 Irving Berlin came to the
 United States as a refugee
 from Tsarist Russia,
 escaping a pogrom that
 destroyed his village.
 Growing up on the streets
 of the lower East Side, the
 rhythms of jazz and blues
 inspired his own song-
 writing career. Starting
 with his first big hit,

Alexander's Ragtime Band, Berlin created the soundtrack for American life with his catchy tunes and irresistible lyrics. With "God Bless America," he sang his thanks to the country which had given him a home and a chance to express his creative vision.

Seen and Unseen Worlds

Dramatic Publishing
 From the prizewinning Jewish Lives series, a fast-moving, musically astute portrait of arguably the greatest composer of American popular music Irving Berlin (1888–1989) has been called—by George Gershwin, among others—the greatest songwriter of the golden age of the American popular song. “Berlin has no place in American music,” legendary composer Jerome Kern wrote; “he is American music.” In a career that spanned an astonishing

nine decades, Berlin wrote some fifteen hundred tunes, including “Alexander’s Ragtime Band,” “God Bless America,” and “White Christmas.” From ragtime to the rock era, Berlin’s work has endured in the very fiber of American national identity. Exploring the interplay of Berlin’s life with the life of New York City, noted biographer James Kaplan offers a visceral narrative of Berlin as self-made man and witty, wily, tough Jewish immigrant. This fast-paced, musically

opinionated biography uncovers Berlin’s unique brilliance as a composer of music and lyrics. Masterfully written and psychologically penetrating, Kaplan’s book underscores Berlin’s continued relevance in American popular culture. About Jewish Lives: Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity. Individual volumes illuminate the imprint of Jewish figures upon literature, religion,

philosophy, politics, cultural and economic life, and the arts and sciences. Subjects are paired with authors to elicit lively, deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present. In 2014, the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award, the first series ever to receive this award. More praise for Jewish Lives: “Excellent.” – New York Times “Exemplary.” – Wall St. Journal

“Distinguished.” – New Yorker
 “Superb.” – The Guardian

Clayton's Grand March Harper Collins (Applause Books).
 Gathered together in one volume for the first time,

here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was nineteen he was publishing his songs and quickly found fame with "Alexander's Ragtime Band" in 1911. In the

extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies * Always * Cheek to Cheek * White Christmas * God Bless America * There's No Business Like Show Business * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The

breadth of his accomplishment is staggering. *The Bunny who Found Easter* Hal Leonard Publishing Corporation In The Easter Parade, first published in 1976, we meet sisters Sarah and Emily Grimes when they are still the children of divorced parents. We observe the sisters over four decades, watching them grow into two very different women. Sarah is stable and stalwart, settling into an unhappy marriage. Emily is precocious and

independent, struggling with one unsatisfactory love affair after another. Richard Yates's classic novel is about how both women struggle to overcome their tarnished family's past, and how both finally reach for some semblance of renewal.

relates to important changes in the cinema audience itself. It is the text for the study of Hollywood musicals.
