gestalten

The journey that began
with Turner Street:
Where the Monsters in
the Closet are Real and
continued in The Cain
Seed comes to an
exhilarating end with
Anomalies. Turner
Street is under siege,
and the anomalies are
the only ones capable
of turning the tide.
Jamie, Samantha,
Steve, and the others
are back to make one
last stand. Together,
they must find a way to
save not only
themselves but
everything and

everyone they hold
dear. This collection of
stories is their legacy.
For the last time,
welcome to Turner
Street...

*Where the Monsters in
the Closet Are Real*
HarperBusiness
Nurture, Care, Respect,
and Trust is the first
collection of
interdisciplinary and
logically
interconnected papers
from nationally and
internationally
acclaimed researchers
in philosophy,
psychology, history of
education, teacher
training, educational
leaders and
practitioners, child
advocates, and
educators who have
been motivated by the
philosophy and
pedagogy of Dr. Janusz
Korczak (1878-1942), a
world famous moral
exemplar and

champion of children's rights. The book provides answers to timely questions of how to respect children's rights in K-12 schools, community centers, summer camps, and colleges; how to create an atmosphere of trust and safety, and provide social-emotional learning in the classroom; how to become a genuine child advocate; and how to support growing child agency. It also tells the story of Korczak, his life, and the lives of the children in his charge. Nurture, Care, Respect, and Trust details how Korczak's legacy encourages and stimulates new projects and spreads around the world. The volume serves as a rich resource of practical

materials for teachers and university instructors, introducing a number of innovative lesson plans, examples of students' works, and school projects inspired by Korczak's pedagogy.

After fifty years of peace, war again threatens the majestic world of Aela. Her great champions, the Guardians, who successfully quelled the Angelic insurgency and ended the Civil War, have disappeared. As news of their disappearance spreads through the realm, chaos ensues and whispers run rampant of a new Angelic uprising. With another war on the horizon, a reluctant hero emerges. The task of saving the

world has fallen on the scrawny shoulders of Reuel Haldane. A lanky, green-skinned fourteen-year-old boy, Reuel belongs to a race known as the Windwalkers. Like his fellow Windwalkers, he possesses exceptional speed and agility. It is customary on Aela that at the age of fourteen, the children of the five races-Windwalkers, Shimmers, Grindblers, Aquatis, and Angelics-travel to the Kingdom of Ira to have their abilities assessed and classified. It is here Reuel discovers the truth about the Guardians' disappearance and the role he must now play in the coming war. With the fate of Aela now in his hands, Reuel must lead a group of misfits on a journey to avenge the Guardians

and make a stand against the Angelic threat. If he fails, he'll have to watch all that he loves destroyed. The Last Guardians is a gripping tale of love, duty, and destiny.

Culture Infusion is your guide for improving corporate culture and motivating your employees to perform

at their highest capacity. Culture Infusion is for leaders and aspiring leaders who want to build a legacy, shift perspectives, and lead by example so others are inspired and driven to be their best selves. Whether you are a top-level executive or lead a team, you will find valuable insights in this book on how to create and maintain a sought-after workplace. You'll learn how to infuse a culture of holistic wellness into all aspects of your organization, from your people to your programs, and how you must thrive personally in order to lead others. Actualize Consulting learned firsthand that effective cultural change starts on a personal, individual level. They spent years

building a strong foundation to improve corporate culture, and they now understand that happy employees lead to happy clients. As Managing Director of Human Resources and Operations for Actualize Consulting, author Kerry Alison Wekelo brings us a front-row seat perspective on her experiences, blending her corporate knowledge with her mindful wisdom. Culture Infusion provides nine easy, actionable principles to help you develop a customized game plan to improve your corporate culture and catapult your team to success. You'll discover key tips and tricks such as the three A's (Accountability, Acumen, Aspiration) that will aid in goal

setting and performance reviews, and the 3P Method (Pause to Pivot to a Positive) that will change how you view every challenge and lead you to communicate more effectively.

TAOC, the Art of Travel Conversation Taoc

What if the monsters we thought were lurking under our beds and in our closets were real after all? For us, the answer to that question can be found in our nightmares, but for the children of Turner Street, it's their reality. Monsters, demons, beasts of the night, or whatever you wish to call them, feast on these adolescents like cattle raised for slaughter. The Invisible World Protective Service (IWPS), the agency tasked to

protect the children of the world, has been overwhelmed by Turner Street's unusually high level of supernatural activity. With resources spread thin, drastic measures have been taken. They have been forced to recruit "anomalies," children with unique abilities. A motley crew has been assembled. The team-a teddy bear, a boy and his pet lion, a set of psychic fraternal twins, and a time traveler-have been saddled with the task of putting an end to the supernatural disturbances on Turner Street. Their success or failure will not only determine the fate of their suburban homes but of their world. This collection of stories is their legacy. Welcome to Turner Street.

