The author of the international bestsellers

Watching the Tree and Falling Leaves has always been fascinated by proverbs and their importance and use in China. Both her book titles are based on such proverbs.

Falling Leaves Return to Their Roots

Jung-ling's family considers her bad luck because her mother died giving birth to her. They discriminate against her and make her feel unwanted yet she yearns and continuously strives for her parents' love. Her stepmother is vindictive and cruel and her father dismissive. Jung-ling

grows up to be an academic child, with a natural ability for writing. Only her aunt and grandfather offer her any love and kindness. The story is of survival in the light of the mental and physical cruelty of her stepmother and the disloyalty of her siblings. Jung-ling blossoms in spite of everything and the story ends as her father agrees to let her study in England. A Puffin Modern Classic edition of this bestselling autobiography, celebrating ten years of publication.

Ties That Bind, Ties That Break Penguin

From the author of *Ophelia* and the *Marvelous Boy* comes the story of a friendship between two girls set in Victorian England, with magical machines, wizards, witches, a mysterious underworld, and a race against time. Annabel Grey is primed for a proper life as a young lady in Victorian England. But

when her mother suddenly disappears, she's put in the care of two eccentric aunts who thrust her into a decidedly unladylike life, full of potions and flying broomsticks and wizards who eat nothing but crackers. Magic, indeed! Who ever heard of such a thing? Before Annabel can assess the most ladylike way to respond to her current predicament, she is swept up in an urgent quest. Annabel is pitted against another young witch, Kitty, to rescue the sacred Moreover Wand from the dangerous underworld that exists beneath London. The two girls outsmart trolls, find passage through a wall of faerie bones, and narrowly escape a dragon, but it doesn't take long for Annabel to see that the most dangerous part of her journey is her decision to trust this wild, magical girl. Sparkling with Karen Foxlee's enchanting writing, this is a bewitching tale of one important wand and two most magical girls. "[Foxlee's] heroines have grit and heart, and they are willing to get dirty. And they do. Foxlee's nicely wry tone and moments of incongruous humor break up the tension, while Annabel's race against time in a harrowing journey deep under London keeps the pages turning.

Deliciously complex and convincingly detailed."--Kirkus Reviews, Starred Review "Kids who enjoyed Foxlee's *Ophelia* and the *Marvelous Boy* and fans of *Hardinge's Cuckoo Song* will find similar otherworldly appeal in this enthralling adventure."--The Bulletin, Starred review "Memorable for its vivid imagery and stylish, thoughtful prose."--Horn Book Magazine

The Travelers Disney Electronic Content Third Sister in the Tao family, Ailin has watched her two older sisters go through the painful process of having their feet bound. In China in 1911, all the women of good families follow this ancient tradition. But Ailin loves to run away from her governess and play games with her male cousins. Knowing she will never run again once her feet are bound, Ailin rebels and refuses to follow this torturous tradition. As a result, however, the family of her intended husband breaks their marriage agreement. And as she enters

adolescence, Ailin finds that her family is no longer willing to support her. Chinese society leaves few options for a single woman of good family, but with a bold conviction and an indomitable spirit, Ailin is determined to forge her own destiny. Her story is a tribute to all those women whose courage created new options for the generations who came after them. The Mystery of the Song Dynasty Painting Delacorte Press

While working in her mother's beauty shop where all the best town's gossip flies free, Rosemary Goode becomes determined to lose the weight that seems to be an all too common topic and starts keeping a journal to record the year-long experience in achieving her goals, her relationships with others, and her feelings about life in her tight-knit Southern community.

2016 Newbery Honor Book New York Times Bestseller An impassioned, uplifting, and virtuosic tour de force from a treasured storyteller! Lost and alone in a forbidden forest, Otto meets three mysterious sisters and suddenly finds himself entwined in a puzzling quest involving a prophecy, a promise, and a harmonica. Decades later, Friedrich in Germany, Mike in Pennsylvania, and Ivy in California each, in turn, become interwoven when the very same harmonica lands in their lives. All the children face daunting challenges: rescuing a father, protecting a brother, holding a family together. And ultimately, pulled by the invisible thread of destiny, their suspenseful solo stories converge in an orchestral crescendo. Richly imagined and masterfully crafted, Echo pushes the boundaries of genre, form, and storytelling innovation to create a wholly original novel that will resound in your heart long after the last note has been struck.

