"The world you know is a lie. It's not that you have been duped, rather you are simply asleep. You didn't ask for it; the forces of heaven and hell have kept you in

a slumbering stupor. All around you, the awakened exist. Those individuals who know magic is real. Xlina's move to Portland, Maine, was supposed to be the start of a new life. A second chance. One that didn't involve her magical-duty-obsessed druid father or her own legacy as a descendant of the Baku: an ancient creature that consumes nightmares. But when her court assigned social worker turns out to be a demon, Xlina finds herself drawn into a deadly game of

survival with the stakes being her immortal soul. If she can survive the Infernal Game, maybe she can redeem her enslaved soul. But survival means allying with the enigmatic necromancer Oxivius, who urges her to embrace her power instead of running from it. Steeped in the Dark Arts, Oxivius represents everything she has ever been told about evil. Will he be the key to her salvation or the road to eternal damnation? What would you do to save your soul?"--

The Dictionary of Demons starts with a simple premise: names have power. In medieval and Renaissance Europe, it was believed that speaking a demon's true name could summon it, compel it, and bind it. Occult scholar Michelle Belanger has compiled the most complete compendium of demonic names available anywhere, using both notorious and obscure sources from the Western grimoiric tradition. Presented alphabetically from Aariel to Zynextyur, more than 1,500 demons are introduced, explored, and cross-referenced by theme and elemental or planetary correspondence. This meticulously researched reference work features fascinating short articles on demonology and a wealth of woodcuts, etchings, and paintings depicting demons through the ages.

How can you save the world when it's impossible to tell friend from foe? Augustus Potts is in trouble. The Fulcrum is fast approaching, an event that will tip the world into a new magical Dark Age and

expose mankind to the full terrors of the Aether. More and more powerful demons are materialising on Earth, and it is surely not long before humanity is overwhelmed. While fighting the hell-hordes from the Aether, Augustus realises the runic sword that gives him all his supernatural powers is also turning him into the one thing he fears and despises the most: a demon. At the same time N'yotsu, his friend and the one-time saviour of mankind, is realising that the only way he can survive is to turn back into the hated demon Andras. An encounter with a man calling himself the Witchfinder General shows Augustus that the world will never be the same again, with neighbour turned against neighbour through fear of demons. When his closest friends and allies start to disappear, Augustus finds himself in a race against time to not only save the world but also himself... In this most desperate of times, when the line between good and evil is not just blurred but torn to pieces, could his greatest enemy also be mankind's last hope? The Demon Inside is the second book in Peter Oxley's Infernal Aether Series, a dark gothic fantasy set in Victorian London described as "fantasy at

its best", "epic" and "no holds barred". If you like electrifying action, rich characters and demons galore, then you'll love The Demon Inside. Pick up The Demon Inside today and immerse yourself in the adventure! Praise for The Demon Inside: "One tale you don't want to miss! Steam punk, touch of horror, humor, fantasy creatures, action, adventure, and just plain fun reading. I loved this book! Great plot, loads of twists and wonderful characters of all sorts, and refreshing new fantasy. Wonderful fantasy, can't say enough about this book!"- Montzalee Witmann, Amazon.com "Strong captivating characters, a page turning plot: an overall great read."- Victoria Palmer, Amazon.com "An amazing book. I enjoyed it's dark and intriguing atmosphere. Recommended."- Alina Hart, Amazon.com "I was caught up in it from the very first paragraph. There is lots of action and some surprising twists. I really enjoyed it. Definitely worth a read."- Tommi, Amazon.com Praise for The Infernal Aether "Epic, Epic, Epic, this story was so good I couldn't put it down and was sad that I reached the last page."- Aviar Savijon, Goodreads "This no-holds-barred story features golems, bizarre devices,

clockwork entities, an airship, soul-suckers, and more (including a cameo by Charles Dickens) and is told with wit and a touch of humor."-Kathy Burford, Amazon.com "An awesome read. The author definitely has a handle on his art as a writer. Do yourself a favor and read it and everything he writes."-Alan McDonald, Amazon.com "I liked the way the story was told almost as much as the story itself."-Tommi, Amazon.com "Steampunk meets sci-fi fantasy horror with a great deal of magic weaving it all together in a real page-turner. With unpredictable twists and characters that I loved and loathed in equal measure it was a thoroughly enjoyable book which I devoured in one sitting. I can't wait to see what happens next."-Alibel, amazon.co.uk
Primeval Magic Juliana Haygert
 Ever held a seance and accidentally trapped a demon into marriage? No takers? Just me? Crap. Marriage is my idea of hell, at least until the day an unfairly hot demon shows up in my apartment and drags me to actual Hell—as his wife. I'd honestly rather have a root canal without sedation than marry anyone, least of all a surly—even if damnably

