The Meaning of  
Marriage InterVarsity  
Press

The world's view of marriage can often be very different to what the Bible says. But who is right, and who should we listen to?

From a very young age, children are confronted with and can be confused by these conflicts. This hardback, illustrated title helps to explain the beauties of God's plan for marriage to children of any age, introducing them to a different, counter-cultural way of viewing these aspects of life

and faith.

Facing the  
Complexities of  
Commitment with the  
Wisdom of God  
CF4Kids

I wrote this book because God told me to. Nobody ever got married with the intentions of getting divorced. Many of us have no idea what to do after the wedding. What does that even look like? What about generational curses? What about demonic warfare? The Bible says that we wrestle NOT against flesh and blood. We hear "for better or worse," but what do we do when it gets worse? God has details on what that looks like. The Holy Ghost told me what to say. God never wastes any time, and pain always births purpose. God used all the

experiences that I have encountered personally and with people that I have counseled to put together detailed learned lessons. You ever ask God for help, and you want God to be specific? There were things that I went through that I had no control over, and there were times when I ignored God's warnings. Do you follow your heart or your head? This is why the title is the Desired Marriage-to help you have the marriage that God has designed for you, the relationship that you desire that can lead to the marriage, how during the relationship both of you can work on things that can better prepare you for later. I've seen small things that could have been fixed, but some didn't know how

this could end the relationship or marriage. They just didn't know how to go about things. This book will push you to your potential and challenge you to be the best you that you can be. The person you are married to deserves a better version of you. This book will help you deal with friction between the person that you have a child/children with. The Bible tells us to walk by faith and not by sight. God had you in mind when He created this book.

*Capture a God-size Vision for Your Marriage* St Vladimir's Seminary Press  
After years of counseling engaged and married couples, the Rienow's realized that most Christian couples did not have a biblical mission and

purpose for their family. The couples had learned some things about communication, sexuality, and conflict resolution. But they didn't know WHY God had brought them together! Visionary Marriage will reveal that God does have a plan and a purpose for marriage and family in the Bible. The focus is on the big-picture purpose for marriage, and the goal of being successful once understanding the purpose.

Biblical Essentials

Baker Books  
At its best, marriage brings joys and blessings rarely seen in this life. At its worst, marriage generates pain and conflict, often because husbands and wives do not fully understand their roles

and responsibilities. Wouldn't it be great if husbands and wives had access to clear, simple instructions on how to have a wonderful marriage? Such instructions exist! As the author of marriage, God placed the recipe in His Word that shows husbands and wives how to experience the marital blessings available to every couple. Whether you are preparing for your wedding, newlyweds, or marriage veterans, you will learn those instructions in *Marriage God's Way*. Pastor Scott offers a clear guide on the Bible's view of marriage. He explains: Scripture's commands for husbands and wives Godly love and how to show it Submission and headship Biblical

intimacy How to build your marriage on an indestructible foundation Scott LaPierre combines clear teaching from Scripture with practical application for daily married life to encourage, challenge, and equip you to experience a healthy, joyful, Christ-centered relationship.

### **Family Vocation**

Createspace  
Independent Publishing Platform

In the midst of hectic and fast paced families, one stable element that can bring grace, love, and joy is the table. Biblically, the table was a place of mercy, unity, and hospitality. Marriage also is a uniting of male and female, to complement and partner, to create a new family, ministry,

and community. When the marriage table becomes a central element, sacred and safe spaces are created for individuals, couples, and families to thrive and mature as God intended. Ron and Lori Clark share their experiences as a couple in ministry, working with family violence, and creating safe spaces for their marriage and children to mature and develop healthy self-esteem. This book, with discussion questions, is designed to help couples find partnership, peace, and grow together in relationship and love, whether in ministry or simply seeking to be who God called them to be.

Penguin

What does it mean to be called as a husband,

a wife, a parent, a child? How does the grace of the gospel impact how we carry out our particular calling? How does God's presence influence the struggles that families face? Gene Veith joins forces with his daughter Mary Moerbe to explore these kinds of questions as well as the roles of calling and vocation in family life. Though we have little control over who is in our family (other than choosing a spouse and deciding to have children), God has placed us with specific people for specific reasons. Veith and Moerbe show how our roles are distinct and important to God's plan for our lives—and that when we have a biblical understanding of those roles in our

families, we can move away from common dysfunctions and toward forgiveness and healing. Writing with sensitivity and wisdom, Veith and Moerbe address the common problems facing contemporary families: the crosses, the weaknesses, and the uncertainties. They articulate a compelling, biblical paradigm for creating and sustaining loving and forgiving families who maintain hope in the face of cultural pressure. This book is an important resource for all Christians, including pastors, counselors, and those working in family ministry. *Freedom, Courtship, Marriage, & Family* eBookIt.com "The authors share biblical wisdom and practical tips gleaned

from thirty-five-plus years of marriage and ministry together to demonstrate how to build a strong, healthy, happy family by doing it God's way"--Provided by publisher.

