What if you could reboot your health, tap into your creative self, reclaim your wild nature, lead from your heart—and still feel well rested? As modern women, we're taught that we can do it all, have it all, and be it all. While this freedom is beautiful, it's also exhausting. Being a "worn-out woman" is now so common that we think feeling tired all the time is

normal. According to Karen Brody, feeling this exhausted is not normal—and it's holding us back. In *Daring to Rest*, Brody comes to the rescue with a 40-day program to help you reclaim rest and access your most powerful, authentic self through yoga nidra, a meditative practice that guides you into one of the deepest states of relaxation imaginable. It's time to lie down and begin the journey to waking up. Though it comes from the yogic tradition, yoga nidra doesn't look like a typical yoga class—the entire practice is done lying down. As you listen to a guided meditation, you're gently taken

into complete inner stillness, effortlessly releasing into a healing state that works on both cellular and subtle body levels. With *Daring to Rest*, Brody presents a comprehensive yoga nidra program that unfolds in three phases: rest for physical exhaustion, release for mental and emotional exhaustion, and rise for tuning in to the "life purpose exhaustion" that can come when we're not in our full power. Each phase includes a downloadable yoga nidra guided meditation and supportive practices. "By directly accessing your subconscious mind, yoga nidra helps shift the long-held patterns that prevent you from stepping fully into your purpose and power," writes Brody. "Now is the time to break the cycle of fatigue and return to your truest self—the woman you are

when you're not constantly exhausted." This is a book about yoga nidra, a meditation practice that helps with relaxation, sleep, rest, and healing. *Programmed Statistics (Question-Answers)* The Stationery Office

"If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you." —John 15:7

There is no greater challenge, no greater call, no greater personal instruction than to read God's Word and let it abide in your life—imprinting it on the pages of

your heart and mind. Walking daily in the power of His Word will make a permanent impact on your faith, your emotions, and your destiny. Daily Fire Devotional is a collection of dynamic devotionals from the powerful writings of evangelist Reinhard Bonnke. With its simple, convenient, easy-to-read format, you can take this book anywhere and plunge in at any point, choosing to read specific indexed selections focused on a particular topic or to read it chronologically as your personal daily Bible reading program. Much more than a daily devotional, this book will give you a passion for lost souls and motivate you to be a soulwinner. Features a brief, daily motivational message; a Scripture verse for the day; related Bible passages; a “Daily Fire” encouragement

to carry you through the day; and a verse plan to help you read through the entire Bible in one year.

 Printing on Polymers: Fundamentals and Applications is the first authoritative reference covering the most important developments in the field of printing on polymers, their composites, nanocomposites, and gels. The book examines the current state-of-the-art and new challenges in the formulation of inks, surface activation of polymer surfaces, and various methods of printing. The book equips engineers and materials scientists with the tools required to select the correct method, assess the quality of the result, reduce costs, and keep up-to-date with regulations and environmental concerns. Choosing the correct way of decorating a

particular polymer is an important part of the production process. Although printing on polymeric substrates can have desired positive effects, there can be problems associated with various decorating techniques. Physical, chemical, and thermal interactions can cause problems, such as cracking, peeling, or dulling. Safety, environmental sustainability, and cost are also significant factors which need to be considered. With contributions from leading researchers from industry, academia, and private research institutions, this book serves as a one-stop reference for this field—from print ink manufacture to polymer surface modification and characterization; and from printing methods to applications and end-of-life issues. Enables engineers

to select the correct decoration method for each material and application, assess print quality, and reduce costs Increases familiarity with the terminology, tests, processes, techniques, and regulations of printing on plastic, which reduces the risk of adverse reactions, such as cracking, peeling, or dulling of the print Addresses the issues of environmental impact and cost when printing on polymeric substrates Features contributions from leading researchers from industry, academia, and private research institutions

Every Canadian town has a hockey story, and Ron MacLean has a hockey story for every town. A new book by the co-author of the national bestseller *Cornered*. When you first meet Ron MacLean, he asks where you're from, and he always comes back with a story. No one has crossed this country more than MacLean. In his 28 years on *Hockey Night in Canada* and now as host of *Rogers' Hometown Hockey*, Ron has met fascinating people from coast to coast and has great stories to tell. Now, in this new book, MacLean is back, with brand new tales from across the country. These are stories you've never heard before. From London to Castlegar, Yellowknife to Cole Harbour, Medicine Hat to Trois Rivieres, from Bantam to Junior B to the NHL, our country is full of great

characters: Players, coaches, hockey moms and hockey dads; rivalries, practical jokes, careers that grew out of nothing and "can't lose" prospects who flamed out too soon; spectacular triumphs, heart-breaking tragedies and tales of friendship, betrayal, love and loyalty—all compelling, entertaining and inspiring. Once again working with Kirstie McLellan Day, co-author of the blockbuster bestsellers *Playing With Fire*, *Tough Guy* and *Cornered*, this is MacLean at his finest.

Combining Chinese Taoist astrology, Western zodiac astrology, and birth destiny cards to develop your innate talents and transform your negative traits • Includes charts to discover your

Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card as well as those of your friends, lovers, relatives, and colleagues • Provides insightful and accurate descriptions for each animal year, zodiac sun sign, and birth card as well as each year and sun sign combination and each sun and moon sign combination • Offers career suggestions based on your innate gifts and relationship advice on which animals, sign combos, and birth cards to seek out and which to avoid With your first breath of life, you take in the energy pattern radiated by the sun, moon, and stars at that moment in time and space. This internal energy pattern underlies your persona--your behavioral patterns, personality traits, and life's path.

Understanding these underlying patterns enables you to balance and transform your negative traits and highlight and develop your innate talents. Blending Eastern and Western astrological methods, Master Mantak Chia and William Wei explain how to identify the five key patterns of your internal energy persona based on the year, month, and day of your birth. Including charts to discover your Chinese animal year, your Western zodiac sun sign, your moon sign, and your birth destiny card, they explore how each of these astrological profiles interact to build your unique persona and provide profoundly accurate descriptions for each year and sun sign combination, each sun and moon sign combination, and each birth card. Each description also includes career

recommendations to best utilize your innate gifts and relationship advice on which animals, sign combinations, and birth cards to seek out and which to avoid. Not only useful for personal insight and self-development, this new astrological approach can also be used to understand the underlying energetic personality patterns of your lovers, friends, relatives, and colleagues.
