Paulist Press
Have you ever
closed your
Bible and
thought, What
did I just read?
Whether

you're brand-
new to the
Bible or you
grew up in the
second pew,
reading
Scripture can
feel confusing

or boring at times. Understanding it well seems to require reading it thoroughly (and even repeatedly), but who wants to read something they don't understand? If you've ever wanted to read through the Bible or even just wanted to want to read it, The Bible Recap is here to help. Following a chronological Bible reading plan, these recaps explain and connect the story of Scripture,

section by section. Soon you'll see yourself as a child of God who knows and loves His Word in the ways you've always hoped for. You don't have to go to seminary. You don't need a special Bible. Just start reading this book alongside your Bible and see what God has to say about Himself in the story He's telling. "Tara-Leigh gets me excited to read the Bible. Period. I have found a trusted guide to walk me

into deeper understanding of the Scriptures."--
MICHAEL DEAN MCDONALD, the Bible Project
An Introduction to the Old Testament Prophetic Books Wm. B. Eerdmans Publishing
Leading evangelical mission experts offer a comprehensive theology of mission text, providing biblical, historical, and contemporary perspectives.

date, purpose, structure, genre) and overarching themes (e.g., heavenly archetypes and earthly copies, the use of the Old Testament, the attitude toward Judaism). The heart of the book then offers a chapter-by-chapter exposition of Hebrews. Unlike commentaries, it does not try to be exhaustive--examining all details and answering all questions--but instead guides students to

the issues that are most important for their study of this difficult book. Hagner concludes with a final look at the contribution of Hebrews to the New Testament, New Testament theology, the church, and the individual Christian. As with other volumes in the Encountering Biblical Studies series, Encountering the Book of Hebrews is designed for classroom use and includes a number of helpful

features, including further-reading sections, key terms, chapter objectives, and outlines along with numerous sidebars and illustrations. **Encountering Eve's Afterlives** Baker Books The book of Ecclesiastes speaks eloquently to the uncertainties and anxieties that people have experienced through the centuries. James Limburg brings this ancient book

to life for readers in our probing, questioning twenty-first-century times. He illuminates the contemporary existential themes in Ecclesiastes -- the quest for meaning in life, the incompleteness of our knowledge, the place of work in human lives, and the need to discover God amid life's uncertainties. A fresh, relevant discussion, arising from Limburg's extensive

teaching experience, Encountering Ecclesiastes is ideal for any reader seeking to understand the timeless wisdom of Ecclesiastes. **Encountering the Book of Psalms** InterVarsity Press Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. *Creation Out of Nothing* Baker Academic The uniqueness of the Gospel of

John is readily apparent. In contrast to the overlapping material in the Synoptic Gospels, John shares only about ten percent of its content with Matthew, Mark, and Luke. John's distinct focus on Jesus' life as the culmination of salvation history makes it "the theological pinnacle of the gospel tradition" and establishes its author, along with the apostle Paul, as one of the early church's foremost

theologians. Not a traditional commentary on the book, this volume, like others in the Encountering Biblical Studies series, is designed especially for classroom use. A lucid writing style and a number of pedagogical enhancements make this a perfect tool for helping students master the content and key interpretive issues of the Gospel of John. Like the other volumes in this series, the pedagogical usefulness of this work is enhanced by a number of features: * copious illustrative tables, maps, and photos * sidebars and excursuses that address difficult passages and important issues * an outline and objectives at the beginning of each chapter * study questions and key terms at the conclusion of each chapter * a comprehensive glossary and annotated bibliography * instructor's manual available on diskette

Encountering Jesus in the Scriptures
Baker Academic
Addresses the biblical, philosophical, and scientific bases for the doctrine of creation out of nothing, while countering contemporary trends that are assailing this doctrine.

The David Story: A Translation with Commentary of 1 and 2 Samuel
B&H Publishing Group

The acclaimed Dictionary of Scripture and Ethics (DSE), written to respond to the movement among biblical scholars and ethicists to recover the Bible for moral formation, offered needed orientation and perspective on the vital relationship between Scripture and ethics. This book-by-book survey of the Old Testament features key articles from the DSE, bringing together a stellar list of

contributors to introduce students to the use of the Old Testament for moral formation. It will serve as an excellent supplementary text. The stellar list of contributors includes Bruce Birch, Mark Boda, William Brown, Stephen Chapman, Daniel Harrington, and Dennis Olson.

