Thorns and Roses series

Nesta... Nesta Archeron

Court. The person who
ignites her temper more
than any other is Cassian,
the battle-scarred, winged
warrior who is there at
Nesta's every turn. But
her temper isn't the only
thing Cassian ignites. And
when they are forced to
train in battle together,
sparks become flame. As
the threat of war casts its
shadow over them once
again, Nesta and Cassian
must fight monsters from
within and without if they

are to stand a chance of
halting the enemies of
their court. But the
ultimate risk will be
searching for acceptance
- and healing - in each

Neve Knightly lives in an ordinary world. Where *deja vu* is nothing more than a mind-trick. Where premonitions are dismissed as mere coincidence. Where no one thinks twice about the glitches in their reality. Neve Knightly is living a lie. But when her nightmare of a tragedy comes true the very next day, she can no longer seek solace in self-deception. The glossy enamel has been shattered, and she has caught a glimpse of what slithers just beneath the surface. She now has the opportunity to decipher the enigma that's been haunting her since childhood. But her quest soon becomes deeply entangled with the last two people she could have ever imagined: the love of her life, Dylan, who mysteriously vanished three years ago, and his estranged best friend, Romer, who seems

to be guarding a secret of his own. Romance, rancor, and redemption plummet as priorities, as their lives become riddled with peculiar happenings lying just outside the realm of science. And in search for salvation, they emerge at the brink of unveiling the best-kept secret in human history."
