The book that inspired
the major new motion
picture Mandela: Long
Walk to Freedom.

Nelson Mandela is one
of the great moral and
political leaders of our
time: an international
hero whose lifelong
dedication to the fight
against racial
oppression in South
Africa won him the
Nobel Peace Prize and
the presidency of his
country. Since his
triumphant release in
1990 from more than a
quarter-century of
imprisonment, Mandela

has been at the center
of the most compelling
and inspiring political
drama in the world. As
president of the African
National Congress and
head of South Africa's
antiapartheid
movement, he was
instrumental in moving
the nation toward
multiracial government
and majority rule. He is
revered everywhere as
a vital force in the fight
for human rights and
racial equality. LONG
WALK TO FREEDOM is
his moving and
exhilarating
autobiography,
destined to take its
place among the finest
memoirs of history's
greatest figures. Here
for the first time,
Nelson Rolihlahla
Mandela tells the
extraordinary story of
his life--an epic of
struggle, setback,
renewed hope, and

ultimate triumph.

The book has been designed topic and subtopic-wise, keeping the students' needs in mind. The current edition has certain unique features: Each chapter starts with a

To Do list. It gives the central idea of the chapter and the way it has been addressed. Each chapter is divided into several sections corresponding to different components of the syllabus. Each chapter is splashed with HOTS. This is to promote clarity of the basics. Focus Zones in each chapter present a crux of the concepts. Blocks in each chapter include matter of special significance. Power Points and Revision Window offer a quick glance of the subject matter. 'Exercise' is tuned to the pattern of examination. Answers to important questions focus on the technique of writing. The exercise includes: objective type questions (remembering & understanding based

questions), divided into five sections: (a) multiple choice questions, (b) fill in the blanks, (c) true or false, (d) matching the correct statements, (e) 'very short answer' objective type questions reason-based questions HOTS & applications analysis & evaluation CBSE questions (with answers or reference to the text for answers) NCERT questions (with hints to answers) miscellaneous and add-on questions (with hints or reference to the text for answers) Dos and Don'ts (at the end of each chapter) should serve as a safeguard against misinterpretation of the concepts. Ability Zone is a uniquely designed section at the end of the chapter. This raises the

difficulty level, of course, but should serve as a useful material for the outstanding learners. Solved & Unsolved numericals are given to boost a grip on the subject.

"This inspiring story introduces Ron, an average guy, who is increasingly disturbed by social media updates from his peers

and feels he is not doing as well in his own life. He feels stuck in his day-to-day routine and is struggling to accept if that is all life had to offer, after all the hard work that he put in over the years to establish himself. Although his life is comfortable, he feels something is missing within the entire scheme of things. One day, through a 'magical meeting', he is introduced to the step-by-step approach to finding one's answers. Ron embarks on this journey, becomes his best self and in the process, discovers his life purpose, a sense of passion and everlasting contentment. The book offers those key concepts from the science of achievement

and personal development that can have maximum impact on your life. In addition, simple exercises have been provided, each of which can be integrated into your busy day-to-day lives. If you are new to self-help and personal

development, this book will provide you with most of what you need to become your best self and continue pushing further. If you are already a self-help enthusiast, this book will serve as a quick reminder of the core principles and high-impact exercises."
