Draw on the
 unseen forces
 of the
 universe with
 this mindful
 spell book.
 Inside you will
 find
 everything

you need to
 casts simple
 spells,
 including
 those to build
 confidence,
 bring success,
 give
 protection to a

friend, make a lucky charm and find true love. Discover:

- The rules of spellcasting
- Meditations that promote spellcasting
- Which days of the week to perform particular spells
- A guide to spell supplies, including crystals, herbs, oils and candles
- How to write your own incantations and create a personal spell book

This book is a must-have for every girl who's ready to release her inner magic

and live a charmed life!

Robin Sharma Pack (8 Volume Set) Little, Brown

Three simple principles for creating a balanced and satisfying life! The secret to living an exceptional life—with fulfilling work and leisure, meaningful relationships, and time for oneself—is finding balance.

Briana and Dr. Peter Borten have the strategies you need to achieve this all-important balance in

your life—even in the face of chaos. The Bortens focus on three fundamental principles of a satisfying life:

- Sweetness: Learn the importance of feeding your life, body, and soul -
- Structure: Find out how intelligent structure can give you more spontaneity and freedom, and liberate you from an excessively busy existence -
- Space: Carve out purposeful space, which allows for perspective—

an understanding of the big picture and your place in it. By adding and maintaining sweetness, structure, and space to your life, you will be able to let go of the stress and tension that gets in the way of being happy, authentic, and fully present—living The Well Life. "The Well Life is a beautiful guide to living the good life, mind, body, and soul from two people who walk the

walk. Peter and Briana Borten integrate knowledge of ancient healing traditions, the realities of our modern lives, and their own practical experience to unlock what it truly means to be well. This book is a healing journey." —Kate Northrup, Bestselling Author of Money: A Love Story "The Well Life is a powerful primer on living as we were intended to live--under grace, all

systems go, and in love. A great platform for living deliberately and creating consciously." —Mike Dooley, New York Times Bestselling Author of Infinite Possibilities "If you're looking to break out of the excuses and experience more vitality than ever before, read this book! With their background in Eastern medicine and love of Western strategy, Briana and Peter lay out a

beautiful prescription for more ease, joy, balance, and fulfillment in The Well Life. Quite frankly, if you put even just 5 percent of this book into practice, you'll create incredible results!"
—Alexi Panos, Leader in the Emergent Wisdom Movement and Author of 50 Ways to Yay! and Now or Never Tessalation! Harper Collins
"Sleep is one of the most important but least understood aspects of our

life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"-- Amazon.com. *A Death on Diamond Mountain* Zest Books
Most people wait for that "perfect"

moment to begin living for their dreams—a financial windfall, retirement, or perhaps a move to a new city—but sadly, that perfect time often never comes. Create Your Dream Life Now is a practical, but visually delightful illustrated workbook that encourages people to start living dream-filled lives now. By incorporating powerful workbook exercises, guided meditations,

and nine key wisdom tools, the book teaches readers how to dramatically transform the landscape of their lives in just twenty minutes a day. The deeply transformational content of *Create Your Dream Life Now* is offered in a simple, fun, and inspirational way that makes an ideal gift book. *Create Your Dream Life Now* represents a midpoint between a visual poem

and a detailed yet reader-friendly functional guide and workbook to spiritual practice. It stands out from other manifestation books by marbling practical exercises, interactive meditations, and spiritual reflection into the subject matter. The work of acclaimed artist Joan Coleman fills the pages of this four-color book, which includes sections on: *Who You Are*; *Desire*; *Create*

Your Dream Life Now Meditations; *Gratitude for the Now*; *Gratitude for the Future*; *Affirmative Prayer*; *Creative Visualization*; *Mindfulness Meditation*; *The 9 Keys to Creating Your Dream Life*; *Action*; *Synchronicity*; *Alignment*; *Faith*; *Wisdom*; *Prayer*; *Love & Service*; *Gratitude*; *Healing*; *Dream Week Living*; and *Dream Week Journal Pages*. *The Ritual of Writing* Knopf Books for

From Robert A. Johnson, the bestselling author of Transformation, Owning Your Own Shadow, and the groundbreaking works He, She, and We, comes a practical four-

step approach to using dreams and the imagination for a journey of inner transformation. In Inner Work, the renowned Jungian analyst offers a powerful and direct way to approach the inner world of the unconscious, often resulting in a central transformative experience. A repackaged classic by a major name in the field, Robert Johnson's Inner Work enables us to find

extraordinary strengths and resources in the hidden depths of our own subconscious.

The World According to Fannie Davis

Hardie Grant Publishing
Believe in your dreams is a wonderful motto to use as a guiding principle for living your life. It's often that little voice you sometimes hear saying "this way my friend, this way." It's doing what feels right and good for you. In Believe in Your Dreams by Julissa

Mora, bumpy roads and wrong turns are looked at as part of the journey -- they are bound to happen; it's the getting back on your path that's important. Her book is a wonderful mix of original and whimsical watercolors with text that taps into the desire of everyone to live life to the fullest. Believe in Your Dreams is a perfect gift of encouragement and congratulations to a graduate or someone

celebrating a milestone.

