MIDDLETON CUNNINGHAM

Broken Angels Simon
and Schuster
When Anton
Kannemeyer and
Conrad Botes founded
their underground
satirical comic
magazine Bitterkomix
in 1992, they put
themselves at the
forefront of the

international
expressionist comix
movement. Their
assault on mainstream
Afrikaner culture has
continued to be
challenging,
outrageous and
controversial. This
book is an essential
chronicle, catalogue
and visual cornucopia
of the work of the
Bitterkomix artists --
from Pub. info.
*Notes from
Underground*

Macmillan

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The

concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Immortal Dark Horse Comics

When technology is outlawed, the future looks a lot like the past. Thirteen-year-old Caden Aire spends his days working in the fields and his nights sleeping in a horse stable, all under the watch of Metl--Earth's mysterious and artificial second moon, a looming relic of humanity's lost era. But Caden's simple life

changes when one night, a fiery red X suddenly appears on Metl's surface, and the same red Xs start glowing on his palms. Now Caden must find the only person who knows what's happening to him, but he doesn't have much time. Metl has started on an impact course with Earth, and to stop it, Caden will have to face both the unsettling truth about his world ... and about himself.

Strange Angels Orenda Books

Restricted Entry is the story of Little Sister's battle to end Customs' ongoing harassment of gay and lesbian authors and booksellers. In the final months of 1994, the lawsuit was played out in provincial Supreme Court with all the

intensity of an old-fashioned obscenity trial. The courtroom drama pitted bookseller versus vice squad, artist vs. psychologist, author vs. bureaucrat.

The Best of Bitterkomix

Dark Horse Comics

After a week lost in the Australian outback, thirteen-year-old Tom Ferry makes his way back to Angel Rock. To the horror of everyone in the small town, he is alone. Exhausted and traumatized, he can't remember what happened to Flynn, his little brother. Shortly thereafter, another child of Angel Rock is found dead in Sydney, the apparent victim of suicide. But it is only with the arrival of Gibson, the investigating detective from Sydney, that the intertwining questions

surrounding the fate of the two children, the silence of the townfolk, and the mysteries of the land itself begin to unravel. *Angel Rock* marks the American debut of the award-winning writer Darren Williams. By interlacing suspense with brilliantly rendered characters and evocative descriptions of the peculiar town they inhabit, he has created a novel that is immediately gripping and consistently surprising. It is a book that will be read long into the night.

The World of Zines

Penguin

Much history and theory is uncovered here in the first comprehensive study of zine publishing. From their origins in early 20th century

science fiction cults, their more proximate roots in '60s counter-culture and their rapid proliferation in the wake of punk rock, Stephen Duncombe pays full due to the political importance of zines as a vital network of popular culture. He also analyzes how zines measure up to their utopian and escapist outlook in achieving fundamental social change. Packed with extracts and illustrations, he provides a useful overview of the contemporary underground in all its splendor and misery.

Book Rowman & Littlefield

TIME'S #1 FICTION
TITLE OF THE YEAR •
NEW YORK TIMES
NOTABLE BOOK OF
2018 FINALIST for the

MAN BOOKER PRIZE and the NATIONAL BOOK CRITICS CIRCLE AWARD LONGLISTED for the ANDREW CARNEGIE MEDAL An instant New York Times bestseller from two-time National Book Award finalist Rachel Kushner, *The Mars Room* earned tweets from Margaret Atwood—“gritty, empathic, finely rendered, no sugar toppings, and a lot of punches, none of them pulled”—and from Stephen King—“*The Mars Room* is the real deal, jarring, horrible, compassionate, funny.” It’s 2003 and Romy Hall, named after a German actress, is at the start of two consecutive life sentences at Stanville Women’s Correctional Facility, deep in California’s Central

Valley. Outside is the world from which she has been severed: her young son, Jackson, and the San Francisco of her youth. Inside is a new reality: thousands of women hustling for the bare essentials needed to survive; the bluffing and pageantry and casual acts of violence by guards and prisoners alike; and the deadpan absurdities of institutional living, portrayed with great humor and precision. Stunning and un sentimental, *The Mars Room* is “wholly authentic...profound...luminous” (*The Wall Street Journal*), “one of those books that enrage you even as they break your heart” (*The New York Times Book Review*, cover review)—a spectacularly compelling, heart-

stopping novel about a life gone off the rails in contemporary America. It is audacious and tragic, propulsive and yet beautifully refined and “affirms Rachel Kushner as one of our best novelists” (Entertainment Weekly).

