The Canterville Ghost is a short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts 23 February and 2 March 1887. The story is about an American family who move to a castle haunted by the

ghost of a dead nobleman, who killed his wife and was starved to death by his wife's brothers. The story begins when the American Minister Mr Otis and his family move into Canterville Chase, despite warnings from Lord Canterville that the house is haunted. Mr Otis says that he will take the furniture as well as the ghost at valuation. The Otis family includes Mr and Mrs Otis, their eldest son Washington, their daughter Virginia, and the Otis twins. The other characters

include the Canterville Ghost, the Duke of Cheshire Mrs Umney and Rev Augustus Dampier. At first, none of the Otis family believe in ghosts, but shortly after they move in, none of them can deny the presence of Sir Simon de Canterville. The family hears clanking chains, they witness reappearing bloodstains on the floor just by the fireplace, which are removed every time they appear in various forms. But, humorously, none of these scare the Otis family in the least. In fact, upon hearing the clanking noises in the hallway, Mr Otis promptly gets out of bed and pragmatically offers the ghost Tammany Rising Sun Lubricator to oil his chains. The Story Of The Inexperienced Ghost

(aka The Inexperienced Ghost) is, on its face, merely a humorous ghost story. But I get the sense that there's quite a bit of satire going on in it. It may be doing to the straight-up ghost story (in a far more lighthearted way) what The Red Room does to the Gothic Horror story. The Canterville Ghost Annotated Hyweb Technology Co. Ltd.
"Romance is the privilege of the rich, not the profession of the unemployed."
Hughie, a charming young man with no money, wants to marry a girl named Laura. But Laura's father is concerned with Hughie's lack of wealth and tells him he can only have his daughter if he comes up with 10,000 pounds. Defeated, Hughie visits his artist friend, who in painting a portrait of a beggar. Meeting the beggar outside, Hughie gives him

some money. What he doesn't know is that the man isn't a beggar at all but a wealthy baron, and Hughie's generosity might just be the thing to change his life. The Model Millionaire is a charming and funny little story, similar in setting to The Picture of Dorian Gray, but far more optimistic. A delightful read. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple. He was believed to be a homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.

Mr. Hammond is on his way to America when he hears two passengers

discussing a suspicious plan that was going to be executed at 10 o'clock in the evening. The two unknown passengers got aboard in the very last minute. Their baggage was not searched. And their plan consisted of some mysterious box. What do you think happened in the evening? Did Mr. Hammond try to warn the rest of the crew or he escaped with a life boat? Can all be a big misunderstanding or the American steamer will be blown up? Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own

practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

"The Canterville Ghost" begins with the sale of an old British mansion called

Canterville Chase to Horace B. Otis, an American minister. Though the former owner, Lord Canterville, warns Mr. Otis that the mansion is haunted, Mr. Otis is not worried and replies that ghosts do not exist. Soon after, Mr. Otis moves into the Chase with the rest of his family: his wife, Lucretia; his eldest son, Washington; his fifteen-year-old daughter, Virginia; and his two young twin boys. Upon moving in, Mrs. Otis notices a dull red stain on the floor and requests that it be cleaned. Their housekeeper reveals that it is a bloodstain from the murder of Lady Eleanore de Canterville, who was killed in 1575 by her husband, Sir Simon de Canterville, and that it cannot be removed. She warns Mrs. Otis that Sir Simon's guilty ghost still haunts

Canterville Chase. Dismissing the housekeeper's story as nonsense, Washington quickly pulls out a container of Pinkerton's Champion Stain Remover, scrubbing it onto the spot until the stain is gone. As soon as the stain is removed, lightning flashes, and a peal of thunder rocks the house. The housekeeper faints in terror. The next morning, the Otises find that the stain has mysteriously returned. For the next few days, they routinely clean the stain only to see it reappear the next morning. Intrigued, the Otis family decides that the house is, in fact, haunted. A few nights later, Mr. Otis is awakened in the middle of the night by a clanking noise. Venturing into the hallway, he encounters the ghost of Sir Simon. Rather than being frightened by Sir Simon's glowing red eyes, matted

hair, and rusty manacles, Mr. Otis politely insists that the ghost oil his chains and gives him a bottle of Tammany Rising Sun Lubricator for this purpose. Utterly humiliated, Sir Simon retreats down the hallway until he encounters the twins, who throw pillows at his head. Returning to his chamber, Sir Simon remembers his long and successful career as a ghost, fuming that never in three hundred years of haunting maids and guests has he been so insulted. Determined to scare these "wretched modern Americans," Sir Simon stays up all night plotting his revenge. Though the bloodstain remains, the Otises humorously note that it is changing in color on a daily basis. Virginia Otis, however, does not find the changing stain amusing and appears

inexplicably distressed by it. One day, the family discovers Sir Simon in an embarrassing position: he has fallen over while trying to put on a suit of armor. The twins shoot at him with pea shooters and when Sir Simon tries to scare the family with his most evil laugh, Mrs. Otis adds insult to injury by suggesting that he may be suffering from indigestion. For several days afterward, Sir Simon is ill and keeps mostly to his room. Soon, however, he resolves to make a third attempt at scaring the Otises and picks out a suitably terrifying outfit. As he makes his way to Washington's room, however, he is stopped by the twins, who are disguised as a ghost. Believing them to be a real ghost, Sir Simon flees in utter terror. Depressed, Sir Simon retreats from his ghostly duties, deciding

In deutscher und englischer Sprache: Die berühmte Geschichte von Oscar Wilde eignet sich ausgezeichnet, um unterhaltsam vorhandene

Englischkenntnisse aufzufrischen und zu erweitern. Eine reiche amerikanische Familie erwirbt trotz Warnung der Vorbesitzer vor dem Hausgespenst das englische Schloss Canterville. Der aristokratische Geist wird von den neuen

Besitzern des Anwesens zur Verzweiflung gebracht. Mit blutigen Flecken am Boden vor dem Kamin und einer Abfolge von unheimlichen Geräuschen hat das Gespenst von Canterville sich über Hunderte von Jahren Respekt verschaffen können und die Bewohner des Schlosses in Angst und Schrecken versetzt. Doch die Amerikaner lassen sich nicht davon beeindrucken ... Oscar Wilde begründete mit seinem ersten Werk "Das Gespenst von Canterville" / "The Canterville Ghost" seinen bis heute andauernden literarischen Ruhm.

The Canterville Ghost Annotated Illustrated FV Éditions

There has been a ghost in the house for three hundred years, and Lord Canterville's family have had enough of

it. So Lord Canterville sells his grand old house to an American family. Mr Hiram B. Otis is happy to buy the house and the ghost - because of course Americans don't believe in ghosts. The Canterville ghost has great plans to frighten the life out of the Otis family. But Americans don't frighten easily - especially not two noisy little boys - and the poor ghost has a few surprises waiting for him.

The Mystery of the Canterville Ghost, 5e-4e Macmillan

"Please, speak softly, we might be overheard," Two college friends run into each other in Paris and one tells the other of a mysterious woman he's been seeing. She sets appointments to meet him and doesn't show up, and she asks him not to write her at her home address but gives him an alias name and address

instead. As the tension builds, the friends start to suspect that maybe the real mystery is that there isn't a mystery at all. The Sphinx Without a Secret suggests that the thrill of the chase will always end in disappointment when it comes to love, because sooner or later the chase must end. With charm and a great understanding of the human condition, Oscar Wilde more than

succeeds with this suspenseful Sherlock Holmes-like mystery. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple. He was believed to be a homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.
