Index-catalogue of the Library of the Surgeon-General's Office, United States Army Turtleback Books
It's seven in the morning. The Bantrys awake to find the body of a young woman in their library. She is wearing evening dress and heavy make-up. But who is she? How did she get there? And what is the connection with another dead girl?

Bibliothèque orientale: Avesta. Livre sacré du Zoroastrisme ... 2. éd. 1881 NEw York, C. Scribner

"In the course of fund-raising for civilian victims of World War I, Edith Wharton assembled this monumental benefit volume by drawing upon her connections to the era's leading authors and artists. The unique compilation forms a 'Who's Who' of early 20th century culture, featuring poetry, stories, illustrations, music and other contributions from scores of luminaries. ... Much of the text is presented in both English and French. Includes an Introduction by former U. S. President Theodore Roosevelt."--

Miss Marple John Curley & Associates

The New York Times–bestselling series continues with the murder of an American soldier in Venice: “This is definitely an author to watch (Kirkus Reviews). Early one morning, Commissario Guido Brunetti of the Venice police confronts a grisly sight when the body of a young man is fished out of a fetid canal. All clues point to a violent mugging, but for Brunetti the motive of robbery seems altogether too convenient. When something discovered in the victim’s apartment suggests the existence of a high-level conspiracy, Brunetti becomes convinced that somebody, somewhere, is taking great pains to provide a ready-made solution to the crime. Rich with atmosphere and marvelous plotting, *Death in a Strange Country* is a superb novel in Donna Leon’s chilling Venetian mystery series. Praise for Donna Leon and the Commissario Brunetti Mysteries “One of the best international crime writers is Donna Leon, and her Commissario Guido Brunetti tales set in Venice are at the apex of continental thrillers.” —Rocky Mountain News “Leon’s books shimmer in the grace of their setting and are warmed by the charm of her characters.” —The New York Times Book Review “Brunetti . . . long ago joined the ranks of the classic fictional detectives.” —Evening Standard “Commissario Brunetti, most charismatic current Euro-cop, uncovers deadly ants’ nest of corruption. A highly accomplished, scary read.” —The Guardian

Un cadavre dans la bibliothèque ; Les sept cadrans Verso Books

From a New York Times–bestselling author, Charlotte and Thomas Pitt must solve the case of a young gentleman’s sordid murder—before an innocent man hangs. The naked body of an aristocratic youth turns up in the sewers beneath Bluegate Fields, one of London’s most notorious slums. But Arthur Waybourne had been drowned in his bath, not in the Thames. More shocking still was that the boy had been sexually violated and infected with syphilis before he was murdered. Despite Inspector Thomas Pitt’s efforts to fully investigate the crime, the family closes ranks, stonewalling Pitt, leaving him to wonder what they are hiding. All evidence points to Arthur’s tutor, Jerome, as the murderer. The courts agree and Jerome is sentenced to hang. Pitt and his wife, Charlotte, don’t believe the answer is so simple. But if not Jerome, then who molested and infected the boy? To learn the truth, Charlotte uses her familiarity with the upper classes to draw aside the curtain of lies, while Pitt defies his superior and the boy’s family to follow a trail that leads him into the foulest streets of London through a web of deceit involving male prostitution and pedophilia. In a race against time, Thomas and Charlotte must find the real killer to save Jerome from the hangman’s noose.

Routledge Library Editions: The History of Crime and Punishment Open Road Media

Le cadavre étranglé d'une femme inconnue est découvert au petit matin sur le tapis de la bibliothèque de la demeure du colonel Arthur Bantry et de son épouse Dolly. Celle-ci fait

immédiatement appel au bon sens de son amie Jane Marple, pour dénouer un écheveau encore plus compliqué qu'il n'y paraît au premier abord. Jane Marple, plus connue sous le nom de Miss Marple, est un des plus fameux personnage de fiction créé par la romancière Agatha Christie, la "Reine du crime ». Un Cadavre dans la bibliothèque est la seconde aventure de ce personnage atypique, sorte de « détective en fauteuil » (en anglais : armchair detective) qui vit à St Mary Mead, village imaginaire de la campagne anglaise. Une de ses maximes favorites dit que « la nature humaine est partout la même ».

