## LACI YAMILET

*The Guile of Man (cold Sweat)* Black Freighter Productions

A New York Times Most Anticipated Book of the Summer A taboo-busting romp through the shame, stink, and strange science of sweating. Sweating may be one of our weirdest biological functions, but it's also one of our most vital and least understood. In *The Joy of Sweat*, Sarah Everts delves into its role in the body—and in human history. Why is sweat salty? Why do we sweat when stressed? Why do some people produce colorful sweat? And should you worry about Big Brother tracking the hundreds of molecules that leak out in your sweat—not just the stinky ones or alleged pheromones—but the ones that reveal secrets about your health and vices? Everts's entertaining investigation takes readers around the world—from Moscow, where she participates in a dating event in which people sniff sweat in search of love, to New Jersey, where companies hire trained armpit sniffers to assess the efficacy of their anti-sweat products. In Finland, Everts explores the delights of the legendary smoke sauna and the purported health benefits of good sweat, while in the Netherlands she slips into the sauna theater scene, replete with costumes, special effects, and towel dancing. Along the way, Everts traces humanity's long quest to control sweat, culminating in the multibillion-dollar industry for deodorants and antiperspirants. And she shows that while sweating can be annoying, our sophisticated temperature control strategy is one of humanity's most powerful biological traits. Deeply researched and written with great zest, *The Joy of Sweat* is a fresh take on a gross but engrossing fact of human life.

**3 A.m. Recollections and Ruminations** Pearson UK

The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society.

*Late Company* McGraw Hill Professional

Letitia "Tish" Jones was one of the most talented classical pianists of her time but it had come at a cost. The price she paid stripped her of her passion for music and she'd do anything to get it back. Almost anything. Going on hiatus with the band Raging Thunder as their keyboardist, isn't what she had in mind. Taking on a new identity, she finds a new passion—a man willing to help her but unwilling to open his heart. When an outside influence threatens her progress, he walks away and she's forced to stand alone to fight it. Johnny Scalera, the popular and charismatic drummer for the heavy metal band, is geared up for the second leg of their tour but there's a problem. Sales are down, reviews are less than stellar and the blame is on his shoulders. Tish's stage fright is laid there as well, and against his better judgment, he puts all his efforts into helping her. The plan: to walk away when it's done and pick up right where he left off. When it hits him Tish is all he wants, he chases after her. But the woman he finds is different than the one he left. Now able to stand on her own, she doesn't need him anymore. What lengths will he go, to change her mind?

*Cold Sweat* ABDO

The influence of various natural and man-made textile fiber types on sweat production, evaporation of sweat and sweat accumulation in the clothing of man during alternating work and rest in the cold was studied. The effect on human heat loss of evaporation of sweat accumulated in different clothing layers was measured on a thermal manikin. Textile material had a significant effect on both the amount of sweat accumulating in the multi-layer clothing ensemble during work in the cold, and on the place where sweat accumulated. The location of the accumulated sweat in the clothing ensemble significantly influenced the heat loss from the thermal manikin during the consecutive drying period. This was explained by a lower efficiency of evaporative cooling of the skin the further away the sweat was located.

*In a Cold Sweat* BookRix

A practical and humorous guide to managing in today's fast-paced world presents step-by-step

techniques for communicating more effectively, setting priorities, and balancing conflicting demands while avoiding pitfalls that take up unnecessary time. 25,000 first printing.

*Cold Sweat* Knopf Books for Young Readers

Chilling retold tales from literature and legend will entertain and unnerve readers. The spooky stories include works by Washington Irving, Charles Dickens, Edgar Allan Poe, and Bram Stoker.

