 home Arsenic for Tea: A Wells and Wong Mystery: Robin Stevens
 ... Arsenic for Tea is about two young girls called Hazel and Daisy
 Wong. They have spent many years at boarding school together
 and have grown to be budding detectives. Both girls are clever,
 friendly and get on well together. They complement each other
 well because one of them is very hyper and the other very
 serious. Arsenic for Tea by Robin Stevens - Goodreads Arsenic for
 Tea is a children's mystery novel by American-English author

Robin Stevens. The story is written in the style of a casebook and
 follows the fictional schoolgirl Detective Society detectives, the
 Honourable Daisy Wells and Hazel Wong, as they try to find the
 murderer of a guest at Daisy's birthday party, Mr. Curtis. Arsenic
 for Tea - Wikipedia Schoolgirl detectives Daisy Wells and Hazel
 Wong are at Daisy's home, Fallingford, for the holidays. Daisy's
 glamorous mother is throwing a tea party for Daisy's birthday,
 and the whole family is invited, from eccentric Aunt Saskia to
 dashing Uncle Felix. Arsenic For Tea: A Wells and Wong Mystery
 (Robin Stevens ... Well, Mummy might fall for that, but I won't!
 Whatever he's planning, we must assume that he's going to do it
 this weekend, while he's here for the party. All we need is enough
 evidence to take to Uncle Felix, before he can get away with
 it. Arsenic For Tea: A Wells and Wong Mystery (Robin Stevens
