 Imagine overseeing a workforce so motivated that employees relish more hours of work, shoulder more responsibility themselves; and favor challenging jobs over paychecks or bonuses. In *One More Time: How Do You Motivate Employees?* Frederick Herzberg shows managers how to shift from relying on extrinsic incentives to activating the real drivers of high performance: interesting, challenging work and the opportunity to continually achieve and grow into greater responsibility. The results? An ultramotivated workforce. Since 1922, Harvard Business Review has

been a leading source of breakthrough management ideas-many of which still speak to and influence us today. The Harvard Business Review Classics series now offers readers the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world-and will have a direct impact on you today and for years to come.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to

relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Macmillan ELT
BUSINESS BOOK AWARDS 2021 SHORTLISTED TITLE Everyone says a great leader needs EQ, Emotional Intelligence, soft skills, blah, blah, blah. What does that even mean? Where do you start? Where's the line for that on the P&L? You might think that business is all about facts and figures. You probably prefer it that way. The truth is that as uncertainty and business complexity increases, successful leaders need to embrace soft skills to get the best out of their people in a sustainable manner. In this succinct, no-nonsense approach, Anne Taylor shares: Key soft skills relevant for leadership and practical applications of how to use them every day drawn from real-life case studies Straightforward tools to better understand yourself, because

your leadership starts with YOU Simple frameworks to communicate with others to get things done while building a stronger relationship with them (at the same time, how efficient!) Logical ideas you can try immediately with on-line support if you want it. All done in an easy to read, logical, organized manner for people who prefer facts and don't consider themselves natural 'people people.' In a direct yet professional manner, Anne combines the results-oriented focus from her extensive business background in Fortune 100 corporations with her passion for personal awareness and conscious choice to help you get better results through your people, fast. The Practical Principles in this book, when applied, practiced and honed, can improve your effectiveness, impact and bottom-line results.