One of the start-up world's most in-demand executive coaches—hailed as the “CEO Whisperer” (Gimlet Media)—reveals why radical self-inquiry is critical to professional success and healthy relationships in all realms of life. Jerry Colonna helps start-up CEOs make peace with their demons, the psychological habits and behavioral patterns that have helped them to succeed—molding them into highly accomplished individuals—yet have been detrimental to their relationships and ultimate well-being. Now, this venture capitalist turned executive coach shares his unusual yet highly

effective blend of Buddhism, Jungian therapy, and entrepreneurial straight talk to help leaders overcome their own psychological traumas. Reboot is a journey of radical self-inquiry, helping you to reset your life by sorting through the emotional baggage that is holding you back professionally, and even more important, in your relationships. Jerry has taught CEOs and their top teams to realize their potential by using the raw material of their lives to find meaning, to build healthy interpersonal bonds, and to become more compassionate and bold leaders. In Reboot, he inspires everyone to hold themselves responsible for their choices and

for the possibility of truly achieving their dreams. Work does not have to destroy us. Work can be the way in which we achieve our fullest self, Jerry firmly believes. What we need, sometimes, is a chance to reset our goals and to reconnect with our deepest selves and with each other. Reboot moves and empowers us to begin this journey. *The Last Guardians* Wir kommunizieren heute mehr als je zuvor, und nie war der Zugang zu Kommunikation leichter. Das Smartphone hat die Art und Weise, wie wir miteinander in Kontakt treten, binnen kürzester Zeit revolutioniert. Wir sind scheinbar permanent im Austausch mit anderen. Doch Reden

allein macht noch lange keine Begegnung. Es ist die Qualität des Gesprächs, die darüber entscheidet, was zwischen Menschen passiert. Sie bestimmt, wie wir uns miteinander fühlen, wie wir zueinander stehen und was wir an Wissen teilen. Was also unterscheidet ein echtes Gespräch von Smalltalk, WhatsApp-Nachrichten, Tweets und Postings? Und wie kommen wir in einen echten Dialog, der tiefe zwischenmenschliche Begegnungen ermöglicht? Sylvia Löhken und Tom Peters geben in ihrem klugen Buch Antworten auf diese Fragen. Sie zeigen, wie sich mit den Hemmungen und Ängsten umgehen lässt, denen wir uns oft ausgesetzt fühlen,

wenn wir uns auf echte Begegnungen einlassen. Das lohnt sich: Der Austausch mit anderen tut uns als sozialen Wesen gut, wenn wir ihn in unserem Sinne gestalten. Mehr noch: Das intelligente nahbare Gespräch ist ein Karrierefaktor. Je mehr Verantwortung Menschen in ihrem Berufsleben haben, desto mehr beruht ihr Erfolg auf gelungener Kommunikation: durch das Schaffen und Gestalten lebendiger Beziehungen. Sylvia Löhken und Tom Peters veranschaulichen mit vielen Beispielen, welche Chancen darin liegen, wenn wir tiefe Begegnungen mit anderen zulassen und das Risiko eingehen, uns anderen gegenüber zu öffnen: Wir erweitern nicht nur

unser Sachwissen, sondern wir schaffen im offenen Dialog mit unserem Gegenüber vertrauensvolle Beziehungen und lernen dabei uns selbst und unser Gegenüber kennen. Die Autoren zeigen, wie wir die Voraussetzungen für echte Begegnungen schaffen und wie wir Gespräche so führen, dass sie für alle Beteiligten wertvoll sind.

The second book in the Turner Street Chronicles and follow-up to Turner Street: Where the Monsters in the Closet are Real. Following the events of

the first book in the Turner Street Chronicles trilogy, things seem to have settled down for the children of Turner Street. After banding together, they defeated the demon known as Charles and took back their neighborhood. However, things are not as they seem. Charles left behind a parting gift in the form of the Cain Seed. The surviving children must now race to discover the whereabouts of the Cain Seed and destroy it before it sprouts. If they fail, they will lose much more than just their neighborhood. This collection of stories is their legacy. Welcome back to Turner Street...

"I'm Terry Gross and this is Fresh Air . . ."

Now available in paperback--a selection of revealing interviews from the award-winning National Public Radio show Originating from WHY-FM in Philadelphia and heard on more than 450 NPR stations, Fresh Air with Terry Gross has become a daily habit with millions of listeners nationwide--a must for anyone hoping to keep up with what's happening in the arts. Over the last twenty years, Terry's guests have included our most significant writers, actors, musicians, comics, and visual artists. For her first collection, Terry has chosen more than three dozen timeless interviews that prove to be as lively on the page as they were on the radio. Her questions--probing yet

sensitive--encourage revelations from figures as diverse as John Updike, Isabella Rossellini, Conan O'Brien, Samuel L. Jackson, Johnny Cash, and Nicolas Cage. And in her introduction, the generally self-effacing host of Fresh Air does something she wouldn't dream of doing on the air--she reveals a thing or two about herself.