Tongues of Angels

Press Gang Publishers
From the #1 New York Times bestselling author who has kept readers on the edge of their seats with her phenomenal Fallen Angels novels, comes one of the most heart-stirring and eagerly anticipated events in that acclaimed series. The Creator invented the game, and the stakes are nothing less than the fate of the quick and the dead: seven souls, seven crossroads. Reluctant savior Jim Heron has

compromised himself, his body and his soul, and yet he’s on the verge of losing everything...

...Including Sissy, the innocent he freed from Hell. Jim’s determined to protect her—but this makes her a weakness the demon Devina can exploit. With Jim torn between the game and the woman he’s sworn to defend, evil’s more than ready to play dirty. Humanity’s savior is prepared to do anything to win—even embark on a suicide mission into the shadows of Purgatory. True love is Jim’s only hope for survival—and victory. But can a man with no heart and no soul be saved by something he doesn’t believe in?

The Tempest Tales

Open Road Media
Such modern

technology as desktop publishing allows people with diverse passions to share their views through small magazines--or "zines". This handy guide to "zines" includes a 400-entry directory, a history of zine publishing, and more. The ultimate creative resource for both readers and publishers alike.

The Darkangel Acc Art Books

After failing to rescue his demon girlfriend from the Grand Duke of Hell, fallen angel Bobby Dollar runs into an old friend who has mysteriously lost his memory.

The Dirty Streets of Heaven Macmillan

"For those who adore entertaining, it's a labor of love. We focus on the tiny details that the majority of our

guests don't notice. We bend over backwards to make everything perfect. And those who don't love entertaining will never get it... I would recommend The Vintage Sweets Book for any candy making enthusiast for sure, but also for any hostess who loves to find fun ways to add a little fun, a little whimsy, to their parties." Planning It All The Vintage Sweet Book takes you on a delicious journey back to your favorite childhood treats, allowing you to rediscover the magic by creating them in your very own kitchen! Angel Adoree provides a mouth-watering selection of retro sweets recipes to make with your friends and family. And don't forget to add the vintage touch: presentation

suggestions throughout help you get the maximum impact when you serve up your sweets. Contents: Softball Sweeties Firmball and Hardball Sweeties Soft Crack and Hard Crack Sweeties Miscellaneous Sweeties [Avenging Angel](#) Mulholland Books Revisit the smash-hit web musical Dr. Horrible's Sing-Along Blog with the stories that started it all by Zack Whedon and a brand-new story by Joss Whedon set after the events of the web series! Features distressed cover with foil treatment! This volume collects the first Dr. Horrible one-shot; three digital comics from MySpace Dark Horse Presents ("Captain Hammer: Be Like Me!" "Moist:

Humidity Rising," and "Penny: Keep Your Head Up"), "The Evil League of Evil" from the Dr. Horrible TPB, and the 10th Anniversary one-shot Dr. Horrible: Best Friends Forever. Also includes Joss Whedon's one-shot script and pinup art! Speed off with Captain Hammer as he encounters a supervillain in the making. Captain Hammer asks, what you can do to make the world a safer place. Meet Moist, a man whose name says it all. Discover the tragic story of his condition and his connection to Dr. Horrible. Bump into Penny for the first time and be smitten all over again. Then, the Evil League of Evil wreaks havoc on the city, and some good Samaritans step up to the plate.

But what is good and what is evil--and where does one cross into the other? Dr. Horrible is about to find out in the tale that tells of his first forays into evil and his first encounter with Captain Hammer! Finally, dive into the perfect recipe for creating the best of friendships, the kind that lasts forever!

Dr. Horrible (Second Edition) Oxford University Press
 Winner of the International Association of Crime Writers' Dashiell Hammett Award: A woman goes on the run in this intense and cinematic thriller by an award-winning writer. To escape the awful life she has descended into, Luz plans carefully. She takes only the clothes on her back, a Colt .45, and all

the money in her husband's safe. The corpses in the hallway weren't part of her plan. Luz needs to find the daughter she left behind years earlier, but she knows she may die trying. Her husband is El Principe , a key player in a high-powered drug cartel, a business he runs with the same violence he has used to keep Luz his perfect, obedient wife. With the pace and relentless force of a Scorsese film, ANGEL BABY is the newest masterpiece from one of the most ambitious and talented crime novelists at work today.

