Macmillan

Terrific Trains follows the animal crew as they travel the railroads. Climb on board and whiz down the track to discover different types of trains and how rail travel works. Every page of this chunky board book is full of details machine-mad toddlers love: diesel, steam, and electric engines, the signals, and so much more! From airplanes to fire engines, the internationally bestselling Amazing Machines series is the perfect way for

children to learn about all sorts of vehicles! Each book introduces a new vehicle and the jobs it can do. Bright, engaging artwork and simple, rhyming text combine to make these fantastic books for young children. Kids will love getting to know the friendly, animal characters who feature throughout the series and reading about their fast-paced adventures!

Tough Trucks Amazing Machines: Big Truckload of Fun

Have fun listening to amazing airplanes on the go!

Amazing Machines: Awesome Ambulances Amazing Machines

Dunkum And His Friends Are In For The Surprise Of Their Lives! Dunkum loves mysteries. And when he digs for buried treasure, he uncovers one--in a mudhole! A locked box, covered in squishy mud. The discovery turns out to be a time capsule, buried many years ago. Curious, the Cul-de-sac Kids search their muddy prize for clues. Who buried the time capsule--and why?

Amazing Machines: Big Truckload of Fun Pan Macmillan

Your 14 favorite storybooks inside one fantastic fire truck! The bestselling Amazing Machines series of picture storybooks is now available in a fabulous box set. With 14 mini storybooks inside, the Big Truckload of Fun collection is the perfect gift for every preschooler who loves vehicles. From airplanes and

ambulances to rockets and tractors, these critically acclaimed picture books are full of fun rhyming text, bright artwork, and wacky animal characters to engage and delight young children as they learn about machines. Each book includes a helpful illustrated glossary of technical words to help build vocabulary.

The Handmaid's Tale Da Capo Press

A look at the rebellious thinkers who are challenging old ideas with their insights into the ways countless elements of complex systems interact to produce spontaneous order out of confusion

Flashing Fire Engines Penguin

A brand-new storybook in the perennially popular Amazing Machines series from Tony Mitton and Ant Parker - over 1 million copies sold to date! Turn on the siren and zoom down the streets with

some animal paramedics in *Awesome Ambulances*, an action-packed picture book all about ambulances. Lively wordplay, vibrant art, plus a visual dictionary, make this title a must-have for bookshelves everywhere. This book is filled with humorous rhyming text by the award-winning poet Tony Mitton, which perfectly complements Ant Parker's bold, bright illustrations. A picture dictionary identifying ambulance parts builds vocabulary and makes learning about ambulances exciting and fun.

The Glass Castle Kingfisher

Each book includes a helpful illustrated glossary of technical words to help build vocabulary. Titles include: *Amazing Airplanes*, *Flashing Fire Trucks*, *Terrific Trains*, *Tough Trucks*, and *Roaring Rockets*

Sadie the Sadist Harper Collins

A handbook of survival and warfare for the citizens of Woodstock Nation A classic of counterculture literature and one of the most influential--and controversial--documents of the twentieth century, *Steal This Book* is as valuable today as the day it was

published. It has been in print continuously for more than four decades, and it has educated and inspired countless thousands of young activists. Conceived as an instruction manual for radical social change, *Steal This Book* is divided into three sections--Survive! Fight! and Liberate! Ever wonder how to start a guerilla radio station? Or maybe you want to brush up on your shoplifting techniques. Perhaps you're just looking for the best free entertainment in New York City. (The Frick Collection--"Great when you're stoned.") Packed with information, advice, and Abbie's unique outlaw wisdom ("Avoid all needle drugs--the only dope worth shooting is Richard Nixon."), *Steal This Book* is a timeless reminder that, no matter what the struggle, freedom is always worth

fighting for. "All Power to the Imagination was his credo. Abbie was the best."--Studs Terkel
Terrific Trains Kingfisher
 When Judith Daniels' friend calls her in the middle of the night and says that someone is trying to kill her, Judith assumes it's more of Lacey's usual drama. After a full day of work at her small-town newspaper and several nights with very little sleep, Judith doesn't have time for Lacey's wild imagination, but when she wakes up to discover that her best friend is dead, she realizes that while the police may be calling the death an accident, she owes it to her friend to discover if something more sinister has taken place. Lacey had been working at The Puppet Factory for world famous puppeteer, Ryan Smith.

Ryan is rich, gorgeous, famous and reclusive. And he might be the last person who saw Lacey alive. Ryan realizes what Judith is up to almost as soon as she walks through the door to interview for a position that she's far too qualified for. He recognizes the nosey reporter from pictures Lacey had shown him, but he also knows that kicking her out will only make her think he has something to hide. He's sure that Lacey's death was nothing more than a tragic accident, and he assumes the best way to prove that to Judith is to let her stay at The Puppet Factory and do a little investigating of her own. The fact that he is attracted to her has nothing to do with it. The only flaw with Ryan's plan is that Lacey's death was no accident. And the closer Ryan gets to Judith the closer

the killer gets to her.

