Edexcel a Year 1 & 2 Complete Revision & Practice with Online Edition

Coordination Group Publication
The complete package from Edexcel to support the concept-led approach for the new GCE Biology specification

Exam Board: OCR A: Complete Revision and Practice Edexcel

This series builds on the fact that pictures are easier to memorize than words. Each topic is summarized on a single page using annotated diagrams and concise

notes with a full index for easy reference.

Student Book OUP

Oxford

Endorsed by Edexcel Build investigative skills, test understanding and apply biological theory to topical examples with this

Edexcel Year 1 Student Book - Supports all 16 required practicals with activities and questions to help students explain procedures, analyse data and evaluate results -

Provides clear definitions, as well as explanations, of the meanings of all technical vocabulary needed for the new

specification - Helps bring students up to speed with a summary of prior knowledge and diagnostic questions at the start of each chapter - Offers

assessment guidance with Exam Practice Questions at the end of each chapter, graded by difficulty to support progression, along with Challenge Questions to stretch more able

students - Mathematical skills throughout and a dedicated 'Maths in Biology' chapter

explaining key concepts and methods - Develops understanding with free online access to Test yourself Answers, an Extended Glossary, Learning Outcomes and

Topic Summaries Edexcel A level Biology Student Book 1 includes AS level A2-Level Biology, Edexcel Edexcel

AS-Level Business Studies AQA Complete Revision & Practice

New 2015 A-Level Psychology: AQA Year 1 & 2 Complete Revision & Practice Coordination Group Publication

This revision and practice book is a useful way for students to prepare effectively for their AS Economics exams. It covers every Unit from the AQA, Edexcel and OCR courses, with clear, concise explanations and examples that make the subject easy to understand. There are also practice questions and exam-style questions for every topic (with outline answers at the back), plus advice for getting top marks in the AS exams.

A-Level Chemistry Philip Allan

This Complete Revision & Practice book for GCSE Biology includes manageable mini-sections of clear, concise study notes; easy recall questions to test progress; exam-style questions on each mini-topic; a full practice exam; detailed worked answers with hints; and

an easy-to-follow mark scheme. It is part of our astonishingly successful, market-leading premium revision range.
