A semi-autobiographical romance between a French engineer and the daughter of a Hindu family with which he stayed in India. A case of East meets West with all the joys and woes that such encounters bring. For her version of the story see her novel, *It Does Not Die*.

A Wilderness Station Penguin

Gentleman thief and detective Arsène Lupin conspires to match wits with the great Victorian detective Sherlock Holmes in Maurice Leblanc's second collection of short stories. Brilliantly capturing each character's extraordinary skills, Leblanc offers readers an array of entertaining adventures. The eight tales include "Lottery Ticket No. 514," "Sherlock Holmes Opens Hostilities," "Second Arrest of Arsène Lupin," "The Jewish Lamp," and others. Mystery lovers will find Lupin and Holmes the most cunning duo in crime fiction.

Bengal Nights Penguin UK

In this magical debut, a couple's lives are changed forever by the arrival of a little girl, wild and secretive, on their snowy doorstep. Alaska, 1920: a brutal place to homestead, and especially tough for recent arrivals Jack and Mabel. Childless, they are drifting apart -- he breaking under the weight of the work of the farm; she crumbling from loneliness and despair. In a moment of levity during the season's first snowfall, they build a child out of snow. The next morning the snow child is gone -- but they glimpse a young, blonde-haired girl running through the trees. This little girl, who calls herself Faina, seems to be a child of the woods. She hunts with a red fox at her side, skims lightly across the snow, and somehow survives alone in the Alaskan wilderness. As Jack and Mabel struggle to understand this child who could have stepped from the pages of a fairy tale, they come to love her as their own daughter. But in this beautiful, violent place things are rarely as they appear, and what they eventually learn about Faina will transform all of them.

Fear Worry Stress These emotions can overwhelm and consume us. They fill our minds with unanswerable questions. What will I lose...my health? my family? my job? my home? Will our lives ever be normal again? What is "normal"? We live in a sin-sick world. Catastrophes surround us, but we can surrender our fears to Jesus. He is the answer to overwhelming fears that consume our energy, rob our joy, and ruin our health. Fear is an emotion. Faith is an attitude, and focus is a choice. Fear must give way to faith as we adjust our focus. If our eyes are focused on the problem, fear will overcome us. If our eyes are fixed upon Jesus,

the emotion of fear may still be present, but it will not cripple us. Fear will no longer dominate our lives. Discover with Pastor Mark Finley as he shows us that we have One who is larger than our fears, bigger than our worries, and greater than our anxieties by our side, and He has practical, down-to-earth, real solutions to our problems. We have the assurance of the One who said, "I will never leave you nor forsake you" (Hebrews 13:5).

The story of a boy who did not want to become a priest; the masterpiece of Romania's greatest storyteller. Recollections from Childhood (original title in Romanian, *Amintiri din copilărie*) is a highly entertaining recount of the author's idyllic childhood, disrupted by his parents' ambitions to have him enter priesthood."One of the main literary contributions of Romanian author Ion Creangă. The largest of his two works in the memoir genre, it includes some of the most recognizable samples of first-person narratives in Romanian literature, and is considered by critics to be Creangă's masterpiece." --Wikipedia

A bestselling love story of two teenagers - and one missing dog - on the run in Jerusalem by the highly esteemed author of *The Zigzag Kid* 'Brings together the differing aspects of his writing in a book that unites social realism and dizzy teenage romance ... This is a book about feelings, about highs and lows, chemical, emotional, religious' Daily Telegraph Earnest, awkward and painfully shy, sixteen-year-old Assaf is having the worst summer of his life. With his big sister gone and his best friend suddenly the most popular kid in their class, Assaf spends his days at a lowly summer job in Jerusalem City Hall and his evenings alone, watching television and playing games on the Internet. One morning, Assaf's routine is interrupted by an absurd assignment: to find the owner of a stray yellow labrador. Meanwhile on the other side of the city, Tamar, a talented singer with a lonely, tempestuous soul, undertakes an equally unpromising mission: to rescue a young drug addict from the Jerusalem underworld ... and, eventually, to find her dog.

Poet of the Lost Cause Knopf Books for Young Readers

Narcissus and Goldmund is the story of a passionate yet uneasy friendship between two men of opposite character. Narcissus, an ascetic instructor at a cloister school, has devoted himself solely to scholarly and spiritual pursuits. One of his students is the sensual, restless Goldmund, who is immediately drawn to his teacher's fierce intellect and sense of discipline. When Narcissus persuades the young student that he is not meant for a life of self-denial, Goldmund sets off in pursuit of aesthetic and physical pleasures, a path that leads him to a final, unexpected reunion with Narcissus.

