"Powerful . . . equal parts heartwarming and heart-wrenching. White is a gifted storyteller." —Washington Post From the streets of Baltimore to the halls of the New Mexico Philharmonic, a musician shares his remarkable story in *I'm Possible*, an inspiring memoir of perseverance and possibility. Young Richard Antoine White and his mother don't have a key to a room or a house. Sometimes they have shelter, but they never have a place to call home. Still, they have each other, and Richard believes he can look after his mother, even as she struggles with alcoholism and sometimes disappears, sending Richard into loops of visiting familiar spots until he finds her again. And he always does—until one night, when he almost dies searching for her in the snow and is taken in by his adoptive grandparents. Living with his grandparents is an adjustment with rules and routines, but when Richard joins band for something to do, he unexpectedly discovers a talent and a sense of purpose. Taking up the tuba feels like something he

can do that belongs to him, and playing music is like a light going on in the dark. Soon Richard gains acceptance to the prestigious Baltimore School for the Arts, and he continues thriving in his musical studies at the Peabody Conservatory and beyond, even as he navigates racial and socioeconomic disparities as one of few Black students in his programs. With fierce determination, Richard pushes forward on his remarkable path, eventually securing a coveted spot in a symphony orchestra and becoming the first African American to earn a doctorate in music for tuba performance. A professor, mentor, and motivational speaker, Richard now shares his extraordinary story—of dreaming big, impossible dreams and making them come true.

'Easily one of the truest and best books I've read about what it's like to be alive now, in this country' Max Porter Sleep. Sleep. Like money, you only think about it when you have too little. Then you think about it all the time, and the less you have the more you think about it. It becomes the prism through which you see the world and nothing can exist except in relation to it. Samantha Harvey's insomnia arrived, seemingly, from nowhere; for a year she has spent her nights chasing sleep that rarely comes. She's tried everything to appease it. Nothing is helping. What happens when one of the basic human needs goes unmet? For Samantha Harvey, extreme sleep deprivation resulted in a raw clarity about life itself. Original and profound, *The Shapeless Unease* is a startlingly insightful exploration of memory, writing and influence, death and grief, and the will to survive.

THE SMALL MIRACLE. Paulist Press

"Sleeplessness gets the Susan Sontag illness-as-metaphor treatment in this pensive, compact, lyrical inquiry into the author's nighttime demons."

—Kirkus Reviews In 2016, Samantha Harvey began to lose sleep. She tried everything to appease her wakefulness: from medication to therapy, changes in her diet to changes in her living arrangements. Nothing seemed to help. *The Shapeless Unease* is Harvey's darkly funny and deeply intelligent anatomy of her insomnia, an immersive interior monologue of a year without one of the most basic human needs. Original and profound, and narrated with a lucid breathlessness, this is a startlingly insightful exploration of memory, writing and influence, death and the will to survive, from "this generation's Virginia Woolf" (Telegraph). "Captures the essence of fractious emotions—anxiety, fear, grief, rage—in prose so elegant, so luminous, it practically shines from the page. Harvey is a hugely talented writer, and this is a book to relish." —Sarah Waters, New York

Times–bestselling author "Harvey writes with hypnotic power and poetic precision about—well, about everything: grief, pain, memory, family, the night sky, a lake at sunset, what it means to dream and what it means to suffer and survive . . . The big surprise is that this book about 'shapeless unease' is, in the end, a glittering, playful and, yes, joyful celebration of that glorious gift of glorious life." —Daily Mail "What a spectacularly good book. It is so controlled and yet so wild . . . easily one of the truest and best books I've read about what it's like to be alive now, in this country."

—Max Porter, award-winning author of *Lanny*

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay—which is sometimes zany and sometimes frightening—he meets his hero, Michelangelo, who teaches him the true meaning of art.