"American history comes to vivid, engaging life in this tale of two interconnected families (one white, one black) that spans from the 1950s to Barack Obama's first year as president. . . . The complex, beautifully drawn characters are unique and indelible."—Entertainment Weekly "An astoundingly audacious debut."—O: The Oprah Magazine • "A gorgeous generational saga."—New York Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE • FINALIST FOR THE PEN/HEMINGWAY AWARD FOR DEBUT NOVEL Meet James Samuel Vincent, an affluent Manhattan attorney who shirks his modest Irish American background but hews to his father's meandering ways. James muddles through a topsy-turvy relationship with his son, Rufus, which is further complicated when Rufus marries Claudia Christie. Claudia's mother—Agnes Miller Christie—is a beautiful African American woman who survives a chance encounter on a Georgia road that propels her into a new life in the Bronx. Soon after, her husband, Eddie Christie, is called to duty on an air craft carrier in Vietnam, where Tom Stoppard's play "Rosencrantz and Guildenstern Are Dead" becomes Eddie's life anchor, as he grapples with mounting racial tensions on the ship and counts the days until he will see Agnes again. These unforgettable characters' lives intersect with a cast of lovers and friends—the unapologetic black lesbian who finds her groove in 1970s Berlin; a moving man stranded in Portsmouth, New Hampshire, during a Thanksgiving storm; two half-brothers who meet as adults in a crayon factory; and a Coney Island waitress whose Prince Charming is too good to be true. With piercing humor, exacting dialogue, and a beautiful sense of place, Regina Porter's debut is both an intimate family portrait and a sweeping exploration of what it means to be American today. Praise for *The Travelers* "[A] kaleidoscopic début . . . Porter deftly skips back and forth through the decades, sometimes summarizing a life in a few paragraphs, sometimes spending pages on one conversation. As one character observes, 'We move in circles in this life.'" —The New Yorker "Porter's electric debut is a sprawling saga that follows two interconnected American families. . . . Readers will certainly be drawn in by Porter's sharp writing and kept hooked by the black-and-white photographs interspersed throughout the book, which give faces to the evocative voices."—Booklist *Under the Same Sky* HarperCollins UK

Katie, a foster child, wants only one thing for Christmas: a family. However, there are no wise men coming from the East or shepherds watching in the fields. There's also a teenager named Matt, who believes in doing a good deed. And another teenager, Liz, whose family decorates and celebrates but leaves her wondering where the true meaning of the holiday has gone. And Mr. Knight and his son, Tack, who run an inn and put up a tree each season, on which children's wishes will hang as they hope and wait for them to be granted. It's the season of joy, hope, and miracles, but will the Christmas spirit be strong enough to grant those wishes that

seem impossible?

During her lonely childhood in Shanghai, Adeline Yen Mah wrote adventure stories to escape from her terrible step-mother and cruel siblings. The characters she created often became more real to her than her own family. In *Chinese Cinderella and the Secret Dragon Society*, Adeline tells the story of Chinese Cinderella, a young girl who, after being thrown out of her home, has no choice but to go out and seek her own destiny. Soon she meets up with a group of children, all orphaned but each from a different background, who live with an old lady called Grandma Wu. Chinese Cinderella, or CC for short, decides her future after consulting an ancient book which helps to show her the way forward. And her choice takes her on a mission to save the lives of others. Based on a true-life incident during World War II. CC and the others bravely rescue a group of American pilots whose plane

crashed after a bombing raid on Japan.

Although her father is looking for her, CC knows that she can never go back to live with her cruel stepmother, and now there is no turning back.

A Chinese Cinderella Novel Crown Publishing Group (NY)

In this poignant memoir the New York Times bestselling author of *Falling Leaves*, Adeline Yen Mah, provides a fascinating window into the history and cultural soul of China. Combining personal reflections, rich historical insights, and proverbs handed down to her by her grandfather, Yen Mah shares the wealth of Chinese civilization with Western readers. Exploring the history behind the proverbs, she delves into the lives of the first and second emperors and the two rebel warriors who changed the course of Chinese life, adding stories from her own life to beautifully illustrate their relevance and influence today.
