Volume 4 completes the set with 10 works by Aguado without opus number. Facsimile reproduction in Spanish

with preface in English." *Classical Guitar Answer Book* Routledge The guitar lessons of Julio Sagreras are among the most universally used collections of guitar music and represent a milestone in didactic guitar literature. This book, which includes the first three volumes of the original six-volume series, is an ideal introduction to classical guitar playing as well as to Latin

American guitar music. Text written in English and Spanish with French and German translations in an appendix at the back of the book. **Antonio Lauro Works for Guitar, Volume 4** Alfred Publishing Company In this update of the *Acoustic Guitar Answer Book*, Sharon Isbin, the classical guitar virtuoso who heads the Juilliard School Guitar Department, answers 50 essential

questions about performing, practicing, and choosing and caring for your guitar. The questions were asked by Acoustic Guitar magazine readers and answered by Isbin in four years of Master Class columns in the magazine. This book collects all this vital information together in an easy reference format - an absolute must for every classical guitar player. Includes new

appendices of resources for classical guitarists and students. 88 pages, 9 inch. x 12 inch. *Antonio Lauro: Works for Guitar* Mel Bay Publications This book assesses the influence and reception of many different forms of guitar playing upon the classical guitar and more specifically through the prism of John Williams. Beginning with an examination of Andrés Segovia and his influence upon Williams'

life's work, a further three incisive chapters cover key areas such as performance, perception, education and construction, considering social and cultural contexts of the guitar over the past century. A final chapter on new directions in classical guitar examines the change in reception of the instrument from the mid-1970s to the present day, and Williams' impact upon

what might be termed 'standard classical guitar repertoire'. With in-depth discussion of the cultural and perceptual impact of Williams' more daring crossover projects and numerous musical examples, this is an informative reference for all classical guitar practitioners, as well as scholars and researchers of guitar studies, reception studies, cultural

musicology and performance studies. An online lecture by the author and a transcript of the author's interview with John Williams are also available as e-resources. *Maria Luisa, El Nino, Natalia, El Negrito* Works for guitar Antonio Lauro: Works for Guitar Antonio Lauro is one of the most famous composers to come from Venezuela. He has written many works for orchestra, piano, choir,

harpsichord, and guitar. He is most well-known for his guitar works, this being his main instrument. In the early 1980s he gave concerts in London and Paris at the request of John Williams and Paco Pena. The pieces represented in these guitar works are for players at a beginner-intermediate level, and in standard notation only. Continuing the 19th Century tradition of other composers of

Venezuelan waltzes, Lauro named many of his pieces after people or places. "El Marabino" is the name given to someone who comes from the city of Maracaibo. "Angostura" is the original Spanish name of the city where Lauro was born. "Carora" is the colonial city near Lauro's birthplace. The Venezuelan waltz differs from the European waltz in its rhythm which may alternate between 3/4 and 6/8 time and in its more syncopated style. The melodies are highly sentimental and romantic. This book offers guitarists a graded selection of 71 carols for the holiday season. Most of the arrangements are graded variations in that each tune starts with an easy reading beginner arrangement (excellent for students and the last minute reading gig) and ends with intermediate settings using techniques such as tremolo, jazz voicings, and three voice

counterpoint. All of the music in this book is typeset in landscape format so that no page turns are required, and printed in standard notation only with suggested left-hand fingering. the book fits beautifully on any folding music stand and (because of the low landscape format) leaves plenty of room for any standard clip-on light. the *Holiday Gig Book* is an excellent source of

holiday tunes for the working guitarist.

A new collection by Argentine guitar virtuoso and composer Jorge Morel. This collection features solos by three renowned Latin composers plus two original solo guitar compositions by the author/compiler. All works are in the tango/milonga dance form

and are presented in notation and tablature. Selections include: Don Agustin Bardi, by Horacio Salgan; Gallo Ciego, by Agustin Bardi; El Choclo, by Angel Villoldo; and Milonga del Viento and Otro Tango; Buenos Aires, by Jorge Morel. A companion CD featuring Mr. Morel's performance of each solo is included.

**Recording the Classical Guitar** Mel Bay Publications  
Recording the Classical

Guitar charts the evolution of classical guitar recording practice from the early twentieth century to the present day, encompassing the careers of many of the instrument's most influential practitioners from acoustic era to the advent of the CD. A key focus is on the ways in which guitarists' recorded repertoire programmes have shaped the identity of the instrument, particularly

where national allegiances and musical aesthetics are concerned. The book also considers the ways in which changing approaches to recording practice have conditioned guitarists' conceptions of the instrument's ideal representation in recorded form and situates these in relation to the development of classical music recording aesthetics more generally. An

important addition to the growing body of literature in the field of phonomusicology, the book will be of interest to guitarists and producers as well as students of record production and historians of classical music recording.

 Alfred Music  
 Born in 1942 of mixed racial heritage, Gentil Montaa has deep roots in the musical culture of Colombia, spending

much of his early adult life playing popular music in various groups. Due to the lack of guitar method books and sheet music in Colombia at the time, he was not exposed to the music of Sor, Aguado, Giuliani or Bach until he was in his early twenties, often through recordings which he then transcribed himself. All the while, Montaa was active as a composer and during the Alirio Diaz International

Competition in Caracas in 1975, none other than Antonio Lauro called him aside and said, Montana, you must concentrate on your composition; it is a gift from God.

Fortunately for the guitar world, he did just that.

**For Classic Guitar** Alfred Music