**My Father James Brown and Me** iUniverse

*Cold Sweat* By Peter Linzmeyer Absolutely hilarious! Chas Lingoover is a skinny kid who is "knee high to a grasshopper" and thinks he knows a lot about most everything. His hometown of North Bucklore is populated by a bunch of sketchy, but mostly harmless, personalities who resemble characters in the reader's own town. As the wildly humorous short stories and illustrations reveal, Chas lands in trouble at every turn: while trying to fix a cuckoo clock given to his mother as a wedding gift by her dear Aunt Edna; attending a concert performed by the volunteer North Bucklore Symphony Orchestra (who else but Chas would get into trouble at a concert?); running an errand to Buddha's sausage shop; or engaging in other activities, which for most kids his age would be non-eventful – but not for Chas. About fifty years later, we meet Chas as a grandpa with the same embarrassing characteristics. Grandpa Chas cannot seem to get it quite right, whether putting up and decorating the Lingoover Christmas tree or running a simple errand involving his daughter's wedding dress. Also included in the illustrated stories are the adventures of Professor Clem and his wife, Hilda, who thinks the good Professor is a "fruitcake" and other North Bucklore dignitaries. Find out how he deals with the impending end of the world and other momentous situations. A selection of Peter's poems, also presented with his brother's amusing drawings, delightfully complements the short stories in this very entertaining book. Readers of every age will find someone in the stories who is not so unlike a family member, school buddy, fellow employee, or member of a local sports or social club.

*A Sweatdrop Anthology about Human Emotion* Cold SweatMy Father James Brown and Me

The most popular annual guide of its kind—fully revised and updated to reflect all new clinical developments in every field of medicine For 60+ years, *CURRENT Medical Diagnosis and Treatment*—the flagship volume of the renowned Lange medical series—has been delivering the authoritative information students, residents, and clinicians need to build their medical knowledge, expertise, and confidence. Written by top experts in their fields, this unmatched guide is formatted in a way that enables you to find the answers you need quickly and easily. *CURRENT Medical Diagnosis and Treatment 2022* focuses completely on solving practical bedside clinical issues without spending too much time on pathophysiology. It includes full review of all primary care topics, including gynecology, obstetrics, dermatology, ophthalmology, otolaryngology, psychiatry, neurology, toxicology, and urology. You'll find everything you need to know about inpatient and outpatient care, along the with the most relevant diagnostic tools for day-to-day practice. Features: 320 images Hundreds of quick-access drug treatment tables, with indexed tradenames and updated drug prices Includes an annual review of advances in HIV treatment Includes Essentials of Diagnosis for most diseases/disorders Diagnostic/treatment algorithms present critical information in an at-a-glance format Up-to-date references provide peer-reviewed, evidence-based information "Electronic only" chapters available to all book customers, not just to CMDT online subscribers Expanded chapter content available online and in ebook for all chapter content

**In a Cold Sweat** Basic Books (AZ)

Seventeen-year-old Hope Craig is deaf and training hard to make the biathlon Olympic Team. But when she is kidnapped from the groomed trails and taken to a remote cabin in the mountains, she must battle more than the elements to survive. On the hunt for her daughter's abductor, Colonel Amelia Matheson enlists the help of Richmond Morgan, a local Sheriff who once hurt her. To find Hope, Sheriff Morgan and Colonel Matheson must untangle a web of secrets, including their own. Using her wits and skills, Hope sets out to escape the mountains and save the man her mother had

sent to rescue her – a man who is not who he appears to be.

**Scarface [dvd].** Faithworks

Mike Black is still grieving the brutal murder of his wife, Shy. A murder that he was accused of committing. Having dealt with the men who actually committed the crime, Black is still haunted by the fact that the people behind her death are still breathing. Black vows to find those responsible and deal with them accordingly. Now the proud father of a baby girl, Black knows that his actions affect more than just him. Can Black exact revenge and still be a father to his daughter? Can he keep her safe from the men who want to do to her...and to him...what they did to her mother?

Souls of Lions Chicago Review Press

It was a name that caused the most hardened gunmen to break out in a cold sweat. Chick Bowdrie. He could have ridden the outlaw trail, but the Texas Rangers recruited him because they didn't want to have to fight against him. Pursuing the most wanted men in the Southwest he knew all too well the dusty trails, the bitter cattle feuds, the desperate killers and the quiet, weather-beaten, wind-blasted towns that could explode into actions with the wrong word. He had sworn to carry out the law, but there were times when he had to apply justice with his fists and his guns. They called in the Rangers to handle the tough ones and there was never a Ranger tougher or smarter than Bowdrie.

