The Journey to the Moon and Beyond

Henry Holt and Company
 A debut novelist interweaves a trio of voices--haunting, dangerous, full of longing--mysteriously linked by a shocking crime and the search to heal the past. Many long years have passed since the winter of blinding white when Charles Starkweather and Caril Ann Fugate drove across the hushed midwestern landscape and left a trail of blood and pain. So why does Lowell, a Manhattan collector of antiquities, still dream of what happened, despite his wife's best attempts to draw him back and offer comfort? And who is Susan, the teenager who appoints herself a detective, piecing together the story of the murders while wondering if she'll ever be loved like Starkweather loved his girl? And then there's Caril Ann herself, who takes us back to relive the ride she swears she could not control. It began on the day Charlie first saw her, dangling her bare legs off the edge of a tree

house. It ended outside Valentine, Nebraska, on that night when she still believed that life could somehow go back to being normal . . . ' Every so often a novel comes along that is capable of redeeming the losses it so devastatingly conveys. Disturbing, bittersweet, and lyrical, Liza Ward's *Outside Valentine* is a story of people torn apart by tragedy and yet, finally, transformed by love.

AN INSTANT #1 NEW

YORK TIMES BESTSELLER

Named one of the most anticipated novels of the season by *People*, *Associated Press*, *Time*, *Los Angeles Times*, *Parade*, *St. Louis Post-Dispatch*, *The Guardian*, *Publishers Weekly*, and more. From the #1

bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love

lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her

team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. State of Terror is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.
