A Comprehensive User Guide to Microsoft Surface Laptop GO Are you looking for a user manual that will help you SETUP and Master the Microsoft Surface Laptop GO? Are you looking for a manual that will expose you to all the amazing features of your device? Then get your hands on

this book and have an amazing time using your device.The Surface Laptop Go is a new flavor of Surface. The Surface Laptop Go is petite as modern laptops go, with a 12.4-inch display, but its physical design matches the rest of the Surface Laptop 3 family, which includes larger, pricier 13.5-inch and 15-inch versions. The design includes an aluminum display lid and a polycarbonate base, available in your choice of three colors: Ice Blue, Sandstone, and Platinum. The entire package feels sturdy, well-engineered, and fitting of a laptop that costs more than its \$699 asking price. There are many other factors that make up the overall goodness of the device. We got a chance at handling the device and we are presenting our User Guide to help you maximize your device. This book is written in simple and clear terms with a step-by-step approach and with tips and tricks that will help you to master your Microsoft Surface Laptop GO within the shortest period of time. Inside you will discover: -Tips & Tricks to Personalize and Get to Know Your Surface Laptop GO-Using Surface with your iPhone or Android-Tips to Optimize the Surface Laptop GO-Get photos from your Android on your Surface-Start browsing the web on your phone, continue on your Surface-Stay organized with Cortana on your Android phone and Surface-Using Surface with iPhone, iCloud, and iTunes-Use Office apps on your Surface and iPhone-Send a webpage from your iPhone to your Surface-Customizable mouse for your Surface-How to use your Surface Pen-Surface Pro Signature Type Cover-Touchpad gestures for Windows 10-Use Microsoft Arc Mouse or Surface Arc Mouse-Set up Surface Dock and docking stations-Creating and using a USB recovery drive for Surface-How to easily disable adaptive contrast on Surface Laptop-How to Disable Action Center

Better Balance for Life Pearson Education

Belief in the devil and other evil spirits of the Christian tradition is a topic that has been widely discussed in recent years. Since the release of movies such as 'Rosemary's Baby' and 'The Exorcist', more people are wondering, Is Satan really dead? Is there such a phenomenon as obsession or possession? In 'The Devil, Demonology, and Witchcraft', Henry Ansgar Kelly postulates his belief that the existence of evil spirits is not probable and suggests that Christians would be better off acting on the assumption that they do not exist. To prove his claim, the author sets forth a history and analysis of the impact of demonological traditions developed within Judaism and Christianity over the centuries. He then considers the incorporation of these notions into early Christian teaching with the resulting demonological dotrines of witchcraft, possession, and temptation. Kelly's conclusion is that Satan is dead, and demonology should be eliminated from Christian dogma since, according to his thesis, these manifestations in the Bible reflect the beliefs of local cultures and not divine revelation. The present edition has been substantially revised and updated by the author to include an evaluation and critique of 'The Exorcist', wherein Kelly challenges William Peter Blatty's facts of the alleged possession in 1949 on which 'The Exorcist' is based.

Falls are the leading cause of injury, emergency room visits, and hospitalizations for seniors in North America. Every 11 seconds, an emergency room in the United States sees a senior fall victim. Falls can reduce independence and accelerate the need for long-term care. The good news is that you can reduce the risk of falling with simple exercises that anyone can easily learn. In this third book of balance exercises by Amanda Sterczyk, you'll learn key exercises to improve balance, increase muscle and bone strength, liberate joints throughout your body, and boost your confidence. Exercises are divided into three groups: Standing Seated Lying (on the floor or your bed) What's new in this book is a series of workout plans, to help guide you through eight workouts: Balance, gentle or advanced Posture, gentle or advanced Strength, gentle or advanced Flexibility, gentle or advanced The gentle workouts are a combination of seated and lying or standing exercises, while the advanced workouts only comprise standing exercises. What hasn't changed in this book is the degree of explanation. It begins with a breakdown of each exercise by fall prevention goal-balance, posture, strength, and/or flexibility-presented with the exercise instructions and in a summary table at the end of the book. You will receive set up instructions on how to start, step-by-step instructions, and recommendations to make each exercise easier or harder. Most of the exercises also include illustrations and guidance on how to visualize the movement, to further build linkages between your brain and body. "I use the exercises daily." - Amazon customer, Balance 2.0 "A well researched and written handbook. Just what's needed for anyone requiring the ability to improve their balance most likely senior citizens." - Amazon customer, Balance and Your Body "I really enjoyed Balance and Your Body! I had fun doing the exercises with my parents (aged 88 and 87). It gets them going, as well as me. It all makes sense--you have to read it and start exercising." - Teresa "Balance and Your Body is Amanda's second book especially written for seniors. The message is simple and true: "Move more, stay healthy longer!" The book is well organized and fun to read; the exercises are easy to follow and can be practiced whenever you have some time throughout the day (or sleepless night). No gym or equipment required!" - An enthusiastic senior "I carry Balance and Your Body in my bag, between my cell phone and wallet, so I always have it nearby as reference. The exercises are basic and you can easily incorporate them in our daily life, and if you don't remember them, you can do what I do." - Monique "Her new book, Balance and Your Body, is very clear and easy to read. She explains why we need to move and the different aspects of balance. The exercises are simple and drawings help understand them. Not at all overwhelming to do the exercises. A very helpful book for any senior concerned about maintaining their independence. Essential for seniors to stay independent. Well done!" - Amazon customer

Improve your balance in just ten weeks without breaking a sweat As you age, stumbling blocks are everywhere: the bottom step, the roadside curb, and even the living room carpet. But you don't have to live in fear of falling. With Better Balance for Life, you will learn all-new, simple activities to help you build strength and increase flexibility to improve your balance! In this ten-week program, personal trainer Carol Clements shows you effortless moves to slide into your everyday routine. Already brushing your teeth? Try standing on one foot while touching the counter to build stability. Watching TV? Learn how to extend your toes and flex your ankle to develop more nimble feet—and greater mobility. With four new activities each week, building better balance is fun and easy. By the end, you, too, will be marching with your eyes closed!

100 Birds and How They Got Their Names Routledge

Atlas at War! collects fifty hard-hitting stories from Atlas Comics, the company that became Marvel Comics and published more war titles than anyone in the industry between the years 1951 and 1960. Comics historian Dr. Michael J. Vassallo has chosen the best of the best, many of which are coming back into print for the first time, from sixteen different Atlas war titles and featuring the artwork of twenty different artists--giants of the genre, including Russ Heath, John Severin, Bernie Krigstein, Joe Maneely, Jerry Robinson, Steve Ditko, and Jack Kirby. Each page has been meticulously restored from its first printing by comic art restorer Allan Harvey. Atlas at War! covers the brutal pre-code period where graphic depictions of war action were rendered by artists who were World War II veterans themselves, as well as the post-code period, where code restrictions forced creators to tell stories without graphic violence but produced some of the most beautiful comic art of the genre. In addition to the artists, stories cover all aspects of war--from famous campaigns, weaponry, and personal soldier stories to political topics, Nazi atrocities, and even one story tinged with pre-code horror! Often overlooked in favor of its competitors, Atlas at War! will finally show that Atlas' war titles were second to no one.

1366-2022 - IEEE Guide for Electric Power Distribution Reliability Indices Springer

"This is the colorful and dramatic biography of two of America's most controversial entrepreneurs: Moses Louis Annenberg, 'the racing wire king, ' who built his fortune in racketeering, invested it in publishing, and lost much of it in the biggest tax evasion case in United States history; and his son, Walter, launcher of TV Guide and Seventeen magazines and former ambassador to Great Britain."--Jacket.