### **Rebuilding the Biblical Foundation**

NavPress

During a time of cultural ferment and crisis with regard to marriage and the family, this book provides a timely solution, speaking directly to current issues and explaining the Bible's teaching on marriage and family.

### **A Handbook for Reclaiming Marriage and Family as Divine Relationships**

United Church of God  
"Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling

uplifted.” —The Washington Times  
 Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly

intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. The *Meaning of Marriage* offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life. [Gospel Principles](#)  
 WestBow Press  
 "Christian tradition often seems to give only grudging approval of married life, particularly its sexual aspect. In these sermons we find an important corrective to

this view. Although himself a monk, Chrysostom had a profound understanding of the needs of his congregation. Inspired by the epistles to the Corinthians and Ephesians, he discusses the reasons God instituted marriage--primarily to promote holiness of the husband and wife, and only secondarily to produce children. Chrysostom goes on to discuss sexual relations, the mutual responsibilities of marriage, and parenting. While parts of vast majority of his advice has timeless relevance for the Christian family." -- Back cover  
Marriage God's Way  
William B. Eerdmans Publishing Company  
There is a lot of talk

these days about how churches need to become more "missional" and "Kingdom-focused"-- but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God? Christian families know that God has a better purpose for marriage and family but often don't have the slightest idea how to get there. And while many books on Christian marriage and family are inwardly focused on simply getting along "better," this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and, through analysis and practical suggestions, recalls marriages and families

to the purpose for which God intended them in the first place--namely, to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity.

### *God and Marriage*

Review and Herald Pub Assoc

Marriage and Family Life addresses issues most Christian families face and provides Biblical ways to help you build and strengthen your marriage and family relationships. Every marriage has its struggles and requires hard work to triumph. Also, things don't always go as we hoped they would and sometimes our faith gets shaken. Whether your marriage has struggled because of adultery or years of

neglect, the Bible has answers for your concerns. Topics include marriage, divorce, annulment, domestic violence, child rearing, what happen when you die, reuniting with loved ones, growing in faith, grieving, mourning, and daily walking upright with God. These reflections are supported with Biblical verses.

### *The Adventist home*

God, Marriage, and Family Rebuilding the Biblical Foundation A Transformational Picture of Marriage God created marriage as a beautiful work of art that reflects his glory to the world. But our culture has undervalued and misunderstood it, causing it to lose some of its luster. Like recent restoration projects on

the Sistine Chapel and the Mona Lisa, it is time to return marriage to its former glory, and the only way to do that is to take a closer look at what the artist had in mind all along. In this newly revised and expanded book, Al Janssen takes a fresh look at the exquisite design God has for marriage and brings to light the reasons this union was intended to last a lifetime. The chapters weave real-life stories with great teaching and biblical narratives in order to paint a complete picture of all that marriage can be. Readers will examine elements such as passion, adventure, and commitment that come together to make up the colors of God's design. They will also discover new ways to

reflect God's love within marriage-- revealing his plan for men and women from the moment he created us.

Wipf and Stock Publishers  
Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but

a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

**Reflections from the Marriage Table** Baker Academic  
Oliver guides us through the biblical teaching on marriage, emphasizing the need to follow Gods Word to build solid foundations for a healthy family.

Married for God  
Randall House Publications  
Inspired by the epistles of St Paul, St John Chrysostom has many important and practical things to say to

Christian couples and families.

Rebuilding the Biblical  
Foundation  
**Crossway counsels to Seventh-Day Adventist**

**families** Multnomah  
The recent rulings on gay marriage and debates on family-related issues have placed marriage and family at the forefront of the public eye. More so than at any point in history, we are now confronted with the need to carefully define the meaning of marriage and family. Professor Andreas Köstenberger and ethics expert David W. Jones speak to the issues at hand and guide us through the fray. Presenting a Christian theology of

marriage and parenting, they offer insight on issues such as: abortion  
 contraception infertility  
 adoption  
 homosexuality divorce  
 Marriage and Family: Biblical Essentials  
 points the way to the spiritual solution to our culture's confusion: a return to, and rebuilding of, the biblical foundation of marriage and the family.

*Meditations of a Christian Hedonist*

Crossway

A Good Marriage Begins with God. It is our natural tendency to seek personal happiness and satisfaction in marriage. We often give our own needs, wants, and goals first priority. But what is God's design for our marriages? With clarity

and conviction, Christopher Ash turns us away from marriage for ourselves and toward marriage in the service of God. With practical applications for everyday life, Ash shows us God's purposes and patterns for every part of the marriage relationship. By realigning our hopes, expectations, and goals for marriage according to the Bible, we will discover the deep joy and lasting fulfillment that comes from a God-centered marriage.

**God's Prescription for a Healthy Marriage and Family**

Crossway

William J. Webb defuses misguided readings of biblical passages that call for the corporal punishment of children, slaves and

wrongdoers. Setting these passages in their ancient cultural context, Webb reaffirms the

importance of reading Scripture with God's redemptive movement in mind.
