Oxford Living Grammar

OUP Oxford

This is a new, intermediate to upper intermediate grammar for individual self-study or for use in the classroom. Comprehensive and up-to-date, this grammar offers a fresh, new approach to

the teaching of current English usage. It is thorough and easy to use - all units have two pages of explanations and two pages of practice exercises. It has real contexts - each unit starts with an introductory piece of natural language, exemplifying the grammar topic and bringing the language to life. It has contextualised exercises - stories and

scenes and conversations, supported by colour photographs and illustrations. It includes: answer key - a handy detachable booklet containing the answers to all the exercises; audio CD - also available, so students can hear how the language is used by native speakers at a natural speed. It is appropriate for the Common European

Framework Levels B1-B2 (ALTE Levels 2-3).
