In this urban fantasy by a #1 New York Times–bestselling author, a powerless succubus must save the supernatural community of Seattle. Georgina Kincaid has been a bad, bad succubus—which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she's

been so wicked that Seattle's über-demon Jerome, decides to “outsource” Georgina to a rival—and have her spy for him in the process. Being exiled to the frozen north—okay, Vancouver—and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers. One bright spot: with her life-sucking ability gone, there's nothing to keep Georgina from getting down and

dirty with Seth—nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them—or all hell will break loose... Praise for Richelle Mead and her Succubus series “Richelle Mead delivers sexy action and tongue-in-cheek hellish humor—if damnation is this fun, sign me up!”—Lilith Saintcrow, author of *The Devil's Right Hand* “This is one of those series I'm going to keep

following.”—Jim Butcher, *New York Times* bestselling author of the Harry Dresden series “The mix of supernatural mystery, romance, and reluctant succubus is great fun.”—Locus “Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism.”—Booklist

Storm Born Simon and Schuster
I was born into the virtual game of Elysium. Now they expel me to the real world! I am Zephyros and I have lived my entire life inside the virtual game world of Elysium, but when I hacked the mainframe server, the overseer banished me to the real world. The real world is far crazier from

what I expected it to be: Full of fantastical creatures and demons, but hey, I found the girl of my dreams. She's a sizzling hot succubus. The only problem is that I must kill her if I want to return to Elysium! What should I do? Kill her and return to the virtual world of Elysium or betray my clan, my new friends and sacrifice my only chance of return? Warning: The novella contains explicit sex scenes, a harem, adult situations, light gamelit / litRPG elements, graphic violence, mind

blowing scenes, a lustful succubus and sizzling hot women. You have been warned, read at your own risk!

Being a succubus sounds pretty glamorous. Shape-shifting, killer wardrobe, what's not to like? But Georgina Kincaid's life gets complicated when an unknown entity "helpfully" begins killing her immortal adversaries. *Succubus Revealed* Evernight Publishing
Previously published in *Eternal Lover Seduction* is Georgina Kincaid's

weapon—and elixir—of choice. The Seattle-based shape-shifting succubus is used to getting what she wants, when she wants. Until she falls for a mere mortal... Georgina is finally, irrevocably in love, and she doesn't care who knows it. There's just one problem. If she and her boyfriend, Seth Mortensen, succumb to their all-consuming desire, the consequences will be dire: Seth will be destroyed. Of course, no one cares about their struggle to keep their hands to themselves,

especially not Georgina's archdemon boss, who is sending her to L.A. to sit on a demon-run tribunal. An immortal has been murdered—and the high court is determined to find the killer and set an example... Bribery, corruption, murder—the three demons on trial will stop at nothing to avoid a guilty verdict. But all the dark magic zipping through the atmosphere must be going to Georgina's head, because suddenly she suspects that Seth is up to no good. Now she can't help but

wonder how far she'd be willing to go to make sure she doesn't lose the love of her immortal life... Praise for Richelle Mead "The obvious heir to the Twilight throne."--The Daily Beast.com "This is one of those series I'm going to keep following."--Jim Butcher, New York Times bestselling author "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism."--Booklist *Succubus on Top* Del Rey A magical mercenary is

crowned a queen of the Otherworld—an honor could cost her life—in the New York Times bestselling author's paranormal thriller. Eugenie Markham is a shaman for hire, paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It may sound nice, but her kingdom is in tatters, her love life is in chaos, and Eugenie is eager to avoid a prophecy about her firstborn destroying mankind. Now young girls are

disappearing from the Otherworld, and no one—except Eugenie—is willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyō is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, the reluctant queen has a sworn duty to uphold, even if it means facing

the darkest and deadliest side of her nature. *Succubus Blues* Bantam Who Knew An Angel Could Get A Girl In So Much Devilish Trouble? Jackie Brighton woke up in a Dumpster this morning, and her day has only gotten weirder. Her familiar B-cups have somehow become double Ds, her sex drive is insatiable, and apparently she had her first one-night stand ever...with a fallen angel. All she remembers is gorgeous Noah's oddly hypnotic blue eyes...and then a

dark stranger whose bite transformed her into an immortal siren with a sexy Itch. With help from Noah, Jackie begins to adapt to her new lifestyle -- until she accidentally sends Noah into the deadly clutches of the vampire queen and lands herself in a fierce battle for an ancient halo with the queen's wickedly hot righthand man. Who just happens to be the vampire who originally bit her. How's a girl supposed to save the world when the enemy's so hard to resist?

Succubus Nights Jill\Myles
 "Georgina Kincaid's job sucks. Literally. Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses her new boyfriend, she'll drain his life force. Georgina is a succubus a demon who draws her power from other men's pleasure. Admittedly, the shapeshifting and immortality perks are terrific, and yes, Georgina did choose to join the ranks of hell centuries ago. But it seems completely unfair that a she-demon whose

purpose is seduction can't get hot and heavy with the one mortal who knows and accepts her for who she is. It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects that something far more demonic than double espressos is at work. She could use help finding out, but Bastien, an irresistibly charming incubus and her best immortal friend, is preoccupied in the

suburbs with corrupting an ultra-conservative talk radio star and giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one and fast because soon, Doug's life won't be the only one on the line "