An Introduction to the Old Testament Pentateuch
Baker Academic
A companion to the newly

revised and expanded second edition of Old Testament Survey, this student workbook features all-new exercises for seminary classroom settings, including map work, fill-in-the-blanks, etc. Professors should note this is all new text that is not connected to the previous edition of the workbook that accompanied the original 1992 edition of Old Testament Survey.

by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, *The Alchemist* has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a

worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams. *Ancient Near Eastern Thought and*

the Old Testament Baker Academic How can an evangelical view of Scripture be reconciled with modern biblical scholarship? In this book Peter Enns, an expert in biblical interpretation, addresses Old Testament phenomena that challenge traditional evangelical perspectives on Scripture. He then suggests a way forward, proposing an incarnational model of biblical

inspiration that takes seriously both the divine and the human aspects of Scripture. This tenth anniversary edition has an updated bibliography and includes a substantive postscript that reflects on the reception of the first edition.

Holy Bible (NIV) Baker Books

A comprehensive survey designed for the specific needs of college students incorporates revisions into

the text and on the accompanying CD-ROM to provide up-to-date study aids, bibliographies, notes and indexes.

Encountering the Old Testament

Zondervan This clear and readable introduction provides guidance on the history and theology of the book of Isaiah.

Encountering the Old Testament (Encountering Biblical Studies)

HarperCollins Leading evangelical

scholar John Walton surveys the cultural context of the ancient Near East, bringing insight to the interpretation of specific Old Testament passages. This new edition of a top-selling textbook has been thoroughly updated and revised throughout to reflect the refined thinking of a mature scholar. It includes over 30 illustrations. Students and pastors who want to deepen their

understanding of the Old Testament will find this a helpful and instructive study.

Encountering Ecclesiastes
InterVarsity Press
From the New York Times bestselling author of Nickel and Dimed comes a brave, frank, and exquisitely written memoir that will change the way you see the world. Barbara Ehrenreich is one of the most important thinkers of our

time. Educated as a scientist, she is an author, journalist, activist, and advocate for social justice. In *Living With a Wild God*, she recounts her quest—beginning in childhood—to find “the Truth” about the universe and everything else: What’s really going on? Why are we here? In middle age, she rediscovered the journal she had kept during her tumultuous adolescence, which records

an event so strange, so cataclysmic, that she had never, in all the intervening years, written or spoken about it to anyone. It was the kind of event that people call a “mystical experience”—and, to a steadfast atheist and rationalist, nothing less than shattering. In *Living With a Wild God*, Ehrenreich reconstructs her childhood mission, bringing an older woman’s wry and

erudite perspective to a young girl's impassioned obsession with the questions that, at one point or another, torment us all. The result is both deeply personal and cosmically sweeping—a searing memoir and a profound reflection on science, religion, and the human condition. With her signature combination of intellectual rigor and uninhibited imagination, Ehrenreich offers a true

literary achievement—a work that has the power not only to entertain but amaze. The God of the Old Testament Destiny Image Publishers Christianity Today 2023 Book Award Finalist (Bible & Devotional) Sheltering Mercy helps us rediscover the rich treasures of the Psalms--through free-verse prayer renderings of their poems and hymns--as a guide to personal devotion and meditation. The church

has always used the Psalms as part of its prayer life, and they have inspired countless other prayers. This book contains 75 prayers drawn from Psalms 1-75, providing lyrical sketches of what authors Ryan Whitaker Smith and Dan Wilt have seen, heard, and felt while sojourning in the Psalms. While each prayer corresponds to a particular psalm and touches on its themes and ideas, it is not

a new translation of the Psalms or an attempt to modernize or contextualize their content or language. Rather, the prayers are responses to the Psalms written in harmony with Scripture. These prayers help us quiet

our hearts before God and welcome us into a safe place amid the storms of life. This artful, poetic, and classic devotional book features compelling custom illustrations and beautiful hardcover binding,

offering a fresh way to reflect on and pray the Psalms. [Idolatry in the Pentateuch](#) Moody Publishers
Leading scholars provide an overview of current issues in Old Testament studies.
