In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences.

Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy. *Conceptualizing Mass Violence* Dramatists Play Service Inc Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only

part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testament to this determined young woman's extraordinary

genius and to the persistent strength of the creative spirit.

Anne Frank Remembered

Turtleback Books
The Story of My Life - Helen Keller's Autobiography by Helen Keller. This book is in three parts. The first two, Miss Keller's story and the extracts from her letters, form a complete account of her life as far as she can give it. Much of her education she cannot explain herself, and since a knowledge of that is necessary to an understanding of what she has written, it was thought best to supplement her autobiography with the reports and letters of her teacher, Miss Anne Mansfield Sullivan. The addition of a further account of Miss Keller's personality and

achievements may be unnecessary; yet it will help to make clear some of the traits of her character and the nature of the work which she and her teacher have done. For the third part of the book the Editor is responsible, though all that is valid in it he owes to authentic records and to the advice of Miss Sullivan. The Editor desires to express his gratitude and the gratitude of Miss Keller and Miss Sullivan to The Ladies' Home Journal and to its editors, Mr. Edward Bok and Mr. William V. Alexander, who have been unfailingly kind and have given for use in this book all the photographs which were taken expressly for the Journal; and the Editor thanks Miss Keller's many friends

who have lent him her letters to them and given him valuable information; especially Mrs. Laurence Hutton, who supplied him with her large collection of notes and anecdotes; Mr. John Hitz, Superintendent of the Volta Bureau for the Increase and Diffusion of Knowledge relating to the Deaf; and Mrs. Sophia C. Hopkins, to whom Miss Sullivan wrote those illuminating letters, the extracts from which give a better idea of her methods with her pupil than anything heretofore published. *The Art of Non-Conformity*

The Good Girl's Guide to Getting Lost Bantam

The African-American football player Chuck Ealey grew up in a segregated neighborhood of Portsmouth, Ohio. Against all odds, he became an incredible quarterback. But despite his unbeaten record in high school and university, he

would never play professional football in the United States. Chuck Ealey grew up poor in a racially segregated community that was divided from the rest of town by a set of train tracks, but his mother assured him that he wouldn't stay in Portsmouth forever. Education was the way out, and a football scholarship was the way to pay for that education. So despite the racist taunts he faced at all the games he played in high school, Chuck maintained a remarkable level of dedication and determination. And when discrimination followed him to university and beyond, Chuck Ealey remained undefeated. This inspirational story is told by Chuck Ealey's

daughter, author and educator Jael Richardson, with striking and powerful illustrations by award-winning illustrator Matt James.

The Graveyard Book

Harper Collins

'Papi says it is wrong of parents to presume that they know better, or know more than their child does. They may be biologically older than their child, but in their experience as parents, they're of the same age. So if I was his two-year-old daughter, he was my two-year-old father. And we were both learning and evolving together -- he as my father and me as his daughter.' All of us know Gulzar as a filmmaker, screenplay and dialogue writer, lyricist par excellence, author and poet. Woh Jo

Hain... presents a facet of the icon that none of us are aware of -- as a father. In iridescent prose, his daughter, Meghna, documents his life, revealing the man behind the legend: in every way a hands-on father, who prepared her for school without fail every day, braiding her hair and tying her shoelaces, and who despite his busy career in cinema, always made it a point to end his workday at 4 p.m. because her school ended at that time, and who wrote a book for her birthday every year till she was thirteen. From her earliest memories of waking up in the morning to the strains of him playing the sitar to him writing the songs for her films now, Meghna presents an intimate portrait of

a father who indulged her in every way and yet raised her to be independent and confident of the choices she made. She also records his phenomenal creative oeuvre, the many trials and tribulations of his personal and professional life, through all of which she remained a priority. Beautifully designed and illustrated with never-before-seen photographs, *Woh Jo Hain...* offers an incredible insight into the bond between a father and a daughter.

A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." - Kirkus, starred review

In the vein of Inside Out and Back Again and The War That Saved My Life comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country. It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and

embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future.

The Girl on the Train

Anchor

Conceptualizing Mass Violence draws attention to the conspicuous inability to inhibit mass violence in myriads forms and considers the plausible reasons for doing so. Focusing on a postcolonial perspective, the

volume seeks to popularize and institutionalize the study of mass violence in South Asia. The essays explore and deliberate upon the varied aspects of mass violence, namely revisionism, reconstruction, atrocities, trauma, memorialization and literature, the need for Holocaust education, and the criticality of dialogue and reconciliation. The language, content, and characteristics of mass violence/genocide explicitly reinforce its aggressive, transmuted, and multifaceted character and the consequent necessity to understand the same in a nuanced manner. The book is an attempt to do so as it takes episodes of mass

violence for case study from all inhabited continents, from the twentieth century to the present. The volume studies 'consciously enforced mass violence' through an interdisciplinary approach and suggests that dialogue aimed at reconciliation is perhaps the singular agency via which a solution could be achieved from mass violence in the global context. The volume is essential reading for postgraduate students and scholars from the interdisciplinary fields of Holocaust and Genocide Studies, History, Political Science, Sociology, World History, Human Rights, and Global Studies.
