, and for others who want to communicate with Tibetans in their own language, Professor Goldstein's Dictionary will be an indispensable aid. The first scholarly English-Tibetan dictionary, as well as the only one that is semantically sensitive, this work specifies the Tibetan terms that correspond to the submeanings of a single English term. Containing roughly 16,000 main entries, most of which have multiple subentries, the Dictionary treats a total of 45,000 lexical items. Each entry includes both the written Tibetan orthography and a phonemic notation to indicate pronunciation.

Grammatical features are also noted, and all examples of usage are presented with the romanticization of the written Tibetan and phonemic notation of the spoken forms. An introductory essay familiarizes users with the main features of Tibetan grammar.

An authoritative new translation of the complete Hundred Thousand Songs of Milarepa, the teaching songs and stories from Tibet's most beloved Buddhist yogi, poet, and saint. Powerful and deeply inspiring, there is no book more beloved by Tibetans than *The Hundred Thousand Songs*, and no figure more revered than Milarepa, the great eleventh-century poet and saint. An ordinary man who, through sheer force of effort, faith, and perseverance, overcame nearly insurmountable obstacles on the spiritual path to achieve enlightenment in a single lifetime, he stands as an exemplar of what it is to lead a spiritual life. Milarepa, a cotton-clad yogi, wandered and taught the dharma, most famously through

spontaneously composed songs, a colorful and down-to-earth way to convey the immediacy and depth of the Buddhist teachings. In this work, the songs are woven into a narrative that tells the stories of his most famous encounters with his students, including Gampopa and Rechungpa, and recount his victories over supernatural forces in the remote Himalayan mountains and caves where he meditated. In this authoritative new translation, prepared under the guidance of Dzogchen Ponlop Rinpoche, Christopher Stagg brilliantly brings to life the teachings of this extraordinary man. This classic of world literature is important for its narrative alone but is also a key contribution for those who seek inspiration for the spiritual path.