The Worst of Boiled Angel Penguin Mass Market

She rode west looking for vengeance, but found a passion as wild as her heart. With her

beautiful face profiled against the hot Missouri sky, Wynne Elliott was every inch a southern lady, but that didn't make the rifle in her hands any less deadly. She had sworn vengeance on the handsome scoundrel who had taken her inheritance and broken her heart. Following him west into a wild, dangerous frontier, she had found a rugged stranger able to take her breath away with the blazing blue of his eyes ... to make her tremble with the searing caress of his lips. But Cole Clayton was the brother of the man who had betrayed her.

Worse Angels Del Rey
The Darkangel, a vampire of astounding beauty and youth, can only summon his full power when he finds

his 14th and final bride. But for Aerial, whom he kidnaps to serve his brides, there is something about him--something beyond his obvious evil--that makes her want to save him rather than destroy him. The Darkangel--Pierce's first book, originally released in 1982--was an ALA Best Book for Young Adults, a New York Times Notable Children's Book, a Parent's Choice Award Superbook, and a Booklist Best Book of the Decade.

Mañana Penguin
Mike Diana: RIP is a new book of horror, fun, unexpected adventure and disaster from Mike Diana--an internationally known underground cartoonist, and the only artist in America to have received a

criminal conviction for artistic obscenity. His run-ins with the law have seemed to have the opposite of the intended effect; since first arriving on the scene in the 1990s with his (in)famous *Boiled Angel* magazine, Diana has only refined and expanded his vision of a culture engorged and overloaded on greed and violence. This volume, featuring recent cartoons and drawings along with some rare finds from Diana's archive, features exotic, druggy, disgusting stories in Diana's inimitable, sharp style--scary and childlike, inflected with a deadly dark humor and punctuated by weird punchlines.

The Comics Journal St. Martin's Press

Refusing to go to hell in spite of his technical disqualification from heaven, murdered African-American everyman Tempest Landry is sent back to Harlem, where a guiding angel tries to convince him to accept judgment.

Forged by Fire Penguin
Angel Bobby Dollar sets out to rescue his girlfriend Casimira being held hostage in the netherworld by the demon Eligor while also trying to elude an undead psychopath named Smyler.

Mass Communication Ethics Scribner

This text is the first to put ethical issues in a cultural and historical context, based on the premise that ethical problems arise from myriad of cultural forces. The first section focuses on ethics in

postmodern America and how to effectively make decisions in a contemporary society. Next, students learn about ethical philosophers--from Plato to Foucault--and their beliefs. The individual philosophical messages within each biographical sketch can be fully realized when applied to the included media case studies. The final part of the text asks students to apply the these philosophers' teachings to ethical issues in areas such as journalism, public relations, and the music industry. Some case studies are entirely new, others updated, and include Nike' s labor practices, September 11 and the news, the South Park cartoon, the NFL, and the advertising of

prescription medicine. Hush, Hush Simon and Schuster
A Publishers Weekly Best Book of the Year
From an obesity and neuroscience researcher with a knack for engaging, humorous storytelling, The Hungry Brain uses cutting-edge science to answer the questions: why do we overeat, and what can we do about it? No one wants to overeat. And certainly no one wants to overeat for years, become overweight, and end up with a high risk of diabetes or heart disease--yet two thirds of Americans do precisely that. Even though we know better, we often eat too much. Why does our behavior betray our own intentions to be lean and healthy? The problem, argues

obesity and neuroscience researcher Stephan J. Guyenet, is not necessarily a lack of willpower or an incorrect understanding of what to eat. Rather, our appetites and food choices are led astray by ancient, instinctive brain circuits that play by the rules of a survival game that no longer exists. And these circuits don't care about how you look in a bathing suit next summer. To make the case, *The Hungry*

Brain takes readers on an eye-opening journey through cutting-edge neuroscience that has never before been available to a general audience. *The Hungry Brain* delivers profound insights into why the brain undermines our weight goals and transforms these insights into practical guidelines for eating well and staying slim. Along the way, it explores how the human brain works, revealing how this mysterious organ makes us who we are.
