## MADELINE MADDEN

---

*A Concise Resource for Ghost Enthusiasts* Stackpole Books  
Established in 1831, Naperville is one of the oldest settlements in the Greater Chicago area. The city's rich and fascinating heritage has been carefully passed down from one proud generation to the next; however, nowhere has Naperville's ghostly oral tradition and haunted history been preserved until now. Most of Naperville's unique legends--compiled for the first time ever in these pages--arose from accounts of actual historic events and from the lives of notable personages in the city's long history. As the tragic events and persons faded from living memory, all that might remain of them would be ghost stories whispered by firelight and, later, by flashlight tucked under a teenager's chin at slumber parties. Some eerie legends in these pages have origins that are lost in time, and still other hair-raising ghost stories included in this work are chilling contemporary, firsthand accounts of paranormal encounters within Naperville's sprawling boundaries . . . perhaps from even just down the street. *Containing Investigations on the Geographical Distribution, Causes, Nature, Relations and Treatment of Various Diseases 1855-1890* Lulu.com

These spooky strumpets don't stand a ghost of a chance! There've been plenty of tall tales goin' around about long-dead madams and passed-on pimps acting all too lively out near Animas Point. And far be it from Deputy Custis Longarm to let a supposed haunted whorehouse go uninvestigated. So, under the alias Buck Crawford, he gets on the trail to spot the sexy spooks for himself. But even disguised as a harmless traveler, Longarm's snooping gets him close to more danger—and more women—than he cares to recall. And if he doesn't get to the bottom of this dirty ghost town, he may just wind up in their company for good!

Haunted Naperville Haunted Healthcare 2Medical Professionals and Patients Share Their Encounters with the ParanormalDeath comes in many forms, and medical professionals have seen them all. The first pair of hands to hold us when we enter this world, and the last to comfort us when we leave it, usually belong to a member of the healing profession. Where one finds death and drama, one also finds ghosts. Small wonder that doctors, nurses, paramedics, and the patients that they treat, regularly encounter the spirits of the departed. Sometimes those spirits are friendly. But not always...Join Richard Estep, paramedic, paranormal investigator, and cast member of TV's "Haunted Case Files," "Haunted Hospitals," and "Paranormal 911," as he uncovers the true-life hauntings of nursing homes, hospitals, and other

places of healing. Welcome to the world of Haunted

Healthcare...Haunted Malevolent Ghosts, Night Terrors, and Threatening Phantoms

A paramedic and paranormal investigator takes readers on a terrifying tour of haunted hospitals, asylums, and medical facilities across the globe.

Hospitals are the nexus point between life and death, the place into which people enter this world, but also exit it. When we consider what has taken place behind the closed doors of hospitals since the inception of the medical profession, it should come as no surprise to discover that so many of them are haunted. In *The World's Most Haunted Hospitals*, paramedic and paranormal investigator Richard Estep recounts some of the most fascinating—and chilling—stories of hospital hauntings from across the globe, including: The apparitions at an old Utah hospital, now a nursing home, whose appearances are said to predict a patient's death. The Italian island referred to by locals as "the gateway to Hell," where the spirits of thousands of plague victims prowl the streets. The terrifying phenomena that keep visitors away from an abandoned airbase hospital in the Philippines. The ghostly nurse who has haunted the corridors of a London hospital for generations.

**Haunted** Harper Perennial

First published in 1859 for the weekly periodical "All the Year Round", "The Haunted House" is a collection of short stories by Charles Dickens and others, with Dickens writing the opening and closing stories. They include: "The Mortals in the House" (Charles Dickens), "The Ghost in the Clock Room" (Hesba Stretton), "The Ghost in the Double Room" (George Augustus Sala), "The

Ghost in the Picture Room" (Adelaide Anne Procter), "The Ghost in the Cupboard Room" (Wilkie Collins), "The Ghost in Master B's Room" (Charles Dickens), "The Ghost in the Garden Room" (Elizabeth Gaskell), and "The Ghost in the Corner Room" (Charles Dickens). Charles John Huffam Dickens (1812-1870) was an English writer and social critic famous for having created some of the world's most well-known fictional characters. His works became unprecedentedly popular during his life, and today he is commonly regarded as the greatest Victorian-era novelist.

