This collection of unique works by 150 Los Angeles graffiti and tattoo artists represents an unprecedented collaboration across the city's diverse artistic landscape. Many graffiti artists carry sketchbooks, called black books, and they ask crew members and others whose work they admire to inscribe their books with lettering or drawings. A few years ago, the Getty Research Institute invited artists, including Angst, Axis, Big Sleeps, Chaz, Cre8, Defer, EyeOne, Fishe, Heaven, Hyde, Look, ManOne, and Prime, to consider the idea of a citywide graffiti black book. During visits to the Getty Center, the artists viewed rare books related to calligraphy and letterforms, including works by Albrecht Dürer and Leonardo da Vinci. The artists instantly recognized the connections to their own practices and were particularly drawn to a liber amicorum (book of friends), a form of autograph book popular in the seventeenth century. Passed from hand to hand, it was filled with signatures, poetry, and coats of arms, like a black book from another era. Inspired by this meeting of minds across centuries, these artists became both creators and curators, crafting their own pages and inviting others to contribute. Eventually 150 Los Angeles artists decorated 143 individual pages. These were bound together into an exquisite artists' book that became known as the Getty Graffiti Black Book. This publication reproduces each page from the original artists' book and recounts the story of an unprecedented collaboration across the diverse artistic landscape of Los Angeles.

Fern isn't your usual unicorn...she loves chemistry and math more than glitter or flowers—and she refuses to change who she is in this sweet and empowering picture book about being

yourself—and standing up for yourself, too! Meet Fern! She's a smart, creative unicorn who prefers building robots and coding software to jumping through shimmering rainbows and splashing in majestic waterfalls. Even though Fern is a good friend and always willing to help others, the other unicorns tease her and call her a nerdyicorn. One day, Fern has had enough and decides to stop fixing her friends' broken things. But then the confetti machine, the rainbow synthesizer, and the starlight bedazzler all go haywire during the biggest Sparkle Dance Party of the year! Fern can certainly fix them...but will she?

Received document entitled: APPENDIX OF EXHIBITS TO WRIT OF REVIEW

“Inspiring, tragic, and at times heart-rendingly funny.” —People Unsentimental, unexpectedly funny, and incredibly honest, *Tragedy Plus Time* is a love letter to every family that has ever felt messy, complicated, or (even momentarily) magnificent. Meet the Magnificent Cayton-Hollands, a trio of brilliant, acerbic teenagers from Denver, Colorado, who were going to change the world. Anna, Adam, and Lydia were taught by their father, a civil rights lawyer, and mother, an investigative journalist, to recognize injustice and have their hearts open to the universe—the good, the bad, the heartbreaking (and, inadvertently, the anxiety-inducing and the obsessive-compulsive disorder-fueling). Adam chose to meet life’s tough breaks and cruel realities with stand-up comedy; his older sister, Anna, chose law; while their youngest sister, Lydia, struggled to find her place in the world. Beautiful and whip-smart, Lydia was witty, extremely sensitive, fiercely stubborn, and always somewhat haunted. She and Adam bonded over comedy from a young age, running skits

in their basement and obsessing over episodes of *The Simpsons*. When Adam sunk into a deep depression in college, it was Lydia who was able to reach him and pull him out. But years later as Adam’s career takes off, Lydia’s own depression overtakes her, and, though he tries, Adam can’t return the favor. When she takes her own life, the family is devastated, and Adam throws himself into his stand-up, drinking, and rage. He struggles with disturbing memories of Lydia’s death and turns to EMDR therapy to treat his post-traumatic stress disorder when he realizes there’s a difference between losing and losing it. Adam Cayton-Holland is a tremendously talented writer and comedian, uniquely poised to take readers to the edges of comedy and tragedy, brilliance and madness. *Tragedy Plus Time* is a revelatory, darkly funny, and poignant tribute to a lost sibling that will have you reaching for the phone to call your brother or sister by the last page.