attractive—demon. But I'm bound to the contract stupid Teenage Me made with Azazel when I accidentally summoned and trapped him into marriage, to be consummated if I were still single at twenty-five. I'd forgotten all about it. He hasn't. And now he's here to claim me. Neither of us is thrilled about this marriage-of-inconvenience, but what I hate even more than the idea of being married...is being ignored. So when Azazel intends to park me out of sight and mind at the other end of his estate in Hell, I make it my newly eternal life's mission to be as much of a real inconvenience to him as possible. It's all fun and games, until I find a soul that shouldn't be in Hell, stumble smack-dab into the middle of a demon family feud...and the banter between me and Azazel turns so hot it might consume me. Hellishly Ever After is the first installment in a new paranormal romance series by award-winning author Nadine Mutas. If you love laugh-out-loud funny enemies-to-lovers stories with enough heat to burn up the pages, you don't want to miss this book!

 Maxine's secret is out and her life is spinning out of control. After the confrontation with Arthur in the palace she is forced to use her demonic abilities against him. Unfortunately something goes wrong and Maxine wakes up in a prison cell the very next day, and now the Head of Faction wants her head on a silver platter. She is forced to go into hiding, knowing that her enemy is going after one person that she loves the most— her baby daughter To make matters worse her

business partner Ricky has been wounded by a poisoned magical machete. In order to survive he needs a reversal spell directly from Lucifer's private quarters. Maxine is visited by a demon who offers her a way out; claiming that he can save people that she cares about if she willingly gives her soul away to the dark lord. She doesn't even hesitate and makes a deal with the devil himself, knowing that from then on her future will be set in stone and she will be doomed forever.

The Infernal Battalion Nadine Mutas
My life is pretty normal now. No demons. No soul contracts. No supernatural serial killers trying to stab me in a dark alley. It's all very safe. And boring. But when Lucifer shows up in Hell's Kitchen, he drags me into a dangerous game of cat and mouse. One I can't lose. If he gets his hands on me, he'll bind me to his side. Why? No one knows. I have a sneaking suspicion it has something to do with a darkness in my past I can barely remember. Whenever I'm near Az, hazy memories spark, and our undeniable connection feels strangely familiar. Whatever the reason, I have to find the answers fast. Or I'll end up trapped in Hell forever.

Black Magic, Demon Summoning spells and more, The Black Raven is a book of Infernal Power and demonology from one of the most infamous sorcerers of all time. According to legend, Doctor Faust was a German Scholar who became bored and depressed with his life, after trying to kill

himself he decides to sell his soul to the Devil for the knowledge of magick and alchemy. He enjoyed 25 years of great knowledge, renown, and power. At the end of the 25 years Johannes Faust was found dismembered in his room, torn apart with blood all over the walls and floor. The Legend of Faust has lived on and has even been incorporated in theater but The Black Raven, also known as The Threefold Coercion of Hell, is a book that has nearly been lost through the years and I am now presenting it in its entirety with a short forward from me. -Brittany Nightshade.

Cold Prairie Two very different worlds collide when Remy Dumonde and Lydia Price cross paths in the Kansas town of Cold Prairie. Remy and his cruel older brother Maurice Dumonde grew up the scions of a powerful New Orleans family; the secret source of their wealth and power being an ancient, demon-inhabited grimoire. But now, Remy has stolen his family's magical book and fled the city with his beautiful mistress to Cold Prairie to practice his unholy rites and seek its promise of immortality. Meanwhile, in Ohio, an innocent young girl named Lydia

Price is fleeing a forced marriage to a lecherous old man and the ill intentions of his son. Seeing a way to save herself, she answers an advertisement for a school teacher in Cold Prairie. She receives a response in the mail, but it offers the position to a Mister Price. Lydia will not be stopped in her plans to escape so she sets off for Cold Prairie in the guise of a young man. But little do Lydia and the inhabitants of Cold Prairie know the horror that is in store for them, because when Remy and his demon grimoire start working their infernal magic it will challenge and change them all forever.

Rosalind's mission is simple: hunt demons and mages. As a member of the Brotherhood, she's dedicated to protecting the world from dark magic. Someone's got to stop the supernatural bloodlust-plus, hunting's a hell of a lot more exciting than her computer science classes. Everything's going to plan until she meets Caine, a mage in league with the demons. He's scary as hell and just as sexy. Worse, he's brought her a warning: rumors are spreading that Rosalind is a mage, too. Now, the Hunters have chosen their next target-and it's her. To save her own life, Rosalind must form an uneasy alliance with Caine. But what if the rumors about her are true? If she can't figure out who to trust, and fast, she'll be exiled to the realm of the very demons she once hunted.