Although perhaps better known for such works as "Great Expectations" or "A Christmas Carol", Dickens first gained success with the 1836 serial publication of "The Pickwick Papers", which turned him almost overnight into an international literary celebrity thanks to his humour, satire, and astute observations concerning society and character. This classic work is being republished now in a new edition complete with a specially-commissioned new biography of the author.

Haunted Pennsylvania Manchester University Press

It is a time of renewed hope. As the U.S.S. Defiant sails through the wormhole and charts a new course of discovery into the unknown ocean of the Gamma Quadrant, powerful individuals from distant worlds gather at station Deep Space 9™ to usher in a bright new era; with the Dominion War now only a memory, Bajor is poised at last to enter the Federation. For Colonel Kira Nerys, Commander Elias Vaughn, and all those who follow them, these are the voyages they were born to undertake. But where they seek to go is defined by the journeys they have made before, and ghosts populate these uncharted waters

-- the spectres of lost leaders, fallen friends, forsaken lovers, vanquished enemies, and earlier selves. Some of these shades drive the travelers on, others are drawn inexorably into their wake; but all make their presence felt, and in feeling, the men and women of DS9 and the Defiant must somehow navigate the perilous rapids of their pasts in order to find the future. Originally published as *Twilight and This Gray Spirit* -- the first two novels in the critically acclaimed *Mission: Gamma* series -- *These Haunted Seas* is the next chapter of the epic saga begun in *Twist of Faith*, continuing the chronicles of *Star Trek: Deep Space Nine®* beyond the small screen, propelling its heroes to realms they could never have imagined, and truths they cannot escape.

*Haunted Hospital Red Wheel/Weiser* Bringing forth the spirits, touching on near-death experiences and parallel universes, and presenting the full range of ghostly manifestations, *Haunted: Malevolent Ghosts, Night Terrors, and Threatening Phantoms* pulls back the curtains on the hidden and frightening world of supernatural spirits, malevolent phantoms, menacing beings, paranormal encounters, spectral apparitions, threatening poltergeists, and sinister hauntings. Plunked into the middle of the action, master storyteller, Brad Steiger shares true accounts of ghostly encounters in the ancient world; horrors and hauntings in the forests and fields; possessed houses and homes; night terrors, poltergeists, and malevolent spirits; speaking to spirits; near-death experiences and out-of-body visits; visitations from dead loved ones; and much, much more. Nearly 300 hair-raising tales found everywhere, including ...

- The devil rider of Chisholm Hollow
- The ghosts of Sandy's Restaurant,

- Ventura, CA
- The exorcism of Joan Crawford's former house
- A ghostly encounter at Beverly Hill's Greystone Mansion
- How to identify a poltergeist
- Shamanic spirit guides
- The medium Daniel Dunglas's Home and his clients Elizabeth Barrett Browning, Mark Twain, Napoleon III, the Empress Eugenie, Tolstoy, and other notables
- The Bell Witch legend
- The Jersey Devil that haunts the Pine Barrens Building on his decades of research into the paranormal, mystical, and supernatural, Brad Steiger brings the history, theories, and influences of these mysterious visitors to life. Tracing the perplexing and lasting effects of these ghostly beings, he looks at the scars left and the fallout on the people who've lived through a host of alarming, horrifying—and horrifyingly real—encounters.

[Green's Encyclopedia and Dictionary of Medicine and Surgery](#) iUniverse

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith

healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—*The Washington Post Book World* "Compelling."—*USA Today* "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—*The Sciences* "Passionate."—*San Francisco Examiner-Chronicle*

Spectral Spaces and Hauntings Arcadia Publishing

Presented together for the first time, New York Times Bestselling Author, Heather Graham brings back three tales of paranormal love and adventure. *Lovers and Demons* Fleeing the unholy attentions of a creature of the night, Lenore Tyler, a ravishing Confederate smuggler, joins forces with a brave Yankee officer--and discovers ecstasy in the arms of her handsome, virile enemy. *And I Will Love You Forever* A beauty, overcome by war, triumphs in love when her strange dreams of a virile and ghostly Viking protector come true. *Vanquish The Night* Anne Pemberton, a beautiful Texas innocent falls under the haunting spell of a dashing exotic immortal, and is rescued from eternal damnation by the rapturous power of love.

