The Magic in Your Mind

David De Angelis

Aunt Maud willed her ranch not only to her niece, Sophie, but to ex-military man Elijah as well. The two must work together to keep the ranch running, but Sophie instantly dislikes Elijah's brash confidence and egotistical ways. Still, it seems that even from the grave Aunt Maud is busy matchmaking...Sophie wants to win the ranch, not a man: her ex-husband's betrayal has her questioning every male who wants to get close. And Elijah has his own problems to deal with, as his sleep is constantly interrupted by nightmares of fallen friends in war. But can Sophie and Elijah vanquish the devils of their pasts to find their

way to each other? [from back cover].

The Magic of Thinking Big Lulu Press, Inc

AN INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response

was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky

interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space--the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

You have the incredible potential to be, do, and receive whatever you desire, imagine, and truly believe. Unfortunately, only a small number of people achieve their full human potential, because

they fail to recognize and harness the infinite power of the subconscious mind—the divinity within them and around them. *Meditations & Affirmations* will show you how to create your own new reality through desire, imagination, and belief. *Magic Words and How to Use Them* HarperCollins "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war,

omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power. *A Snicker of Magic (Scholastic Gold)* Page Two Books, Incorporated **READING, WRITING, AND RAISING THE DEAD** When Chess Putnam is ordered by an infamous crime boss—who also happens to be her drug dealer—to use her powers as a witch to solve a grisly murder involving dark magic, she knows she must rise to the challenge. Adding to the intensity: Chess's

boyfriend, Terrible, doesn't trust her, and Lex, the son of a rival crime lord, is trying to reignite the sparks between him and Chess. Plus there's the little matter of Chess's real job as a ghost hunter for the Church of Real Truth, investigating reports of a haunting at a school in the heart of Downside. Someone seems to be taking a crash course in summoning the dead—and if Chess doesn't watch her back, she may soon be joining their ranks. As Chess is drawn into a shadowy world of twisted secrets and dark violence, it soon becomes clear that she's not going to emerge from its depths without making the ultimate sacrifice.