**Lined - 8.5 X 11 - 70 Sheet** Dorrance Publishing

THE STORY: Frustrated in her attempts to deal honestly with terminal patients, Dr. Alice Franklin is dismissed from one hospital and moves on to another, only to find herself faced once again with the same dilemma--a cancer patient who is held hosta

The Outsiders Bantam

The Mystery, Inc. team investigates a monster threatening a film star at an exclusive spa, and travel to Tokyo in search of the shards of the powerful gem known as the Dragon's Eye.

**Hot springs, cold sweat** Champagne Books

In cold environment ( -15 deg C, air velocity 2.5 m/s) interval exercise with exercise/rest periods of 30/30 minutes caused greater accumulation of sweat into clothing during a 120 minutes exercise/rest protocol as compared to 10/10 minutes exercise/rest protocol. The amount of sweating body temperature and physiological strain were comparable in the two protocols. These findings suggest that the evaporation of sweat from clothing during prolonged interval exercise in cold environment can be an important factor affecting thermal protection.

Cold Sweat [dvd] Hal Leonard Corporation

While working out in Bayport's new superspa, Frank and Joe Hardy begin to suspect that an underworld gang is trying to take control of the business.

Cold Sweat W. W. Norton & Company

**#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME**

The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist--books. With the help of her accordion-playing foster father,

she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Cold Sweat Kensington Books

Being the child of a global superstar is never easy. Being the daughter of the Godfather of Soul—that's a category unto itself. Like every little girl, Yamma Brown wanted her father's attention, but fame, drugs, jail, and the complicated women in James Brown's life set the stage for an uncommon childhood. *Cold Sweat* is about how Yamma rose to meet every challenge. Though packed with celebrity appearances ranging from Michael Jackson to Al Sharpton, *Cold Sweat* is not just a celebrity book. It focuses on an everyday issue faced by millions of women—domestic violence—and in this book Yamma faces it in an honest and powerfully moving way. Dealing with a complex and famous father eventually took a backseat to coping with her own abusive and deceitful marriage. *Cold Sweat* is about how Yamma got caught in the same trap as her mother, doing things in her adult life that, as a child, she'd promised herself she'd never do. But at the same time, Yamma learned valuable lessons about life from her father. The struggles she went through, both as a child and as an adult, make for a gripping read and, in the end, a profound examination of the nature of celebrity, violence, and survival.

The Hardy Boys Casefiles Perfection Learning

When you wake up in a cold sweat at night and you think someone is watching you, well it's me. I'm watching you. And that cold sweat on your body, those are my tears. When the Shaun-Hastings sit down to dinner with the Dermots, closure is on the menu but recrimination becomes the main course. As their good intentions are stripped away, both couples' culpability in a tragedy is laid bare. At a dinner party where grief is the loudest guest, *Late Company* asks the question: How well can a parent ever know their child? Jordan Tannahill's *Late Company* received its European premiere at the Finborough Theatre, London, in April 2017 and transferred to the Trafalgar Studios, London, in August of the same year.

(The Strange Misadventures of Grandpa Chas, Professor Clem, and Others) Faber & Faber

Mia and her good friend Yvette set out for euphoric fun evening on a Saturday night.

Overwhelmingly, a hip-hop rap concert was underway at a Los Angeles nightspot, compelled to engage in the harmonic chamber of lyrics, they encountered a couple of guys whose motive was to delight them in a pleasurable affair. Consequently, one of the guys whose name was Adric became quite intrigued with Mia and pursued a relationship with her, falling madly in love and showering her with exquisite gifts. Caught up in the material world, they became quite inseparable but bewilderingly, Mia got a rude awakening when she witnessed Adric's eccentric and brutal behavior.
