McGraw Hill Professional I have had the privilege of serving the Lord and Arizona, by mobilizing non-stop prayer throughout the State since New Year's Eve 2007 through a prayer initiative called "The Torch". As part of this

journey, I have collected and mobilized prayer for the prophetic words that have been released over Arizona. What an amazing destiny the Lord has for the A to Z State! I have found references to Phoenix and Arizona in words from as early as 1965. This compilation is by no means meant to represent an all-inclusive list, but has been published as a guide to be used to bring encouragement

nt. My prayer is that it will be used as a resource to pray and decree Arizona's great destiny until we see these things come to pass. I am passionate about seeing those things spoken over Arizona come to pass. I am believing as you use this guide to pray for Arizona, you will be ignited with that same passion. I have been bold and have told the Lord I didn't want to hear about another move

of your spirit somewhere else; I want to experience the fullness of what You have promised here in Arizona! I understand that some prophecies require action on our (the Church's) part, but I believe that as we continue to seed the atmosphere with these words and remind the Lord of His promises, we will see things shift and actions that need to happen will come into reality and we will see

Arizona walk in her redemptive purposes. [Unlocking Arizona's Prophetic Destiny](#) Abingdon Press Television host, widely traveled speaker, and communicator Marilyn Hickey reveals the surprising power and rich benefits of fasting in her 21-day program. [The 21-Day Dad's Challenge](#) CUP Archive This practical, personal prayer guide contains stories,

teachings, and tips to help jumpstart the prayer journey of readers, whether they are new to prayer or lifelong prayer veterans. The author's prayers took her halfway around the world to work with the destitute and poor in African countries as she became the answer to someone else's prayers. Most books on prayer describe answers to the author's personal prayers. This book not only does that but

also shows how the author became the answer to other people's prayers. Marilyn tells her story of how as an ordinary mom, she has moved from her own neighborhood to the inner city to genocide-torn Africa. She also tells of meeting two African presidents and becoming deeply involved with the poor in Sudan. But much more than her personal story, this

book offers a multitude of practical helps for readers to jumpstart their own prayer journey with step-by-step instructions, training, and tips. Inspirational principles—such as “Double for Your Trouble,” which teaches that those who suffer pain and trouble are often doubly blessed by God—ground readers and equip them for prayer. And inspirational stories—such as “Pennies from Heaven,”

which tells how the author found pennies everywhere only to discover that God was trying to tell her something—motivate readers to move forward in their own prayer journey. Finally, a twenty-page, eight-week Leaders Study Guide is included at the end of the book for those who want to share and teach this book's methods to others.

Are you seeking meaning and fulfillment in your life? We all have an innate need to know and feel that our lives are significant. Take heart therefore because you are not alone. The challenge is that we live at an age where information

and choices flood our sensory senses at a quantum speed. So, if your answer is yes, I wrote this book journal for you. I firmly believe that we are living at a very interesting time, when all of us are being challenged one way or another. Therefore, if

you do not know who you are, why you are, where you are and when you are—escaping from the snare of this era will not only be difficult, but will likely leave you in a state of apathy, frustrations, confusion, or tossed to and from by the winds of likes and follow

clicks on the social media sphere, and that is not your Creator's desire and will for you and I.