A Boy Called Christmas Simon and Schuster

As President Trump's National Security Advisor, John Bolton spent many of 453 days in the room where it happened, and the facts speak for themselves. The result is a "scathing and revelatory" (The New Yorker) White House memoir that is the most comprehensive and substantial account of the Trump Administration, and one of the few to date by a top-level official. With almost daily access to the President, John Bolton has produced a precise rendering of his days in and around the Oval Office. What Bolton saw astonished him: a President for whom getting reelected was the only thing that mattered, even if it meant endangering or weakening the nation. "I am hard-pressed to identify any significant Trump decision during my tenure that wasn't driven by reelection calculations," he writes. In fact, he argues that the House committed impeachment malpractice by keeping its prosecution focused narrowly on Ukraine when Trump's Ukraine-like transgressions existed across the full range of his foreign policy—and Bolton documents exactly what those were, and attempts by him and others in the Administration to raise alarms about them. He shows a President addicted to chaos, who embraced our enemies and spurned our friends, and was deeply suspicious of his own government. In Bolton's telling, all this helped put Trump on the bizarre road to impeachment. "The differences between this presidency and previous ones I had served were stunning," writes Bolton, who worked for Reagan, Bush 41, and Bush 43. He discovered a President who thought foreign policy is like closing a real estate deal—about personal relationships, made-for-TV showmanship, and advancing his own interests. As a result, the US lost an opportunity to confront its deepening threats, and in cases like China, Russia, Iran, and North Korea ended up in a more vulnerable place. Bolton's "first tell-all memoir by such a high-ranking official" (The New York Times) starts with his long march to the West Wing as Trump and others woo him for the National Security job. The minute he lands, he has to deal with Syria's chemical attack on the city of Douma, and the crises after that never stop. As he writes in the opening pages, "If you don't like turmoil, uncertainty, and risk—all the while being constantly overwhelmed with information, decisions to be made, and sheer amount of work—and enlivened by international and domestic personality and ego conflicts beyond description, try something else." The turmoil, conflicts, and egos are all there—from the upheaval in Venezuela, to the erratic and manipulative moves of North Korea's Kim Jong Un, to the showdowns at the G7 summits, the calculated warmongering by Iran, the crazy plan to bring the Taliban to Camp David, and the

placating of an authoritarian China that ultimately exposed the world to its lethal lies. But this seasoned public servant also has a great eye for the Washington inside game, and his story is full of wit and wry humor about how he saw it played.

From the author of *Little Women*: An American classic of young best friends in a rustic New England town. In post-Civil War New England, thirteen-year-old Jack Minot and Janey Pecq are inseparable best friends who live next door to each other in the town of Harmony Village. The pair does everything together—so much so that Janey is nicknamed “Jill” to fit the old children’s rhyme. One winter day, the friends share a sled down a treacherous hill and both end up injured and bedridden. Unable to go out and have fun, Jack, Jill, and their circle of friends begin to learn about more than the fun and games of their youth and discover what it means to grow up—exploring their town, their hearts, and the big, wide world beyond for the first time. This charming, wistful coming-of-age tale, written twelve years after Louisa May Alcott’s classic *Little Women*, examines the strange, tempestuous changes of adolescence with homespun heart and worldly wisdom.

Before there was Santa Claus, there was a young boy who believed in the impossible. . . . Lemony Snicket meets Klaus in this warmhearted Christmas caper. Eleven-year-old Nikolas—nicknamed “Christmas”—has received only one toy in his life: a doll carved out of a turnip. But he’s happy with his turnip doll, because it came from his parents, who love him. Then one day his father goes missing, and Nikolas must travel to the North Pole to save him. Along the way, Nikolas befriends a surly reindeer, bests a troublesome troll, and discovers a hidden world of enchantment in the frozen village of Elfhelm. But the elves of Elfhelm have troubles of their own: Christmas spirit and goodwill are at an all-time low, and Nikolas may be the only person who can fix things—if only he can reach his father before it’s too late. . . . Sparkling with wit and warmth, *A Boy Called Christmas* is a cheeky new Christmas classic-in-the-making from acclaimed author Matt Haig and illustrator Chris Mould. “Irresistibly readable. Destined to become a Christmas and anytime-before-or-after-Christmas classic!” --Chris Grabenstein, *New York Times* bestselling author of *Escape from Mr. Lemoncello’s Library* “The definitive (and funny) history of ho, ho, ho! My children loved it.” —Yann Martel, bestselling author of *Life of Pi* “The most evergreen, immortal Christmas story to be published for decades.” —Stephen Fry “Humorous and heartfelt, *A Boy Called Christmas* will grow your heart three sizes and make you believe in magic.” --Liesl Shurtliff, *New York Times* bestselling author of *Rump* “Matt Haig has an empathy for the human condition, the light and the dark of it, and he uses the full palette to build his excellent stories.”—Neil Gaiman, Newbery-winning author of *The Graveyard Book*

The short story “Kononov” (1897) is an example of Maxim Gorky’s autobiographical writing, depicting the suicide of a quiet prisoner, Kononov, whom Gorky decides to immortalize on the page. The narrative follows the chronological life of the main character, constructed from the memory of the narrator himself, adding a tinge of authenticity. The story brings some existentialist philosophies to mind, coating the ordinary situations with an air of nostalgia and universality, so characteristic of Gorky’s entire oeuvre. Maxim Gorky has its place among the most talented and original Russian modern writers. A five-time Nobel Prize nominee, Gorky’s position in Russian literature is undisputable. He led a turbulent life of an exile, a dissenter, and a Bolshevik associate, which severely marked his literary endeavours. A strong supporter of Russia’s political, social, and cultural transformation, Gorky’s name still echoes in the annals of history. His best-known works include “The Lower Depths”, “My Childhood”, “Mother”, and “Children of the Sun”.
