*A Novel* Park Ridge, Ill. : Pallma Music Corporation N. A. Kjos

To many Christians the Old Testament is a mysterious document, a treasure hidden in the dust of antiquity. It is historical, it tells the story of ancient Israel but has it anything to do with me? Seeing the Big Picture is the story of one man's voyage of discovery. The Bible as a whole is the dramatic story of redemption, which comes to a climax in the New Testament. In every book of the Old Testament the theme of the coming of Christ is there, burning brightly like a lamp in the darkness, heralding the day when the glory of the Christ would burst majestically forth. Suddenly I saw that this was truly one story. It was almost as if someone had turned a light on. I could see things much more clearly and so many aspects of the New Testament study were brought into such clear focus that I understood as never before.

The first chapter-volume of Dorothy Richardson's thirteen-volume novel series *Pilgrimage*, *Pointed Roofs* is a coming of age story.

The protagonist is Miriam Henderson, seventeen years old.

*Pointed Roofs* tells the tale of Miriam's first adventure as an adult, teaching English at a finishing school in Hanover, Germany.

Though the tale is simple, it is not simply told; to capture the intensity of Miriam's seemingly mundane experiences, Richardson developed a new narrative technique labelled "stream of consciousness" by the author May Sinclair. *Pointed Roofs* is a compelling account of a young woman's dawning consciousness of what it means to be independent, an individual, and a woman in the early twentieth century. This Broadview Edition places Richardson's inventive narrative technique in the context of early twentieth-century literary modernism, showing the "startling newness," in May Sinclair's words, of Richardson's writing. Letters from Richardson to friends, publishers, and critics show the complex relationships between her work and life.

Amanda and Sam watched silently as the truck rounded the corner and disappeared behind the church. In the deep recesses of her memory, Amanda heard the voice of her grandmamma from long ago, saying, 'Joy comes to those who dream, destruction to those who scheme.' As a child, Amanda always knew that she wanted to be a mother. Growing up through the twenties and into the Great Depression, Amanda is a headstrong woman in a world that doesn't want to accept her. Now she is

trapped in a loveless marriage far away from the family who cares about her. While her husband, Sam, is paying more attention than Amanda likes to another woman, Luke, Sam's brother, is the only one who makes Amanda feel like she's loved. Dreaming of a way to bring joy into her life, Amanda dares to enter into a conspiracy that sinks her and Sam even further into deceit and lies. Will Amanda be able to make something out of her life and find true happiness? Or is she already too far down a path that will lead to nothing but destruction for her and her family? Verla Powers's moving story of a wife's desire to become a mother will captivate and inspire anyone who has unfulfilled dreams.