Un cadáver en la biblioteca (Título original en inglés: The Body in the Library) es un libro de la escritora británica Agatha Christie, publicado originalmente en Reino Unido por Collins Crime Club y en Estados Unidos por Dodd, Mead and Company en 1942.El coronel Bantry disfruta apaciblemente su retiro en St. Mary Mead, junto con su esposa Dorothy. Una mañana, su doncella rompe la tranquilidad cotidiana con una noticia insólita y escalofriante: "Señora, hay un cadáver en la biblioteca". La muchacha muerta es una joven que ha sido estrangulada y que, por las trazas, parece haber sido artista. La historia se complica y las habladurías crecen de tal modo, que Mrs. Bantry pide ayuda a su buena amiga Jane Marple para que investigue el caso y limpie el buen nombre de su marido.

The Body in the Library HarperCollins UK

For Bataille, the absence of myth had itself become the myth of the modern age. In a world that had lost the secret of its cohesion, Bataille saw surrealism as both a symptom and a beginning of an attempt to address this loss. His writings on this theme are the result of a profound reflection in the wake of World War Two. The Absence of Myth is the most incisive study yet made of surrealism, insisting on its importance as a cultural and social phenomenon with far-reaching consequences. Clarifying Bataille's links with the surrealist movement, and throwing revealing light on his complex and greatly misunderstood relationship with Andre Breton, *The Absence of Myth* shows Bataille to be a much more radical figure than his postmodernist devotees would have us believe: a man who continually tried to extend Marxist social theory; a pessimistic thinker, but one as far removed from nihilism as can be.

Analyse: Roman policier (énigme).

Bibliothèque universelle et revue suisse Harper Collins

This set reissues ten books that explore the history of crime and punishment. The titles, which were originally published between 1970 and 1988, examine many different aspects of historical criminology over a span of over 400 years, with particular focus on the nineteenth-century. This set will be of particular interest to students of both history and criminology.

It's seven in the morning. The Bantrys awake to find the body of a young woman in their library. She is wearing evening dress and heavy make-up. But who is she? How did she get there? And what is the connection with another dead girl? Originally published: London: Collins, 1942.

Un cadaver en la biblioteca Seagull Books

In the autumn of 1924, just before André Breton published the Manifeste du surréalisme, two young men met in Paris for the first time. Georges Bataille, 27, starting work at the Bibliothèque Nationale, Michel Leiris, 23, beginning his studies in ethnology. Within a few months they were both members of the Surrealist group, although their adherence to Surrealism (unlike their affinities with it) would not last long: in 1930 they were among the signatories of 'Un cadavre,' the famous tract against Breton, the 'Machiavelli of Montmartre,' as Leiris put it. But their friendship would endure for more than 30 years, and their correspondence, assembled here for the first time in English, would continue until the death of Bataille in 1962. Including a number of short essays by each of them on aspects of the other's work, and excerpts on Bataille from Leiris' diaries, this collection of their correspondence throws new light on two of Surrealism's most radical dissidents.

Un Cadavre dans la bibliothèque Taylor & Francis

The iconic Miss Marple must investigate the case of a girl found dead in Agatha Christie's classic mystery, The Body in the Library It's seven in the morning. The Bantrys wake to find the body of a

young woman in their library. She is wearing an evening dress and heavy makeup, which is now smeared across her cheeks. But who is she? How did she get there? And what is the connection with another dead girl, whose charred remains are later discovered in an abandoned quarry? The respectable Bantrys invite Miss Marple into their home to investigate. Amid rumors of scandal, she baits a clever trap to catch a ruthless killer.

Index-catalogue of the Library of the Surgeon-General's Office, United States Army

Le colonel Bentry a toutes les raisons d'être contrarié. On le tire de son sommeil pour lui faire constater un désagrément terrible : une femme, inconnue et vêtue de la manière la plus vulgaire qui soit, a été trouvée étranglée dans la bibliothèque de son manoir. Heureusement, la demeure des Bentry est voisine de Saint-Mary-Mead, le village de Miss Marple... Dans son autobiographie, Agatha Christie déclarait que le premier chapitre de ce roman, écrit en 1942, représentait pour elle l'aboutissement de son art. Traduit de l'anglais par Jean-Michel Alamagny