Patrolling Police Cars Spectra

A SUICIDA MACHINE. A CHILD WITH A SECRET THAT CAN CHANGE THE WORLD. THE MAN TRAPPED BETWEEN THEM. In the City, where machines take care of everything, lives Albert, an ordinary citizen with an extraordinary problem: He's being blackmailed into becoming the first person in living memory to actually do something. What begins as a chance encounter with an outlaw child swiftly spirals out of control as Albert is trapped between the authorities and the demands of his unusual blackmailer. Forced to go on the run for his life, he finds himself in a shadow world of cyber-junkies, radicals and rebels, where he discovers the horrifying truth behind the City, a truth that will make him question

everything he has ever known.

Amazing Machines: Big Truckload of Fun Macmillan

Rabbit, Bird and Mouse go an underwater trip in a submarine.

Complexity Macmillan

Rhyming text introduces a variety of

ships and boats as they cross lakes, seas, and rivers with cargoes of merchandise or people.

The Amazing Machines Truckload of Fun Kingfisher

This is "the Word" -- one man's word, certainly -- about the art (and artifice) of the state of our computer-centric existence. And considering that the "one man" is Neal Stephenson, "the hacker Hemingway" (Newsweek) -- acclaimed novelist, pragmatist, seer, nerd-friendly philosopher, and nationally bestselling author of groundbreaking literary works (Snow Crash, Cryptonomicon, etc., etc.) - - the word is well worth hearing. Mostly well-reasoned examination and partial rant, Stephenson's *In the Beginning... was the Command Line* is a thoughtful, irreverent, hilarious treatise on the

cyber-culture past and present; on operating system tyrannies and downloaded popular revolutions; on the Internet, Disney World, Big Bangs, not to mention the meaning of life itself.

Kingfisher

In the spirit of Station Eleven and California, award-winning novelist Holly Goddard Jones offers a literary spin on the dystopian genre with this gripping story of survival and humanity about a group of adrenaline junkies who jump "the salt line." How far will they go for their freedom--once they decide what freedom really means? The country's borders have receded behind a salt line--a ring of scorched earth that protects its citizens from deadly disease-carrying ticks. Few have any reason to venture out of zone, except for the adrenaline

junkies who pay a fortune to tour what's left of nature. Those among the latest expedition include a popstar and his girlfriend, Edie; the tech giant Wes; and Marta, a seemingly simple housewife. The group soon finds itself at the mercy of deadly ticks--and at the center of a murderous plot. They become captives in Ruby City, a community made up of outer-zone survivors determined to protect their hardscrabble existence. As alliances and friendships shift amongst the hostages, Edie, Wes, and Marta must decide how far they are willing to go to get to the right side of the Salt Line.

[5 Paperbacks in a Carry Case](#) Penguin UK Offers advice for achieving lasting erotic passion in marriage by bringing the principles of adultery into the marital relationship without being unfaithful.

Domechild Simon and Schuster
 Flashing Fire Engines follows the animal crew as they become fire fighters. Climb on board the fire truck, ride along, and learn how to put out fires to save the day! Every page of this chunky board book is full of the kind of detail that machine-mad toddlers love: the fireman's pole, the siren, the long ladder, and much more! From airplanes to fire engines, the internationally bestselling Amazing Machines series is the perfect way for children to learn about all sorts of vehicles! Each book introduces a new vehicle and the many jobs it can do. Bright, engaging artwork and simple, rhyming text combine to make these fantastic books for young children. Kids will love getting to know the friendly, animal characters who feature

throughout the series and reading about their fast-paced adventures!

The Salt Line Kingfisher

Like many people, Sadie feels undervalued and frustrated. Employed by a supermarket, she plots to murder coworkers—or lure them into the employee bathroom for a quickie. Sick of being treated like a robot, she taps into a powerful (and deranged) alter-ego and transforms into Sadie the Sadist.

READER BEWARE: This book contains graphic violence, psycho/sexual incidents, and Sadie's favorite recipes. X-tremely Black Humor/Horror. "You have never read anything like Sadie the Sadist -- a pitch black satire that is not only deeply disturbing but funny as hell."

–Blake Crouch, Author, Wayward Pines “A brilliant, bloody read. Bone chilling.

Dark. Funny. Sadie makes Hannibal Lector look like dating material. My heart quickened as I braced for Sadie the Sadist's next step down that slippery slope called sanity. Highly recommended." -Barbara Silkstone, Author of the Wendy Darlin Tomb Raider series

Amazing Machines: Big Bulldozers RDA Press, LLC

Ten favorite storybooks inside one fantastic truck! The bestselling Amazing Machines series of picture storybooks is
