Accident records were compiled over a 5-year period (1971-1975) to evaluate performance of light-post guiderail and median barrier, slipbase sign posts, frangible-base luminaire supports, and impact attenuation devices.

NBS Special Publication Thomas Telford

This contributed volume covers all relevant aspects of road vehicle automation including societal impacts, legal matters, and technology innovation from the perspectives of a multitude of public and private actors. It is based on an expert workshop organized by the

Transportation Research Board at Stanford University in July 2013. The target audience primarily comprises academic researchers, but the book may also be of interest to practitioners and professionals. Higher levels of road vehicle automation are considered beneficial for road safety, energy efficiency, productivity, convenience and social inclusion. The necessary key technologies in the fields of object-recognition systems, data processing and infrastructure communication have been consistently developed over the recent years and are mostly available on the market today. However, there is still a need for substantial research and development, e.g. with interactive maps, data processing, functional safety and the fusion of different data sources.

Driven by stakeholders in the IT industry, intensive efforts to accelerate the introduction of road vehicle automation are currently underway.

Do Me Double! Volume One: Ten Double Penetration Erotica Stories

Red Hot Explicit Erotica Press

Taken against my will...it's one of the darkest fantasies a woman can have, and the great thing about erotica is that these fantasies can be explored safely. Bestselling erotica author Jane Kemp has made a career exploring women's fantasies, from threesome sex to roleplay to husband shares. Her most controversial and bestselling stories place lovely women in extreme situations where events move quickly and NO isn't an option. In this scorching collection, the fantasy is in full swing, so

be sure to read all the way to the shocking conclusion to each of these red-hot stories. 1. TAKEN AT THE BEACH: Double Penetration by Two Lifeguards Keilani is getting frustrated. She'd one of the best lifeguard trainees, but it seems like the only thing anyone sees is her body! She's tired of her tits and ass getting in the way of real respect, and she's especially tired of two of the lifeguards, Tru and Jarrett; who seem to delight in messing her up! When she catches them rifling through her bag, she's ready to tear them a new one, but it's not their asses in jeopardy! In fact, the two men are ready to show Keilani what they love about her tits, her mouth, her pussy, and her ass; and this reluctant lifeguard sex will include a very rough introduction to double penetration

when Keilani is taken! 2. **TAKEN BY THE TRIPLETS: A Double Penetration** Gangbang Short Dara never thought she'd be a contestant on a dating show, but in a whirlwind of a day, she ends up with a wonderful man named Ben, who just might be the one for her. In fact, she agrees to meet with him after the cameras have all shut off. She didn't know that Ben is one of three brothers, triplets in fact, and these brothers share everything. In fact, they'll be sharing Dara tonight, double teaming and triple teaming her. She'll even have her first anal sex, in the form of a rough double penetration! 3. **TAKEN BY TWO SAILORS: A Reluctant Double Penetration** erotica story Kitty is a fine exotic dancer, and she's thrilled with the money she makes. She's not so thrilled with the clientele,

especially a couple of sailors who show her far too much attention. She's happy to be finished with her shift, but the sailor's aren't ready to be finished with her! Before the night is out, they'll be in her mouth, in her pussy, and in her ass as they introduce her to an MMF ménage encounter that gives this reluctant stripper her first taste of sailor sex—and her first reluctant double penetration! 4. **TAKEN IN THE PARK: A Reluctant Anal Pubic Sex** erotica story Tara is unhappy with her little dog. The damned thing wants to go for a walk at five-thirty in the morning, and Tara hasn't had a lot of sleep! Reluctantly, she takes him out to do his business, but she has no idea what's in store for her! On this walk, she'll meet a man who wants her body, and in her half-awake weakened state

she's willing. This man will take her tight virgin asshole, and he's not interested in the word, "No." Right in the park, Tara will have her first outdoor sex, a public sex experience complete with her first anal encounter! 5. TAKEN ON THE HIGHWAY: Double Penetration by the Boys in Blue Gaby is late for a shift, and nobody wants to be pulled over at three in the morning when it's dark and empty out on the highway. When two cops make it clear they're less interested in her driver's license than her ass, things get even scarier. Before the night is through, she'll have police cock in her throat, her pussy, and her ass! She may not be able to get to her shift on time, but she'll certainly get all of the attention these two men can offer!
