With the click of a mouse, anyone has access to the standards. So aligning our instruction should be a snap. If only it were that simple . . . Jim Burke anticipated the challenges and developed the Common Core Companion series for K-12. In his next smart move, he deferred to the talents of Sharon Taberski to be author of the K-2 volume. What makes Sharon Taberski's Common Core Companion "that version of the standards you wish you had"? It's the way Sharon translates each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day "what you do": lesson ideas, best literacy practices, grouping configurations, adaptations for ELLs, anchor charts, and

so much more. It's all here, page by page:

The standards for literature and informational texts put side by side for easier planning More than a dozen teaching ideas for each standard Recommendations on how to cultivate the habits of mind that are critical to meeting the standards, including interpersonal skills, collaboration, and perseverance A glossary of academic language for each standard Teaching suggestions for how to support ELL students Developmental debriefs to signal how you may need to adapt expectations to meet students where they're at An online bank of graphic organizers, student reproducibles, sample classroom charts, rubrics, and photos Reproducible planning templates for each standard to help you map out lessons, select books, generate key questions, and more With more than 30 years of classroom experience in the primary grades and years of consulting in schools nationwide, Sharon Taberski has a depth of knowledge about what both students and teachers in this country need in order to cultivate the win-win of high expectations and high engagement in K-2. She is a nationally recognized educator, author, and presenter, and a leader in the field of early reading instruction. Her professional books and teaching materials have revolutionized the way primary teachers approach reading and remain classics in the field.

Most of us settle. We live average, safe, mediocre lives. But does that kind of living reflect what God has called us to? The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may "be conformed to the image of his Son" (Romans 8:29). Jesus did not live an ordinary life, and nor should we! *Walk on Water* invites believers to rise above the norm. This daily devotional takes a fresh look at the Word of God. Be inspired by the lives of Esther, Daniel, Jonah, and others. Be challenged with Jesus' no-nonsense conversations with the Pharisees and the disciples. Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms. In addition to daily devotionals, twelve true stories (experienced by Deb herself) are added at the end of each month to encourage and humor the soul.

Lancelot, despite being the bravest of the knights, is ugly, and ape-like, so that he calls himself the Chevalier mal fet - "The

Ill-Made Knight". As a child, Lancelot loved King Arthur and spent his entire childhood training to be a knight of the round table.

When he arrives and becomes one of Arthur's knights, he also becomes the king's close friend. This causes some tension, as he is jealous of Arthur's new wife Guinevere. In order to please her husband, Guinevere tries to befriend Lancelot and the two eventually fall in love. T.H. White's version of the tale elaborates greatly on the passionate love of Lancelot and Guinevere. Suspense is provided by the tension between Lancelot's friendship for King Arthur and his love for and affair with the queen.