*A Diabolical Haunting* Arcadia Publishing  
*Haunting Realities: Naturalist Gothic and American Realism* is an innovative collection of essays examining the sometimes paradoxical alignment of Realism and Naturalism with the Gothic in American literature to highlight their shared qualities. Following the golden age of British Gothic in the late eighteenth century, the American Gothic's pinnacle is often recognized as having taken place during the decades of American Romanticism. However, *Haunting Realities* explores the period of American Realism—the end of the nineteenth century—to discover evidence of fertile ground for another age of Gothic proliferation. At first glance, "Naturalist Gothic" seems to be a contradiction in terms. While the Gothic is known for its sensational effects, with its emphasis on horror and the supernatural, the doctrines of late nineteenth-century Naturalism attempted to move away from the aesthetics of sentimentality and stressed sobering, mechanistic views of reality steeped in scientific thought and the determinism of market values and biology. Nonetheless, what binds Gothicism and Naturalism together is a vision of shared pessimism and the perception of a fearful, lingering presence that ominously haunts an impending modernity. Indeed, it seems that in many Naturalist works reality is so horrific that it can only be depicted through Gothic tropes that prefigure the alienation and despair of modernism. In recent years, research on the Gothic has flourished, yet there has been no extensive study of the links between the Gothic and Naturalism, particularly those which stem from the early American Realist tradition. *Haunting Realities* is a timely volume that addresses this gap

and is an important addition to scholarly work on both the Gothic and Naturalism in the American literary tradition.

At the heart of Peoria's Haunted Memories is the rich and compelling history and folklore of the Peoria area. Buildings and cemeteries in and around the city provide ideal stomping grounds for many restless specters. In this collection of haunted sites, the reader will be introduced to some of Peoria's best-loved mansions, institutions, and graveyards, as well as many of its more illustrious citizens. From Bartonville State Hospital to Bradley University, historic downtown theaters, hotels and taverns, and local churches, where ghostly congregants and ministers continue to worship, this book presents these ghost stories and legends for the first time together in print. In addition to providing thrilling tales, Peoria's Haunted Memories serves as a unique guide for the intrepid supernatural sleuth seeking confirmation that the dead do not always rest in peace.

*Star Trek: Deep Space Nine: These Haunted Seas* Penguin

Ireland's Haunted Women tells the chilling tales of nine modern Irishwomen, and one young girl, who have experienced hauntings. This is not just another ghost book - no rehashing of old tales or stories borrowed from other collections. These cases are told here for the first time, collected from women the length and breadth of Ireland - women who are vulnerable to seeing ghosts, to house-hauntings and to demonic possession. We have come a long way from headless horsemen, pookas, banshees and the like. The modern ghost has to be more sophisticated than

that. On the other hand, poltergeist activity has remained virtually unchanged down the centuries; scenes of past wickedness continue to haunt the living; the spirits of the deceased stubbornly insist on returning. Riveting, suspenseful, these tales of the paranormal will draw you in and leave you petrified! Whether you accept them as truth or reject them as delusion or false memory, we guarantee that they will leave you shaken and slow to switch off your bedside lamp for many nights to come.

Head toward central and upstate New York and discover this region's ghostly history . . . photos included! The Mohawk River winds through upstate and central New York, and along its meandering path residents and visitors have encountered the supernatural. In Utica, ghosts grace the stage of the Stanley Theater. Spirits of Revolutionary War soldiers still march on the Oriskany Battlefield and linger in Schoharie's Old Stone Fort. And some former residents of Beardslee Castle in St. Johnsville, Boonville's Hulbert House, and the Seashell Inn of Sylvan Beach have resisted vacating. Here, authors Dennis Webster and Bernadette Peck, along with the other members of Ghost Seekers of Central New York, uncover the mysteries behind these and many other haunted places of the Mohawk Valley.

The Hunted and the Haunted New York : Dutton

How can you have a ghost story without

a ghost? What if the ghost is only in your head? How would you know that you aren't losing your mind? By medical standards, sixteen-year-old Janine Palmer dies on the day of her automobile accident. When her spirit travels to the "other side," however, she is told that it isn't her time to die, and is sent back to live out her life. When she awakens from her coma, though, she discovers that she hasn't come back alone. There is someone else inside her mind. The voice in Janine's head claims to be the ghost of Lenore, Janine's twin sister, who drowned twelve years earlier. Lenore blames her own death on Janine and is determined to live again in her sister's body. Now the two girls must vie for one body. Can Janine be sure that her twin is really inside her, or is she simply going crazy?

