Baseball, basketball, football — no matter the game, Jackie Robinson excelled. His talents would have easily landed another man a career in pro sports, but in America in the 1930s and '40s, such opportunities were closed to athletes like Jackie for one reason: his skin was the wrong color. Settling for playing baseball in the Negro Leagues, Jackie chafed at the inability to prove himself where it mattered most: the

major leagues. Then in 1946, Branch Rickey, manager of the Brooklyn Dodgers, decided he was going to break the “rules” of segregation: he recruited Jackie Robinson. Fiercely determined, Jackie faced cruel and sometimes violent hatred and discrimination, but he proved himself again and again, exhibiting courage, restraint, and a phenomenal ability to play the game. In this compelling biography, award-winning author Doreen Rappaport chronicles the extraordinary life of Jackie Robinson and how his achievements won over — and changed — a segregated nation.

new house isn't just a house. Long ago, it was the Piven Institute for the Care and Correction of Troubled Females -- an insane asylum nicknamed "Hysteria Hall." However, many of the inmates were not insane, just defiant and strong willed. Kind of like Delia herself. But the house still wants to keep "troubled" girls locked away. So, in the most horrifying way, Delia becomes trapped. And that's when she learns that the house is also haunted. Ghost girls wander the hallways in their old-fashioned nightgowns. A handsome ghost boy named Theo roams the grounds. Delia learns that all the spirits are unsettled and full of dark secrets. The house, too, harbors shocking truths within its walls -- truths that only Delia can uncover, and that may set her free. And she'll need to act

quickly -- before the house's power overtakes everything she loves. Katie Alender brings heart-pounding suspense, gorgeous writing, and a feminist twist to this tale of memories and madness.

Because of Mr. Terupt Yearling Jimmy McClean is a Lakota boy—though you wouldn't guess it by his name: his father is part white and part Lakota, and his mother is Lakota. When he embarks on a journey with his grandfather, Nyles High Eagle, he learns more and more about his Lakota heritage—in particular, the story of Crazy Horse, one of the most important figures in Lakota and American history. Drawing references and inspiration from the oral stories of the Lakota tradition, celebrated author Joseph Marshall III juxtaposes the contemporary story of Jimmy with an insider's perspective on the life of Tasunke Witko, better known as Crazy Horse (c. 1840–1877). The book follows the heroic deeds of the Lakota leader who took up arms against the US federal

government to fight against encroachments on the territories and way of life of the Lakota people, including leading a war party to victory at the Battle of the Little Bighorn. Along with Sitting Bull, Crazy Horse was the last of the Lakota to surrender his people to the US army. Through his grandfather's tales about the famous warrior, Jimmy learns more about his Lakota heritage and, ultimately, himself.