The only thing that could break their curse is the love of their fated mates. Cursed by the very demon they were hunting, Davin Byrnes and his brothers have been stuck in a cycle of sleeping and demon hunting for nearly a century. When they're woken unexpectedly from their latest slumber with the sense of their mates in their heads, they must split up and venture out in search of the women destined to free them from the demon's infernal magic. Drawn by the feeling of his mate in pain, Davin finds himself in the middle of New York City with demons on his tail. Bree Avery is damaged goods and she knows it.

Her once happy life turned sour after her mother's murder and she's been guarded ever since, only feeling at ease with a paintbrush in her hands. When bad luck turns worse and her livelihood is threatened, the last thing she wants to hear is a strange story about witches in New York, demons and curses, and men who turn into dragons. But Davin's hypnotic green eyes and powerful body are soon breaking down all of her defenses and Bree finds herself wanting to trust again. After saving her from a group of mysterious attackers, Davin refuses to let Bree out of his sight and she's forced to accept his mad stories are all too real. But supernatural forces are working to keep them apart and it will take all of Davin's dragon strength and cunning to keep his curvy mate by his side and break the demon's curse forever.

A comprehensive guide to the history and practice of Angular Magic • Details the development of the magical system of the Nine Angles by the Church of Satan and the Temple of Set, as well as its internal body, the Order of the Trapezoid •

Analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu • Explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, and the writings of H. P. Lovecraft • Includes practical examples, daily practices, and guidance on creating your own rituals Revealing the magical uses of number and geometry as tools for introspection, self-development, and creating change in both the inner and outer worlds, Toby Chappell explores the rites, history, and potent practices of Angular Magic and Infernal Geometry, the Left-Hand Path of Sacred Geometry. Focusing on the advanced magical system of the Nine Angles, he details the system's development by the early Church of Satan and later the Temple of Set, as well as its internal body, the Order of the Trapezoid. He shows how the system first emerged in the Ceremony of the Nine Angles, written by Michael Aquino and published in Anton Szandor LaVey's The Satanic Rituals. He explores historical influences on Angular Magic, including Pythagorean number mysticism, John Dee's Enochian magic, the

theories of William Mortensen, and, most importantly, the writings of H. P. Lovecraft as well as other contributors to his Cthulhu mythos. The author analyzes the 3 key rites of Angular Magic: Die Elektrischen Vorspiele, the Ceremony of the Nine Angles, and the Call to Cthulhu, expanding upon them to demonstrate how readers can craft their own rituals. He examines the Nine Angles individually, detailing their keywords, powers, and related deities, and explains how each can be used in magical practices and as part of an ongoing initiatory process. He offers practical examples, including use of Angular Magic in divination, sigils, and magical symbols, and guidance on creating your own practices--a core component of the ever-evolving Left-Hand Path. Offering a self-directed path of magic and empowerment, previously unavailable to those outside the Temple of Set, Chappell shows how the Nine Angles must be worked with and experienced personally in order to effect true transformation and change.

In this book you will learn how to use the magical properties of minerals in left-hand line magick works. There is a way to

amplify the power of gems, crystals and stones that are already great magical objects in their natural state. In this book I teach you how to do this using the powerful Infernal Magick. This book is unique, and teaches the art of using minerals in left hand path magick. Few mages have access to this knowledge, and those who can use it keep it hidden from everyone. Minerals have magickal properties that can help us achieve faster magickal results, and avoid failures in our Rituals. Minerals have numerous practical applications in everyday life, and are useful to increase the strength of a Ritual, increase the Adept's magickal energy, reduce the wear and tear of long Rituals, strengthen the Adept's aura, eliminate anxiety, attract energies of prosperity, in addition to attracting Various categories of Demons that are beneficial to humans. This is the first step to delve into the magical art of using minerals in Infernal Demonic Magick.

At the height of Britain's Industrial Revolution, steam power and magic join forces to create wonders the world has

never seen. But those wonders have a dark side—one that will soon force a reckoning few could have anticipated. Half-demon Briar is content with her structured life as an archivist, a far cry from the chaos of her background and upbringing. Briar's simple and predictable existence is rocked when she discovers something sinister powers one of the grand, new inventions of her era. Isabella Castel, the only daughter of Viscount

Sherard, is far from the brainless socialite she pretends to be. Isabella is everything Briar is not: passionate, creative and impulsive, but with secrets to rival even Briar's own. Two more unlikely partners should not exist, yet if the women cannot find a way to work together, they will lose far more than their reputations. Can a half-demon and a debutante work past their secrets before all hell breaks loose?