Haunted Chattanooga Simon and Schuster

The author of the Tattooed Girl series and the author of The Corpsewood Manor Murders of North Georgia team up to delve into Chattanooga's spirited past. It is the home of one of the most famous railways in American history, the site of a historically vital trade route along the Tennessee River, and the gateway to the Deep South.

Chattanooga has a storied past, a past that still lives through the spirits that haunt the city. Whether it is the ghost of the Delta Queen still lingering from the days of the river trade, the porter who forever roams the grounds of the historic Terminal Station, or the restless souls that haunt from beneath the city in its elaborate underground tunnel system, the specter of Chattanooga's past is everywhere. Join authors Jessica Penot and Amy Petulla as they survey the most historically haunted places in and around the Scenic City. Includes photos! "Until

quite recently, Chattanooga was a city whose ghosts were ill documented. Jessica Penot and Amy Petulla's recent book, Haunted Chattanooga, has helped to fix that." —Southern Spirit Guide New York Medical Times Rowman & Littlefield

Xander thinks the George Wickerman Hospital would be the perfect setting for Spirits and Specters, a role-playing game where players go on "missions" to find evidence of paranormal activities. According to local legend, tuberculosis patients were used as test subjects in medical experiments that ended tragically, and their disfigured ghosts walk the hallways of this now-abandoned building. What better location to go ghost hunting? Even though they didn't really believe the rumors, Xander and his friends soon begin to suspect that they are not alone. Is this place actually haunted by ghosts? Or something even more terrifying? Orca Book Publishers is proud to offer this early ebook edition as part of our new Digital First initiative, with the release of the print edition to follow.

**Phantom Keepers, Ghostly Shipwrecks, and Sinister Calls From the Deep** Invoke Books

On Friday, October 16, 1846, only one operation was scheduled at Massachusetts General Hospital.... That day in Boston, the operation was the routine removal of a growth from a man's neck. But one thing would not be routine: instead of using pulleys, hooks, and belts to subdue a patient writhing in pain, this crucial operation would be the first performed under a general anesthetic. No one knew whether the secret concoction would work. Some even feared it might kill the patient. This engrossing book chronicles what happened that day and during its

dramatic aftermath. In a vivid history that is stranger than fiction, *Ether Day* tells the story of the three men who converged to invent the first anesthesia -- and the war of ego and greed that soon sent all three men spiraling wildly out of control.

*British Medical Journal* Robeth Publishing, LLC

Sixteen neo-gothic tales of horror, the grotesque, and the dark side of the human imagination focus on the themes of violence in American society and the exploitation of women and children.

*The Ghost Who Wasn't* Poolbeg Press Ltd

Questions rise in each of our hearts as we recall our favorite stories of ghosts, and haunted locations in our world. What is causing the unexplained seeming presence of spirits in our world?

Following the international success of *Haunted From Within*, *Haunted From Without* is the latest thought-provoking medical thriller from Ian C.P. Irvine. This Free ebook is Part One of Two Parts. To conclude the story, readers must source and read Book Two in the series. Based upon a real life mystery, *Haunted From Without* will make you question the meaning of life itself. It will shock you, scare you and have you turning the pages until late into the night. *Haunted From Without* is a unique combination of medical thriller, conspiracy thriller, mystery, detective fiction and ghost story. With several stories that twist and

turn together, culminating in an ending you will not predict, *Haunted From Without* will keep you riveted to your Kindle for hour after hour. Who are 'the Others'? Why are an increasing number of people throughout the world developing the ability to see and speak with the dead? Why have a farmers' guild from Iowa secretly enlisted the help of Scottish reporter Peter Nicolson? If they are correct, is the world stumbling blindly into a disaster that could threaten the survival of the human race? And what is contained within the missing 'GM File' that threatens to destroy some of the world's most powerful companies? To what lengths will these companies go to prevent Peter Nicolson uncovering the truth and publishing it to the world? Who has kidnapped the Scottish teenager Debbie McCrae? Will she manage to escape, or will she be killed by her mysterious abductor? What is the secret that Susie's dad tried to tell her as he died? And who is the mysterious Timothy? Can Peter Nicolson help stop the biggest terrorist attack the world has ever seen and prevent the destruction of the city of London? Will Peter Nicolson meet Maciek, his nemesis and erstwhile saviour? And if he does, who will survive? To find the answers to all these questions and more, download *Haunted From Without* today, find a comfortable seat, and forget about doing anything else for the next few days! Happy Reading! (But don't switch the light off... you don't know who might be watching you!)
