How do you love the people in your life who are hard to love? We're never going to be able to prevent people from saying or doing things that hurt our feelings. We will always have opportunities to get offended. But if we do things God's way, we can choose to save ourselves a lot of misery and hardship. This doesn't mean we allow people to abuse us. No, there is a time for confronting people and dealing with situations. However, the Bible commands us to love our enemies and forgive those who have wronged us, even when it feels impossible.

Everything the Lord asks us to do in the Bible is ultimately for our good. In fact, when we choose to love our enemies and forgive those who have hurt us, we are actually helping ourselves more than anyone else. Because whatever the Lord commands us to do, He is going to give us the power of the Holy Spirit to accomplish it—and that includes loving and being good to difficult people! God's love flowing through us is strong enough to melt even the hardest hearts, so use kindness as a weapon to overcome the meanness in people.

We all are runners in life. We must have goals to achieve, whether they are business, job, career, finding the right person to start a family with, or reaching an economic and social level, among other goals. In order to get them, we must make the first step. To figure out how to overcome difficulties that may appear on our path, we only must proceed with the certainty that we will achieve what we proposed and believe that we'll get it and that any obstacle or mental cluster will be overcome with our faith. The race of life is to know how to run it and to be focused on the goal. It will teach you how to deal with the trials when tiredness and pain surround you. You may change your steps or pace but never your vision toward your goals or dreams. You may take a pause to refresh yourself, to catch up your breath, or to deeply remove habits that may be burdens or obstacles that hold you from advancing. Todos somos corredores en la vida. Todos tenemos metas que

alcanzar, pueden ser un negocio, un trabajo, una carrera universitaria, encontrar la pareja correcta para formar un hogar, al cansar un nivel económico y social, entre otras metas. De manera que para llegar a obtenerlas tenemos que dar el primer paso. Saber vencer las dificultades que se encuentran a nuestro paso, tenemos que avanzar solo con la certeza de que lograremos lo que nos proponemos y creer que llegaremos; entonces cualquier obstáculo o barrera mental se sobre pasa con nuestra fe. La carrera de la vida hay que saber cómo correrla, es permanecer enfocado en la meta, eso te enseñará como tratar las dificultades en el trayecto cuando el cansancio y el dolor te agobie. Puedes cambiar el paso o el ritmo pero nunca tu visión a tus metas o sueños. Puedes hacer una pausa para refrescarte, respirar profundamente, despojarte de hábitos arraigados que te sean carga u obstáculos que no te dejen avanzar.

When facing life's battles, there are certain things you must do for

yourself, such as: Diligently studying and applying God's Word Trusting Him Praying Maintaining a positive attitude and thankful heart But there are other things only God can do. Live boldly in the love of Christ with Bible teacher and #1 New York Times bestselling author Joyce Meyer. What keeps women from feeling and being their best? For years, Joyce has been helping women better identify emotional barriers and physical, mental, and spiritual obstacles in their lives. Now she provides another answer: Confidence. Our society has an insecurity epidemic. Women in particular compensate by pretending to be secure--a common response--which only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and can even lead to divorce. In *Confidently You*, Joyce explores the characteristics of a woman with confidence, which include a woman who

knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith in God and in ourselves. Derived from material previously published in *The Confident Woman*.

How many of us can honestly say we do not suffer from at least one of the following: Colds or viruses each year Allergies or hay fever Extra pounds that won't come off Restless nights Recurrent indigestion, constipation, or irritable bowel syndrome Itchy skin, acne, or any other troubling skin condition Depression, anxiety, or frequent fatigue If you were to seek medical advice for any of the above, you would likely be prescribed pills, topical lotions, injections, or even surgery. Such treatments are used to manage the symptoms and do not address the root of the problem. Too often, doctors treat these common ailments as inevitable costs of living a modern life. The result is a patchwork approach to health care

that has become the norm. In *Clean*, a New York City cardiologist and a leader in the field of integrative medicine, Dr. Alejandro Junger offers a major medical breakthrough. Dr. Junger argues that the majority of these common ailments are the direct result of toxic buildup in our systems accumulated through the course of our daily lives. As the toxicity of modern life increases and disrupts our systems on a daily basis, bombarding us through our standard American diet and chemical-filled environments, our ability to handle the load hasn't accelerated at the same rapid pace. The toxins are everywhere, but *Clean* offers a solution. *Clean* is an M.D.'s program that provides all the tools necessary to support and reactivate our detoxification system to its fullest capabilities, and can be easily incorporated into a busy schedule. The effect is transformative: nagging health problems will suddenly disappear, extra weight will drop away, and for the first time in our lives we will experience what it truly means to feel healthy. Every day spent on the *Clean* program is a major step in healing not just the symptom but the root of the problem, effectively and simply. Dr. Junger's life-changing program restores what rightfully belongs to you—your health, vitality, and peace of mind.

Our lives would be much improved if we controlled them. In *LIVING BEYOND YOUR FEELINGS*, Joyce Meyer examines the gamut of feelings that human beings experience. She discusses the way that the brain processes and stores memories and thoughts, and then - emotion by emotion - she explains how we can manage our reactions to those emotions. By doing that, she gives the reader a

toolbox for managing the way we react to the onslaught of feelings that can wreak havoc on our lives. In this book, Meyer blends the wisdom of the Bible with the latest psychological research and discusses: the 4 personality types and their influence on one's outlook, the impact of stress on physical and emotional health, the power of memories, the influence of words on emotions, anger & resentment, sadness, loss & grief, fear, guilt & regret, the power of replacing reactions with pro-actions, and the benefits of happiness.
