Taking notes on index cards as was his habit, he reflected on a new solitude, on the ebb and flow of sadness, and on modern society's dismissal of grief.Mourning Diary by Roland Barthes - GoodreadsRoland Barthes' Mourning Diary is the most accurate, poignant written account of how grief is experienced. Barthes does not revert to cliché or overwrought metaphor--he does not attempt to apologize for the way he experiences mourning after his mother dies. Instead, these short fragments explore the process of living that one undergoes in the presence of absence that death most acutely is ...Mourning Diary: Amazon.co.uk: Barthes, Professor Roland ...This is a diary of Barthes' mourning for his mother, and in its clarity, brevity and poignancy it reminds me of books like 'The Little Prince'. Often his entries are one-liners, but always are clearly expressed. It explains the feelings of a survivor moving through mourning, which is something I was grateful for, after having read so many books intended to serve as self-help models on how to overcome the feelings that come with mourning.
