Objective General English Governance in India
 This book - one in the four-volume set, Global Governance and the Quest for Justice - focuses on the international and regional organisations that represent the key players in the evolving global order. The papers in this collection seek to map the real world of global governance - exploring who governs and how, what the leading international and regional organisations claim to do and what they actually do - as well as assessing the gap between the ideal of constitutionalised global governance and the actuality of governance under globalisation. The contributors discuss what it would mean for global governance to aspire to Rule of Law standards of transparency, accountability and

participation together with categorical respect for human rights. In this collection, the perspective of modern public lawyers is systematically applied to the governance deficit associated with globalisation and to its institutional correction in pursuit of a legitimate regime of global governance.

Kautilya's Arthashastra Jaico Publishing House

It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.
An Advanced History of India S Chan & Company
 Reasoning is equally weighed section in any competitive examination. Reasoning tests the thinking power and mind applicability skills of the candidates. The questions on reasoning asked in various competitive examinations are not easy to solve without having enough practice. The revised edition of A New Approach to Reasoning will help candidates master the 'Tricks of the Trade' as it covers all the three types of reasoning very much comprehensively. This book has been divided into 3 Sections - Verbal Reasoning, Analytical Reasoning and Non-Verbal Reasoning each sub-divided into number of chapters with different types of questions of multiple patterns asked in various exams. The Verbal Reasoning section covers Analogy, Clocks, Calendar, Puzzles, Coding-Decoding, Classification, Number Series, Letter Series, Blood Relations, Clerical Aptitude, etc. whereas, the Analytical Reasoning section covers Statement & Arguments, Statement & Assumptions, Course of Action, Cause & Effects, Syllogism, etc. The Non-Verbal Reasoning section covers Analogy, Classification, Completion of Figures, Cubes, Paper Folding, Mirror Image, Water Image, Figure Matrix, etc. Two Leveled Exercises have been given for practice. More than 2000 Previous Years' Questions of different competitive examinations including MAT and other MBA entrances, Bank PO, Clerk, SSC, LIC, RBI, RRB, B.Ed. etc along with their authentic and detailed solutions have been covered in the exercises. The ample number of previous years' questions will help the candidates get an insight into the trends and types of questions asked in the test of reasoning in various competitive and recruitment examinations.

 'Diet' is an overused and underrated word, and people don't realize the importance of diet as one of the indispensable components of a holistic lifestyle. This book talks about the various components that contribute to a healthy lifestyle that are

unique in their own ways. It starts from gut health and makes its way to the superfoods that are the most talked about nowadays. It shares some of the practical techniques and some very handy checklists to make your lifestyle diet work. The icing on the cake is definitely the 101 diet plans that cater to all kinds of lifestyles. With a section on the importance of meditation and pranayama as well, The Lifestyle Diet is a culmination of the author's several years of practice in the fields of diet, nutrition, fitness, mental health and overall lifestyle.

Global Governance and the Quest for Justice - Volume I McGraw-Hill Education

Governance in India McGraw-Hill Education Adhunik Bharatacha Itihas S. Chand Publishing

An Introduction to Political Theory Oswal Publishers

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

India Since Independence Nirali Prakashan

Kautilya, also known as Chanakya, is India's most illustrious political economist of all time. He regarded economic activity as the driving force behind the functioning of any political dispensation. In fact, he went to the extent of saying that revenue should take priority over the army because sustaining the army was possible out of a well-managed revenue system. Kautilya advocated limiting the taxation power of the State, having low rates of taxation, maintaining a gradual increase in taxation and most importantly devising a tax structure that ensured compliance. He strongly encouraged foreign trade, basing it on the premise that for a successful trade contract to be established, it had to be beneficial to all. He emphasised State control and investment in land, water and mining. Kautilya was a true statesman who bridged the gap between experience and vision. For Kautilya, good governance was paramount. He suggested built-in checks and balances in systems and procedures for the containment of malpractices. Many postulates of Kautilya's philosophy of political economy are applicable to contemporary times.

Right from its first issue, Indian and World Geography has shown a steady increase in its popularity and readership in India as well as in adjacent countries. Geography as a subject continues to have significant importance in the Civil Services Preliminary as well as the Mains examinations. The second and now the third edition of this book have been revised and updated in the light of the course structure and pattern introduced in 2011.
