Tank Girl Classic #2 Titan Books (US, CA)

Originally published in 2014 by Action Alley. Berwick upon Tweed.

The Gorillaz Art Book Titan Books

Tank Girl 1993-1994. Tank Girl was originally published in the legendary Deadline Magazine between the years of 1988 to 1995. Drawn and written, for the most part, by Jamie Hewlett and Alan Martin, it mixed a punk aesthetic with Looney Tunes style adventures. In this anniversary series we reappraise the initial run of comics, giving them a shiny new full-color treatment in a style consistent with their age and original production, and add context with artwork, strips, and photos from the Hewlett & Martin archives. Happy Birthday Tank Girl!

Tank Girl Classic #13 Titan Comics

Through 30 years of chaos, misconduct, and badly-made cheese sandwiches, TANK GIRL has ploughed her own particular, peculiar furrow - always shifting, always changing, never letting anyone pin her down. The trail she has left is strewn with images, anecdotes, and nuggets of pure brown wisdom. In this book we condense her very best moments to bring you the lumpy, erratically pulsing, golden heart of Tank Girl. Page upon page of inspiring images - some old, some new, some borrowed, and some abused. This is a manual for modern times. THIS IS THE WAY OF TANK GIRL.