The Dream Book Mascot Books

"Learn how to utilize the three fundamental principles of sweetness, structure, and space to have a more expansive, rewarding, and enjoyable life"--

Jewish Publication Society
#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel

about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't

resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book

that can be life-changing.” —The New York Times
“Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today

As seen on the Today Show:
This true story

of an unforgettable mother, her devoted daughter, and their life in the Detroit numbers of the 1960s and 1970s highlights "the outstanding humanity of black America" (James McBride). In 1958, the very same year that an unknown songwriter named Berry Gordy borrowed \$800 to found Motown Records, a pretty young mother from Nashville, Tennessee,

borrowed \$100 from her brother to run a numbers racket out of her home. That woman was Fannie Davis, Bridgett M. Davis's mother. Part bookie, part banker, mother, wife, and granddaughter of slaves, Fannie ran her numbers business for thirty-four years, doing what it took to survive in a legitimate business that just happened to be illegal. She created a loving, joyful home, sent

her children to the best schools, bought them the best clothes, mothered them to the highest standard, and when the tragedy of urban life struck, soldiered on with her stated belief: "Dying is easy. Living takes guts." A daughter's moving homage to an extraordinary parent, *The World According to Fannie Davis* is also the suspenseful, unforgettable story about

the lengths to which a mother will go to "make a way out of no way" and provide a prosperous life for her family - - and how those sacrifices resonate over time.

Jitterbug

Perfume John Hunt Publishing
As a child growing up in Malaysia, Shing Yin Khor had two very different ideas of what "America" meant. The first looked a lot like Hollywood, full of beautiful people and

sunlight and freeways. The second looked more like The Grapes of Wrath - a nightmare landscape filled with impoverished people, broken-down cars, barren landscapes, and broken dreams. Those contrasting ideas have stuck with Shing ever since, even now that she lives and works in LA. The American Dream? A Journey on Route 66 is Shing's attempt to find what she can of both of

these Americas on a solo journey (small adventure-dog included) across the entire expanse of that iconic road, beginning in Santa Monica and ending up Chicago. And what begins as a road trip ends up as something more like a pilgrimage in search of an American landscape that seems forever shifting, forever out of place. Dreams Simon and Schuster
From the author of the

popular Fortune-Telling Book comes a beautifully illustrated primer that opens the secret world of dreams and imparts her magic to dreamers everywhere. Full color. *The American Dream?* Wellfleet Discover how to create your own dream practice to help facilitate your work and relationships, self-exploration, soul growth, emotional healing and personal empowerment

. Human beings have a long history of looking to their dreams for guidance, inspiration, spiritual connection and decision making. Kings consulted seers and gifted dreamers for political advice, and tribe leaders took heed from the prophetic dreams of their shamans. Dreams have led to inventions and scientific discoveries as well as the creation of moving works

of art. So why is the modern human so disconnected from our dreams? Our quiet, reflective consciousness has been superseded by the busy, noisy and distractive components of modern culture. Dreams will teach you how, through simple intent, mindfulness, reflection, record keeping, plant work and lifestyle changes, we can enable a deeper connectivity and

understanding of our dream world.
Conscious Dreamer
Sellers Publishing
"This brilliant study presents contemporary anthropology at its best. Whether one's goal is understanding the permeability of traditions and modernities or the changing shape of religious imagination and thought in one of the most pivotal countries of the Middle East, this book is an outstanding

point of departure."—Dale F. Eickelman, author of *The Middle East and Central Asia: An Anthropological Approach*, 4th ed. "Dreams That Matter is an insightful and well-crafted study of the practice of dreaming in contemporary Egypt. Mittermaier provides a superb analysis of the imaginative repertoires of Islamic traditions and shows how the dream has remained not only a site of

Muslim scholarly interest, but an important part of the way ordinary Muslims encounter and engage with the divine."—Charles Hirschkind, author of *Powers of the Secular Modern: Talal Asad and His Interlocutors* "Amira Mittermaier has given us the most complete anthropological study of dream culture in the Middle East—perhaps in any culture. It is a sensitive, intellectually

challenging, indeed a courageous, investigation of the psychological, ontological, and ethical assumptions that lie behind dreams, visions, and dream-visitations in contemporary Egypt—where the dream is a vibrant site of political, religious, and interpretive contest. *Dreams That Matter* will rank among the most important contributions to the anthropology of the imagination

for years to come."—Vince Crapanzano, author of *The Wound That Never Heals*

 Simon and Schuster
Jitterbug Perfume is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn't conclude until nine o'clock tonight (Paris time). It is a saga, as well. A saga must

have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. If the liquid in the bottle actually is the secret essence of the universe, as some folks seem to think, it had better be discovered soon because it is leaking and there is only a drop or two left.
