The Action Bible presents more than 230 fast-paced narratives in chronological order, making it easy to follow the Bible's historical flow and building up to the thrilling climax of God's redemptive story. Plus, these spectacular updates take the action to a whole new level: 25 new stories showcase a more extensive exploration of God's work in our lives. 23 expanded stories highlight additional experiences of the people who tell God's story. 128 new pages of illustrations deliver a richer artistic experience with more close-up faces, historical details, and dramatic colors. Every page sparks excitement to explore God's Word and know Him personally. Readers will witness God's active presence in the world through stories from the life of Jesus and great heroes of the faith. Let this blend of powerful imagery and clear storytelling capture your imagination and instill the truth that invites you to discover your own adventure of life with God. Sergio Cariello's illustrations for The Action Bible leap off the page with the same thrilling energy that earned him international recognition for his work with Marvel Comics and DC Comics.
