Imo The International Mathematical

Olympiad (IMO) is the World Championship

Mathematics Competition for High School

students and is held annually in a different

country. The first IMO was held in 1959 in

Romania, with 7 countries participating. It

has gradually expanded to over 100

countries from 5 continents. International

Mathematical Olympiad The International

Mathematical Olympiad (IMO) is a

mathematical olympiad for pre-

collegestudents, and is the oldest of the

International Science Olympiads. The first

IMO was held in Romania in 1959. It has

since been held annually, except in

1980. International Mathematical Olympiad
